# Outstanding 4-H leader trip to Israel winner

been officially named as Can- movement in Canada for the opaward.

Selected by the Canadian Council on 4-H Clubs from nominations submitted by the provinces, John will travel to Israel in the summer of 1967 to study the customs, agriculture, education and government of the country. During the same period, a girl from Israel will visit Canada for a similar program of travel and study, with all expenses for the two exchange delegates assumed by Pioneer Women of Canada.

John, who resides with his parents on the home farm, has a record of outstanding scholastic, 4-H and community achievement. He has completed 14 4-H Clubs and last year along with Lois Hunter was a member of the Ontario 4-H interclub Championship Field Crop team. This year John was President of the East Halton 4-H Calf Club, and the Halton 4-H Conservation Club; and Vice-President of the Halton 4-H Grain Club. He is presently enrolled at York University.

Aside from his achievements in 4-H, John obtained highest standing in Grade 11, and won several literary and athletic awards including the Red Cross Bronze life saving medal. In music, John has his grade sight certificate in piano from the Royal Conservatory of Music, and is assistant church organist.

In a letter to Pioneer Women, 4-H Council president L. J Murphy of Hamilton expressed

### THE TRUSTING SOUL

Some people are real trusting souls. They never count their change or read contracts before they sign them. Most of the time they come out alright, but occasionally they get into serious difficulties because of this trusting nature. When you're driving your car, or your tractor, replace your trusting nature with defensive driving. Expect the unexpected and don't trust your life to
