**Jim McDonald is president next year's Peacock reunion**

By Mrs. Cecil Patterson  
A large number attended the Peacock family reunion picnic held at La Salle Park in Hamilton on Sunday, June 11. President Clarence Peacock welcomed the guests assisted by Miss Jacqueline Peacock, secretary-treasurer, on the register book. The dinner meal served in the pavilion was enjoyed by all and was followed by the business meeting.

Letters were read from Roy Peacock of Chicago, A. J. Peacock of Bewdley and Mrs. Norman F. Peacock of Crawfordville, Indiana, all of whom sent regrets at being unable to attend and greetings for a happy reunion to the cousins. A minute's silence was observed in loving memory of two of the clan departed since the last reunion, they were Mrs. J. A. Morden of Ferguson and Mrs. Stewart Hannah of Oakville.

Harry Peacock of Orillia made and donated a beautiful electric table lamp. This was won by Mrs. Herbert Peacock of Crystal Beach, also a knick-knack shelf won by Mrs. George Greer. The prize for the largest family was awarded to Mr. and Mrs. Donald Lemon, Milton, with four children.

Mr. and Mrs. Allan Castle of Norval received the prize for newest married couple and the longest married were Mr. and Mrs. Frank Peacock, Milton. The oldest person present at the picnic was Mrs. James Peacock of Milton and the youngest was three month old John Andrew Ford, infant son of Mr. and Mrs. Gordon Ford, Milton. Mrs. George Greer of Washago travelled the farthest to attend.

A fine program of contests, games and races were conducted by Jack Jarvis.

Officers elected for 1968 were as follows, Jim McDonald, president; Jack Jarvis, first vice-president; Bert Peacock, second vice-president; secretary-treasurer, Mrs. Jim McDonald; assistant, Mrs. Herbert Peacock; sports committee, Malcolm and Bert Peacock; table committee, Mesdames C. Jarvis, G. Tasker, F. Peacock. The reunion is to be held at La Salle Park on the second Sunday in June in 1968.

Mrs. Cecil K. Jarvis entertained the members of Omagh Presbyterian W.A. and W.M.S. for the meeting on Thursday, June 8. W. A. President Mrs. J. C. Jarvis opened the meeting prayer and Mrs. T. Snow read the Scripture lesson and theme.

A letter of thanks for flowers was read from F. Peacock. Further plans were made for the wedding dinner to be catered in July and a discussion was held on the proposed new floor for the S.S. rooms. Final decision is to be made at a congregational meeting.

Mrs. T. Snow, vice-president, welcomed the members to the Women's Missionary meeting. Mrs. Colen Marshall read the Glad Tidings prayer. A letter was read by secretary Mrs. H. Peacock advising the group that the bale will be sent to Northern Ontario and that good used clothing for all age groups and in all sizes was urgently needed. Yard goods to be made into clothing and quilt patches or linings were also requested.

The branch was also to send a history of the W.M.S., a picture of the Omagh Church and also one of the members if possible. This is to be included in the centennial W.M.S. book.

A fine single size quilt was handed in by Mrs. J. C. Marshall. A suggested list of materials are available for planning fall programs and this will be chosen shortly.

An interesting article written by Mary Lou Feenston, Presbytery deaconess at Brandon entitled "All Shook Up" was read

and discussed. The article was about W.M.S. and W.A. meetings and the lack of interest shown, was it because they were boring, always concerned with money making projects or just uninteresting studies? How can we as a group become better informed and more effective in our Christian outreach? The story went on to explain many ways the meetings could be greatly improved and be of benefit to every member and through them bring new joy and happiness to those in their community.

Roll call word grace was answered by 12 ladies. At the close a delicious lunch was served by the hostess and committee Mrs. Fred Amme and Mrs. F. Peacock.

July meeting is to be a picnic, to be held at the home of Mrs. Fred Amme.

There will be no church worship at Omagh Presbyterian Church on Sunday, June 18, so members may worship with their sister church, Boston, on the occasion of their anniversary.

Church service will be at 10 a.m. on July 25 and picnic dinner at Kelso Park at 1 p.m.

The many friends in this district of the Douglas Green family were shocked to learn that Mr. Green had been in a serious accident in Northern Ontario on Friday. Mr. Green is a helicopter pilot and was flying his helicopter to the North West Territories where he was to be working for the summer. He left on Sunday, June 14 and while going by way of Sault St. Marie was conscripted to fight forest fires in that area.

Friday, while flying in two Ontario Hydro Electric workers to the fire scene, his plane was downed and completely demolished. His two passengers were killed but Mr. Green miraculously survived and after treatment for cuts, bruises and shock was released.

Mrs. Green joined her husband on Saturday in Sault St. Marie. We sincerely hope that Douglas will have no serious after-effects from this tragic accident.

Miss Lynn Douglas, daughter of Mr. and Mrs. Jack Douglas of Edmonton visited recently with her uncles and aunts, Mr. and Mrs. Harold Douglas, Elmer Douglas and Miss Margaret Douglas and other friends in this district.

We are sorry to report that Elmer Leslie of the Third Line passed away in Milton Hospital on Sunday, June 11. Mr. Leslie suffered severe burns to his body when his clothing caught fire from a bonfire early in the week. Sympathy is extended to his wife, sons and daughters and all who mourn his passing.

Friends in this district were shocked to learn that Verne Barker of Erindale passed away from a heart attack on June 9. Mr. Barker had operated a milk transport for many years and had many customers in the Omagh community.

Mr. and Mrs. Cecil K. Jarvis attended the funeral service of the latter's cousin, Mrs. Robert Jepson of Hagersville on Tuesday, June 6.

Mr. and Mrs. George Robertson of Hamilton were Sunday visitors with Mrs. T. Snow and family.

Congratulations to Bruce Galbraith, John Hall and Linda Pelletterio on their high standing and being awarded honorary degrees in their various courses of study. We extend good wishes for all success in the future.
