Eight granted quarry permit

At their June meeting, Nas-sagaweya Council passed a motion granting quarrying licenses to Gordon McPhail, Charles Mitchell, Milton Quarries, Halton Crushed Stone, W. J. Mahon, Walter Simmons, Campbellville Gravel Supply and Thomas Kerkhoven.

Almost six weeks prior to the issuance, a delegation from Council made a tour of extraction establishments, making sure Township by-laws were being adhered to.

—Summer must have arrived on the weekend, if the weather counts.

Milton St. John officers earn warrant certificates

On Tuesday, May 30, the annual inspection of the Halton-Peel Corps of the St. John Ambulance Brigade was held in the Brampton arena.

This corps consists of Oakville combined, Acton combined, Brampton combined, Milton combined, Port Credit combined, Burlington combined and Acton combined cadets. FAMILY FIRE DRILL
If you had a fire in your home, would your family know what to do?

As a safety measure, plan and rehearse a fire escape routine. Make sure that even your youngest knows it's important to get out of the house quickly and go to a previously arranged meeting place. Too many people have died going back into a burning house to rescue someone who was already out.

Make it a special project to plan alternate escape routes, so no one will be trapped.

Hold open house at Hope workshop

Halton Opportunity Product Enterprise (HOPE) will be having an open house June 14th from 2 to 4 p.m. and from 7 to 9 p.m., workshop manager Mrs. H. Isham reported.

Trainees will be working in the shop, and refreshments will be served by Ladies' Auxiliaries of the North Halton Association for the Mentally Retarded.

Mrs. Isham noted the workshop has been extremely busy this season rewebbing chairs, producing craftwork and small printing jobs on the duplicator.

The workshop will close in late June for vacation and alterations to the building.
