are plagued by costly errors. The Rebels scored two runs on one hit, a walk and an error in the first inning. The all-too damaging error in the first inning was charged to Frank Bertasson. Bertasson has been rated as one of the fastest players in the league and with his speed Even when the Sox are bless- he could materialize into one of the league's top fielders if he could manage to hold onto the ball once he catches up to

Hamilton scored the game winner on two singles and a walk in the third inning. The Sox came back to score in the sixth. Doug McCutcheon walked, Bill Currie doubled and Mc-Cutcheon rounded third but was picked off at home on a throw from the third baseman.

Bill Currie scored following that play. Had McCutcheon scored on his effort Currie would have represented the tying run and the game would have had an entirely different complexion. There, in a nutshell, lies the saga of the 1967 version of the Milton Red Sox.

Big Red Currie pitched winning ball for the Sox, striking out 12, giving up only four hits and issuing only two walks.

Midget action

Milton Midgets chalked up two more wins in the past week's action, blanking Oakville Monday night 8-0 and squeaking by Waterdown Saturday by a 7-6 margin. The wins give the midgets eight wins, two ties and a single

Faggion doubled and singled, Naylor had a pair of singles, McKersie doubled and Harrison and Evans singled, pacing the midgets to a win over the Oakville team. Dance was the winning pitcher.

The midgets blew a 5-2 second inning lead and had to score two in the sixth inning for the 7-6 decision over Waterdown. Ted Hood got on base four times in four times at bat. He tripled in the first inning, got hit by a ball in the second and got on through a fielder's choice in the fourth and sixth.

Naylor tripled and singled, Faggion singled twice and Hearns singled once. Hearns pitched for Milton and allowed six hits and six walks and struck out six batters.

Clark pitched for Waterdown, allowing six hits, issuing seven walks and fanning five batters. Clark and Hunter both tripled for Waterdown.

time to pitch the ninth. All-Stars went ahead with two quick runs in the opening inning, but Ancaster took the lead with single runs in the middle three innings, one a homer by John Pawson. Jarvis' two-one homer in the sixth clinched the victory for the Stars although the Provisioners threatened with one final

Find out the difference between gasoline

CO-OP Formula 5 Gasoline gives you better performance for five different reasons. That's why we call it Formula 5. It can be stored longer without deterioration due to oxidation. Volatility is controlled from month to month to give you peak power whenever you need it. It contains a carburetor detergent to clean out harmful deposits. A built-in corrosion inhibitor helps keep gasoline free of impurities and an anti-icing additive fights cold weather stalling.
