Dinner in Milton Electric contractors meet

About 50 electrical contractors and hydro officials from around the Georgetown, Brampton, Woodbridge and Bolton areas gathered in Milton Inn Wednesday for a regular meeting of the Brampton and District Electric League. The group is one of 30 chapters of the Ontario Electric

League, an organization established to get the contractors together for education and information-swapping, and to promote adequate electrical wiring. Ontario Hydro and local Hydro branches support the group.

Guest speaker was Harry Foy, secretary-treasurer of the

Ontario Electric League. Chairman was Ed Longhouse, president of the Brampton area group.

Following dinner and a business session all enjoyed a musical evening with Werner Weber of Milton on the accordion and two Brampton men playing guitar and drums.
