

—Staff Photo

SIGNS HAVE BEEN POSTED along the Esquesing-Nassagaweya Town Line near Milton Heights in an attempt to stop people from dumping refuse along the sides of the roadway, but they don't appear to be doing much good. The top picture shows part of two truckloads of garbage, obviously removed from a service station, that were dumped on private

property bordering the roadside just a few days after township and county works department crews spent several days cleaning up the roadsides. The bottom photo shows where "dumpers" have despoiled the roadside, right beside a sign that warns "\$50 fine for throwing trash on township property."

mailing a letter?

Your envelope should have

- 1 correct postage in upper right corner.
- 2 the name of person who should receive the letter.
- 3 street number, street name, post office box or rural route number. Also, apartment or business block, and suite number.
- 4 village, town or city (and postal zone, if in use). Province, too.
- 5 your name and complete address in upper left corner.

A letter with the correct address is delivered right away - A letter with a wrong address takes longer on its way.

For postal information see your telephone book Yellow Pages

Crossroads Africa reviewed for nurses

The annual dinner meeting of the Halton County Chapter, Registered Nurses Association of Ontario, was held last week in Burlington with 83 nurses attending. Guest speaker at the dinner was Dr. John Sibley, consultant in Internal Medicine and head of the Department of Medicine at the Joseph Brant Memorial Hospital.

Dr. Sibley's topic was "Operation Crossroads Africa," an international project in which he has been involved since 1960, at which time he gave voluntary medical service in Africa along with 19 other professional people from the Hamilton area.

Dr. Sibley explained that the Crossroads Africa program was a vehicle to recruit young people such as university students, nurses, teachers from different races and backgrounds, to go to Africa in the summer to live and work with their African counterparts. The aim is to enable them to get to know each other as people.

The speaker illustrated his talk with a film entitled, "Crossroads in Africa," which showed Africans and volunteers working together building schools and hospitals to meet the needs in the villages.

Miss Ruth Milne, president of Halton Chapter, introduced Miss Laura Barr, executive secretary of R.N.A.O., who reviewed current

association projects, and asked for continued unity from membership.

Mrs. Hugo Kay, District 4 President, referred to R.N.A.O.'s new structure and informed the members that a District Workshop will be held on Nov. 4 for the purpose of assisting members in adapting to this new structure.

Nurses elected to the Chapter nominating committee were Mrs. Harold Nicholson and Mrs. William McNairn of Burlington, and Miss Ann Tucker of Georgetown.

Canadian dairy farmers retain 10 per cent of the milk they produce on the farm for use in the farm home and to feed live stock.
