

**A ROYAL FAMILY** like this could set republicanism back years. Crowned at a semi-formal dance in Preston Saturday evening was the new Halton Junior Farmers' Queen, Carol Swackhamer, centre. Miss Swackhamer, of the Acton Club, is shown here with her court of contestants for the position, Joy Hayward and Peggy Madill, left, and Edna Fisher and Gwen Kovachik, right. (Staff Photo)

**HALTON 4-H CONSERVATION CLUB**  
By Doug Stokes  
The first regular meeting of the Halton 4-H Conservation Club was held on Wednesday April 19, in the Agricultural Office, Milton. John Cockburn described to the members the various projects available to them, and asked them to make a choice as soon as possible.

The meeting was then turned over to Henry Stanley, Agricultural Representative for Halton, who gave a talk on land use, and how it could be best conserved.

**HALTON JERSEY GUERNSEY-AYRSHIRE CALF CLUB**  
By Stuart Nurse  
The second meeting of the Halton Jersey-Guernsey-Ayrshire Calf Club was held May 2, at the farm of Lloyd Pickering. President Murray McCuaig opened the meeting, and secretary Elizabeth Norrington read the minutes. The 21 members then judged two classes of Mr. Pickering's Guernsey cows.

The juniors, under Club Leader John MacNab, and seniors under Club Leader Ernie Alexander, split into two groups to discuss the various aspects of dairy husbandry, under the headings of grooming, feeding, dehorning, etc. A quiz on the parts of a cow ended the meeting, after which refreshments were provided by Mr. Pickering and his two sons, Bruce and Harley.

**CLASS LEADER**  
A two-year-old, Rosegate Valer's V, was the top producer in the Canadian Jersey Cattle Club's age division during the month of April. The Club reports. At two years 49 days, in 305 days, she produced 8,341 lbs. milk, 573 lbs. fat, 6.87 per cent, for a silver medal record. The owner is Mac Alexander of Norval.

—The most important part of a tractor is a safe operator.  
—Better to fix it and be glad, than to wish you had.

## Champion Farm Page

### National sale

#### Tarzwel buys Stewart cow

The National Holstein Sale held May 1 at Hays Farms, Oakville, brought a total of \$72,725 for an average of \$1,818 each for 400 head. This is the highest average in the history of the National, which has been operating since 1919 and is Canada's oldest livestock auction sale. A seven-month-old bull calf, Bon Haven Nugget, brought the top price of \$15,000, the third highest ever realized at the National. Nugget was sold by C. J. Cerswell, Beeton, and jointly bought by two artificial breeding units, the Central Ontario Cattle Breeding Association at Maple, and the Waterloo Cattle Breeding Association at Waterloo.

The highest price for a female was \$7,500 which has never been beaten and only once tied at the National. This amount was paid by Howard Tarzwel, Georgetown, to Bert Stewart of Airways Farm, Hornby.

#### Carol Swackhamer new Junior Queen

By Geoff Taylor  
About 50 couples attended the Halton Junior Farmers' annual Spring Dance, held at Leisure Lodge, Preston, on Saturday, May 6. Several guests from neighboring counties attended also.

The climax of the evening was the crowning of the Junior Farmer Queen, Miss Wilma Mason crowned the new queen, Carol Swackhamer. The two princesses were Joy Hayward and Peggy Madill.

**P.T.O. SHAFTS**  
Recently an Ontario farmer lost his life when he became entangled in a unshielded power take-off shaft. Many farmers seem to forget that this shaft is travelling about 540 revolutions a minute, or nine times a second. If your clothes get caught there is very little chance of escaping. The machinery manufacturers supply shields for your protection, so don't leave them in the driveway.

### SILVER MEDAL BULL

The Jersey bull, Campbell H C Valet, Very Good, has just been designated a Silver Medal bull on the high production of his daughters by the Canadian Jersey Cattle Club. He was bred by Charles Robinson and Sons, Harvey Station, N.B. and owned by Mac Alexander and Sons, Norval.

### Halton East Y.P.C.s will hold debate

The Halton East Young Progressive Conservatives are planning a meeting and panel discussion at the Green Room of the Royal Oak Hotel in Oakville on May 10.

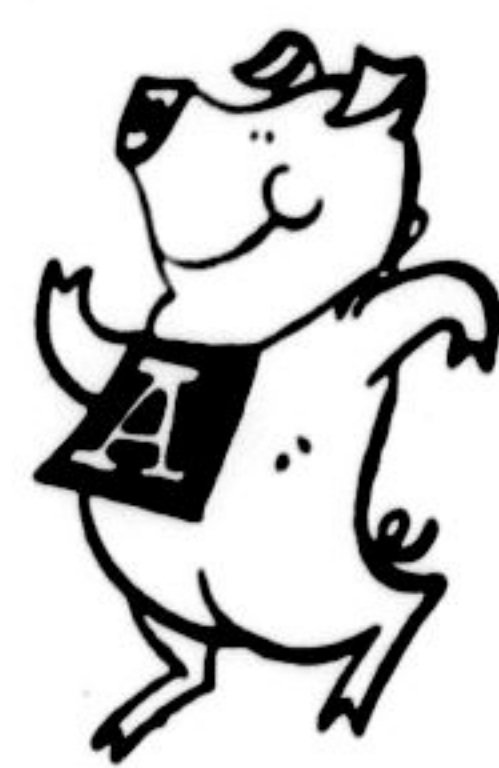

This meeting will feature a panel on the introduction of student political clubs into the area high schools. The debate will include representatives of the school board, the high schools and the University of Guelph student body.

## Retarded children need your help so very much:

In Canada, one child in every thirty is born—or is destined to become—mentally retarded.

That's more than 17,000 each year.

And each one needs special care and attention.

Your local Association for Retarded Children is doing all it can in the way of providing the necessary training and guidance to help these unfortunate youngsters grow into

useful, happy citizens.

It is vital work.

And you are invited to help.

Soon now, you'll be receiving some "Flowers of Hope" seeds.

These are being packaged and sent to you by the retarded children themselves.

All we ask you to do is—on Mother's Day if possible—plant these seeds in your window box or garden. Then plant a seed of hope for the retarded children in your neighbourhood by giving as generously as you can to the Retarded Children's Association.

"Flowers of Hope"

## \$5,000 IS NEEDED

FOR THE IMPORTANT WORK OF THE NORTH HALTON ASSOCIATION FOR THE RETARDED

### YOU ARE INVITED TO SHARE IN THIS VITAL WORK

YOUR SUPPORT ASSISTS:

- THE SUNSHINE SCHOOL WITH ADDITIONAL CAPITAL COSTS
- H.O.P.E. MEET THE NEED FOR A NEW SHOP
- PROVIDE FOR A FUTURE RESIDENTIAL CARE UNIT

Share in the work of this local organization by helping the North Halton Association for Retarded meet its objective of \$5,000. Funds will be used to assist in the continuation and development of the local services aimed at helping retardates fill a useful position in the community.
