Patterson's cattle win at Peterborough

By Mrs. George Pelletterio
Sympathy is extended to Mrs. Gordon Tasker and family in the recent death of Mr. Tasker.

were Mr. and Mrs. Eugene Coulter, Mr. and Mrs. Jeffery Agnew, and Mr. and Mrs. Austin Hiscock.

Council checking gravel operations

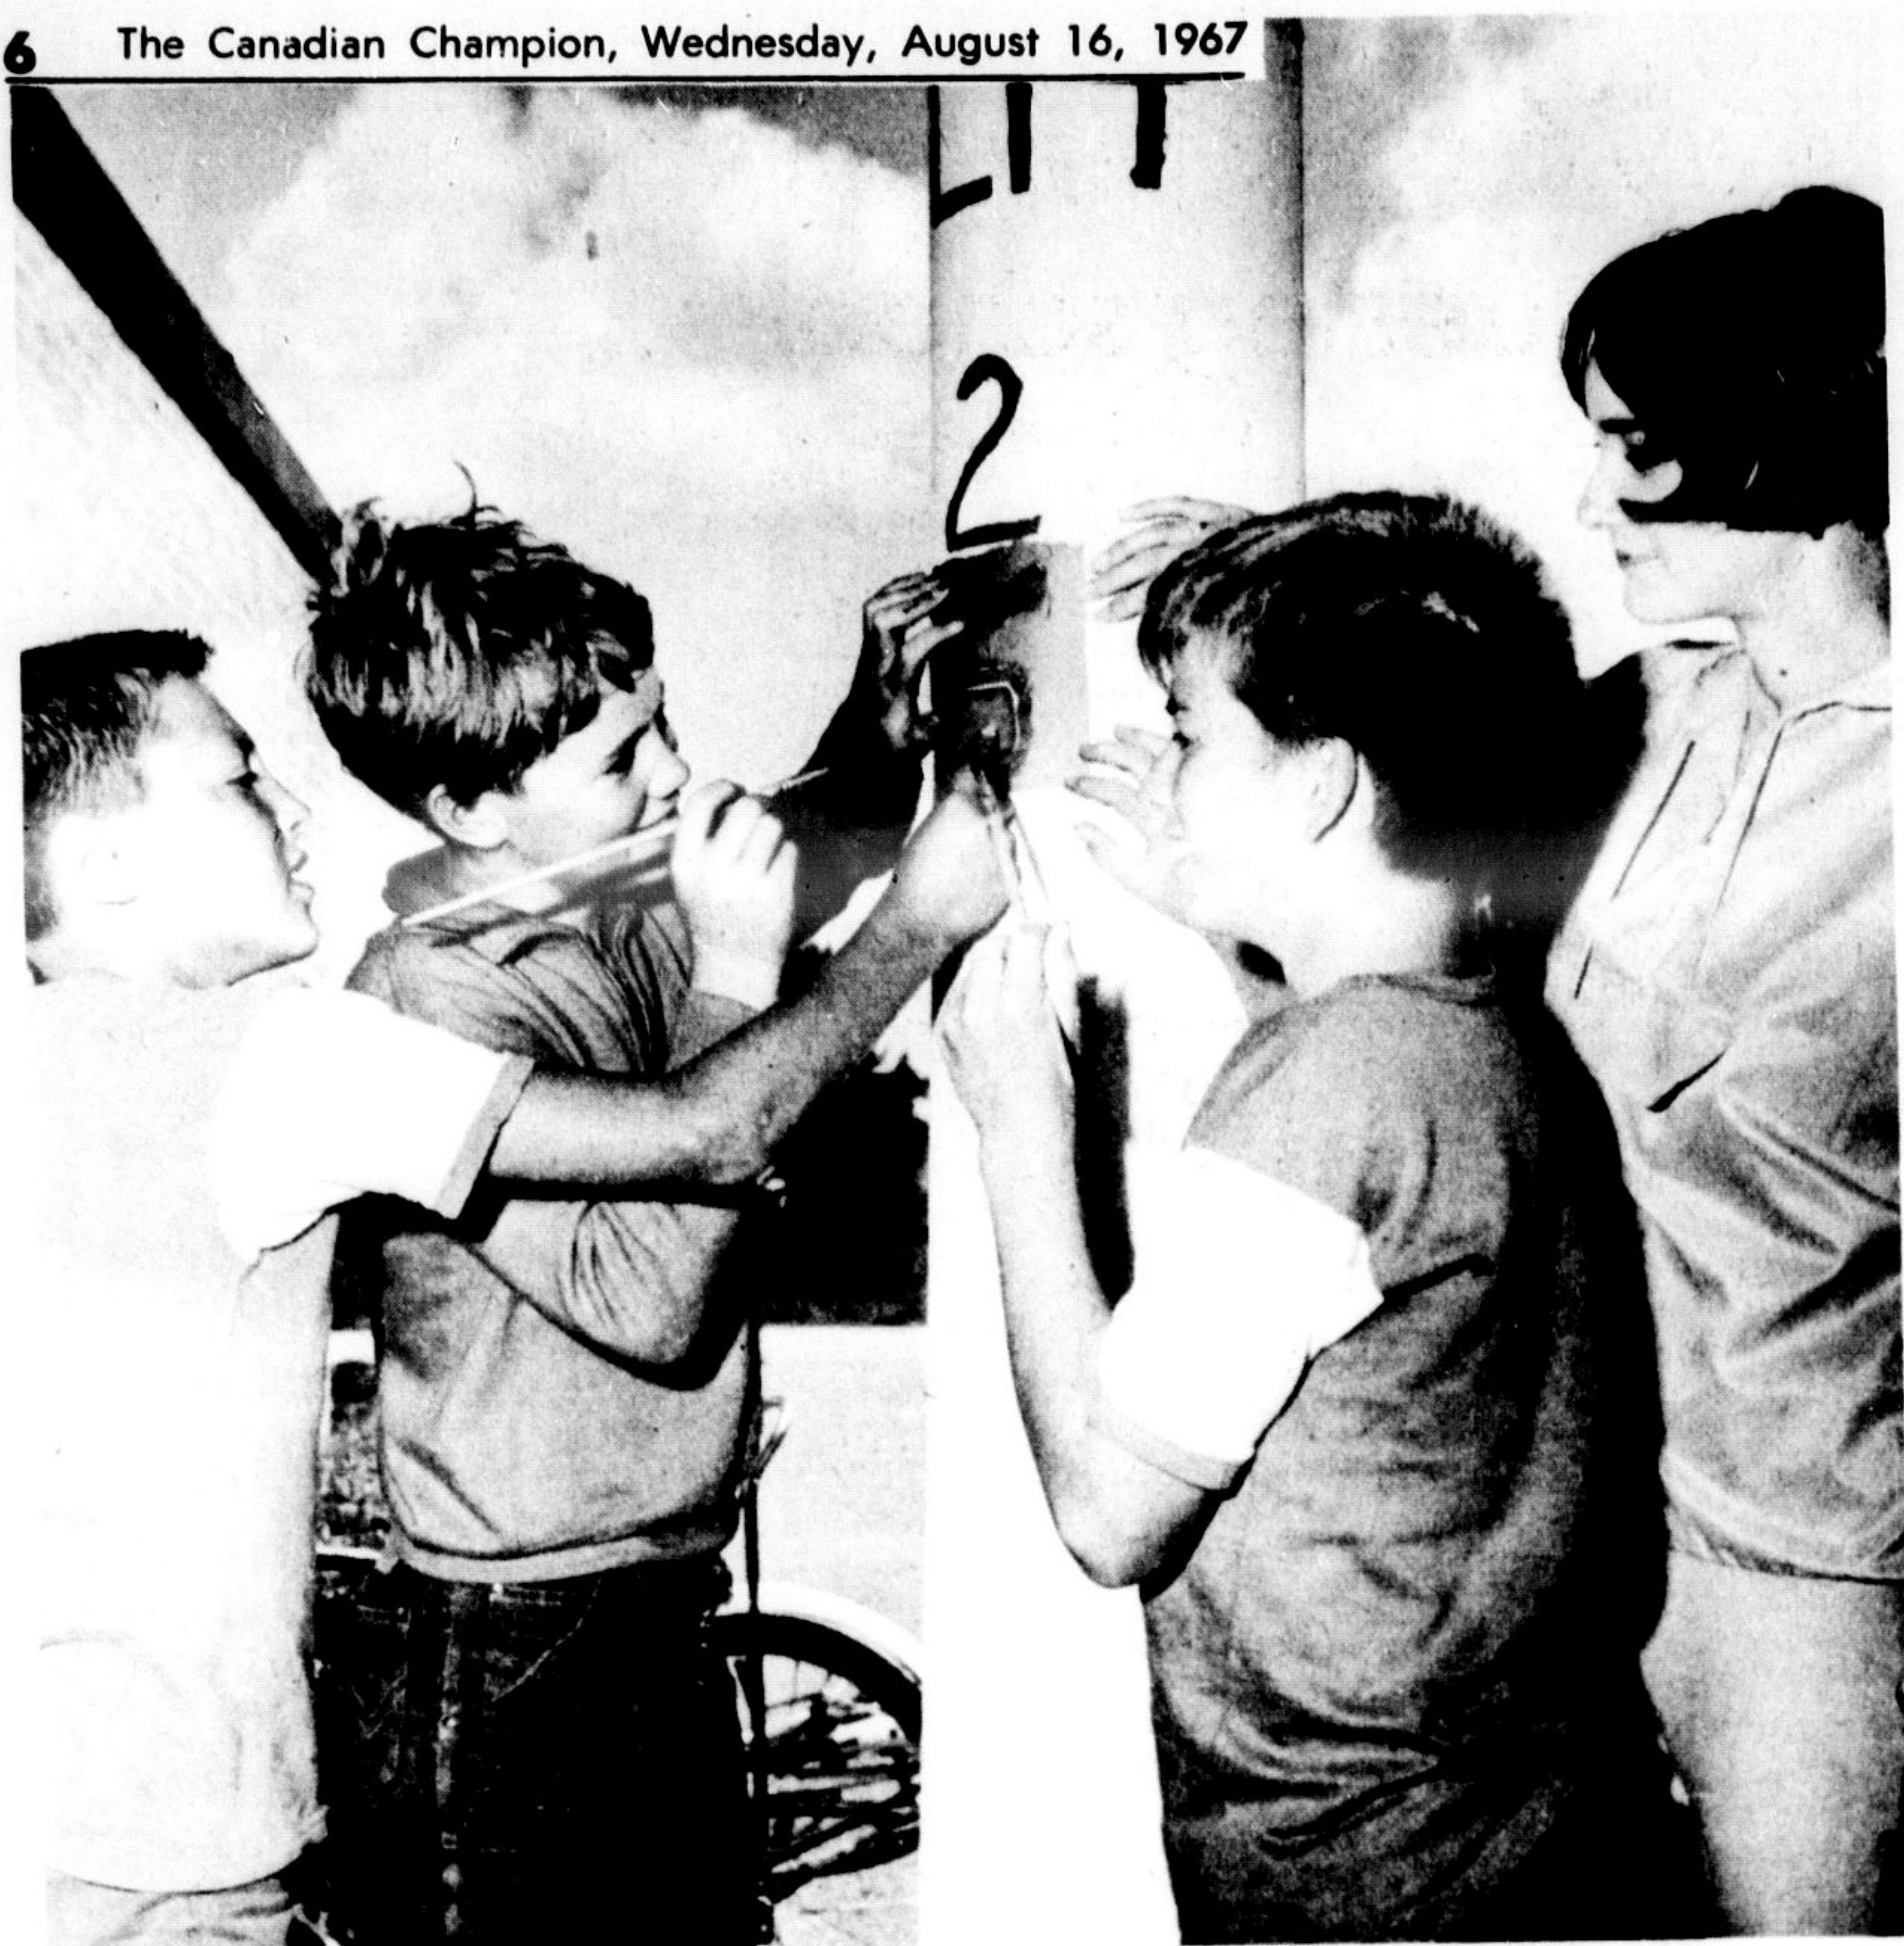

A discussion on a gravel company's operations brought an outburst of criticism from Councillor Mrs. Anne MacArthur during the August meeting of Nassagaweya Township Council.

It was suggested Campbellville Sand and Gravel Supply, which has been stripping overburden from land in the west half of their operation on Five Sideroad, may be doing so without a licence.

In the ensuing discussion, Mrs. MacArthur accused Councillor William Mahon of "wanting to see beautiful Nassagaweya all torn up."

Township administrator J. C. McIntyre was authorized to investigate the legality of the quarry's operations.

What two words have the most letters in them — post office.

IN PREPARATION for their first moon shot, August 24 in Rotary Park, the staff and children of the Milton Recreation Committee playground at W. I. Dick Public School apply paint to the body of the vehicle. Taking part in the paint-in are John Comber, John Tonelli,

Gary Heaney and Supervisor Marion Reinhart. The Centennial theme, tying in with the committee's activities at Rotary Pool, will trace Canada's history from Indians to the Space Age. (Staff Photo)

Nassagaweya Council Briefs

During the August meeting of Nassagaweya Council, members:

- Learned in correspondence from the Ontario Water Resources Commission an approximate cost of \$151,000 will be required to supply water to the Milton Heights area. Nassagaweya has 16 homes in the area, out of a total of 274. Fourteen thousand feet of eight-inch pipe will be required to establish the service. Costs will increase if the land is rock-laden.

- Referred to the next O.M.B. hearing a deputation of Mrs. Doris A. Johns and associates who explained to council that due to legal delays a deed to her property was not filed before the April 3 passing of Nassagaweya's new zoning by-law, making her lot frontage and proposed chalet square footage a non-conforming use.

- Received a letter from Mrs. W. Greenlee, secretary of North Halton Volunteer Services, informing Council the service is ready to act in event of emergency.

- Saw in a report from the Centennial Committee that total gate receipts from the June 23-45 weekend totalled \$1,285.45.

- Received a request from the Milton Rotary Club for information concerning the number of township residents potentially eligible for the proposed senior citizens apartments in Milton.

- Authorized Alan Ferrier to patrol the township refuse dump, in an effort to control and prevent the regularity of fires caused by careless, and in some cases out-of-township, dump patrons; and to limit use of the dump to Monday, Tuesday, Wednesday and Saturday from 10 a.m. to 7 p.m. The area will be closed to the public Thursday, Friday and Sunday.

- Investigated several possibilities for improvement of No. 5 sideroad, the west half of Lot 6, Concession 3.

Wins bike kit Elmer contest

Marlene Poirier, 13, daughter of Mr. and Mrs. Albert Poirier, 328 Woodward Avenue, was a second place winner in the recent province-wide "Elmer's Newspaper Contest."

The only North Halton girl to place in the competition, Marlene received a bicycle accessory kit for her efforts.

She will be a grade eight student at Holy Rosary School in the fall.

Farsightedness: a city air-purifier building a city close to their port.

Women are usually shy in giving their age — often by about 10 years.

Lush, Nixon plan outing

On Tuesday, August 29, Bob Nixon, M.L.A., the Ontario Liberal leader, will team up in Burlington with Jack Lush, provincial Liberal candidate in the Halton West riding. This outing, which will feature a large motorcade starting at 6 p.m., will arrive at Central Park, where a variety of activities have been planned. Bands, western and modern music, combined with refreshments and pony rides, will serve as some of the attractions in this gala event.

HOG CALLER

A young lawyer pleading his first case had been retained by a farmer to prosecute a railroad for killing 24 hogs. He wanted to impress the jury with the magnitude of the injury. "Twenty-four hogs, gentlemen, twice as many as there are in the jury box."

A successful movie producer thanks his lucky stars.

NOTICE

EFFECTIVE AUGUST 21, 1967

NASSAGAWEYA TOWNSHIP
