

High School Highlights

by maurice cassidy

Sports activities captured the limelight at M.D.H.S. this past week. Thursday proved to be a fine football day as Milton split the double-header with teams from John F. Ross in Guelph.

In the junior game the "bush-leaguers" upset a more favored team when Don Hearn scored a touchdown with less than two minutes remaining in the game. The final score was 7-6 for the Milton squad, giving them a record of two wins and two defeats. Coach Foley was extremely pleased with the junior effort and expressed hopes that his

boys will continue in their winning ways.

In the senior game however, the Mustangs were unable to stop a powerhouse contingent from Ross. The Blueners could muster no offence against such opposition. At times it appeared our lads were confused and unaware of the actual strategy proposed by quarterback Allan Walker.

The final score was 28-0 for John F. Ross and Coach Foley said he felt his boys played well against a team he considered bound for league supremacy.

In other sports events the soccer team led by Jim Keane and Gary Nayler overwhelmed a rather unstable group from Acton by a score of 6-0. This gave the Milton lads a record of two wins and no defeats.

Acton's cross-country team paid a return visit on Wednesday and once again proved too powerful for the Milton crew. This may be due in part to the fact that the runners were handicapped by the loss of three, one of whom still managed to place.

On the same day our volleyball team travelled to Georgetown for the express purpose of revenge. Lacking number and preliminary practice, the volleyball team once again went down to a larger and more skilled team.

Two Milton players were seriously injured in the game against Ross.

Trevor Houston suffered a fractured vertebrae of the spine. It is expected that he will be released in the very near future.

James Caughill suffered a painful injury to his thigh and was released after treatment. However he is unable to walk without the aid of crutches.

Car accident, bus trip, Mexican visitor in news

By Mrs. Cecil Patterson

Mr. and Mrs. Geoffrey Drewbrook were awakened and had an exciting few minutes one night recently by strange noises and loud bangings around their home. As it was well past midnight, they made a careful search for the cause and upon investigation found a young man collapsed at their door and unable to be coherent.

Mr. Drewbrook telephoned the police for help and while he was doing this, the young man in his great pain and confusion, came to and broke a large window in the living room and collapsed again, draped on the window sill.

Police answered the call promptly and found on investigation that a car accident had occurred on the Lower Base Line nearly in front of the Drewbrook home. Two young men were in the car and had been injured.

The young people were from Toronto and were not familiar with the many curves and sharp turns on the road in that area. The driver had failed to negotiate one of these turns with the result several guide rails were sheared off and the car came to rest against a large tree. The cable held the car and occupants from falling into the valley below, a drop of nearly 100 feet.

An ambulance was called and the injured were rushed to Oakville-Trafalgar Hospital. The driver was most seriously injured and at last report was still on the critical list, while the other received head and chest injuries.

Mrs. Sally Harris was hostess to the ladies of Bethel U. C. W. on Wednesday evening, October 5. Mrs. T. Alderson, president, conducted the meeting. After the opening hymn, chapter five from the study book "Jesus Christ in the Christian's Life" was given by Rev. Keith Hawkes. The message was based on the Sermon on the Mount.

Invitations were read from Ashgrove for October 4 and Omagh Presbyterian church thanksgiving meeting to be held Thursday, October 13, at 2 p.m. Further arrangements were made for the U.C.W. bazaar to be held at Bethel on Saturday, October 15, at 2 p.m. They have a fine assortment of knitted goods, novelties, mincemeat, bake fable, also afternoon tea

will be served. Roll call word was Praise.

An amusing and interesting contest, Authors and Titles, conducted by Mrs. R. Mairo, was won by Rev. Hawkes. The meeting closed with the Lord's Prayer, after which a dainty lunch was served by the hostess and Mrs. Joanne Young. The next meeting will be held November 2 at the home of Mrs. Buckler.

Mr. and Mrs. D. Downs, Mrs. G. Bailey, Mrs. Fred Tuck, Mrs. T. Alderson, Miss G. Featherston and Mrs. W. Alderson enjoyed the horticulture bus trip to Detroit this past week. Ideal weather made for a pleasant trip.

John Alderson went to Oshawa Fair on Saturday, October 8, as a helper to Byron Benjamin and Douglas Shaw in showing their fine Appaloosa horses. John has also been to shows in New York State.

Mrs. Percy Merry accompanied her son-in-law, James McDougall and his son David to their home in Sudbury for the Thanksgiving holiday. Mr. McDougall is vice-principal of Blakelock high school in Oakville.

The first meeting of the Percy W. Merry Home and School Association will be held in the school on Thursday, October 13 at 8:15 p.m. The executive of the coming year will be inducted.

Geoffrey Drewbrook is the incoming president.

Happy birthday to Duncan Craig Oct. 3; Karen Bradley Oct. 10; Judith Prestige Oct. 14 and David Turner Oct. 6.

Congratulations to Kenneth Alderson who received first prize in his United 108 4H class of corn for silage.

Miss Moira Jones, eldest daughter of Mr. and Mrs. Dan Jones, 6th line, who is attending Notre Dame Academy at Waterdown, spent the weekend at her parents' home. Miss Tina Ruiz of Aquilanes, Mexico, also attending the Academy, was a guest of Moira and her family for the Thanksgiving holiday.

Aquilanes is in Central Mexico and is a very hot country so Tina is looking forward to a Canadian winter. This young lady is majoring in English language and will be in Canada for one year. When she completes her studies at Notre Dame she will take a summer course and return home to teach in Mexico.

The past weekend's Thanksgiving holiday was the last holiday before Christmas.
