A hundred years ago, a Prisoner in a Turkish fortress in the Holy Land announced a new Revelation of God. His name was Bahá'u'lláh. His "Letters to the Kings" are, without doubt, the most remarkable documents in religious history. Several million people have now responded to His call. Local clergy of all faiths have just received an offer of Bahá'u'lláh's Message. We urge you to investigate it either through your clergyman or by writing:
