Roast beef, turkey, visitors ease patients over holiday

LETTERS TO THE EDITOR

Dear Sir:

It is fitting that at this time I should express thanks for the factual reporting of what might be termed "O.P.P. News" over the past year.

We are now completing the first twelve month period in which all news media throughout the province have been receiving regular advices from our Force through our Public Information Program. It is gratifying to see the spirit of co-operation that has developed as the result of this comparatively recent endeavour. Just as it is essential that news be made available through all media by the police, so it is important that the administration of justice that the public be kept informed of the services and responsibilities of the police. I look forward to the continued good understanding that presently maintains.

With best wishes,

Yours sincerely,

(Eric Silk)
Commissioner.

A Christmas Day menu of roast beef or turkey helped soothe the day for 35 patients who spent the holiday in Milton District Hospital. Permitted by the administration to invite relatives to have dinner with them, they were accompanied by about 20 non-patients.

The M.D.H. Women's Auxiliary decorated the building, including a tree for two occupants of the children's ward.

A member of the maintenance staff had arranged to have Santa Claus visit the ward, but the dimunty of residents forced Santa to withdraw his offer.

Members of Emmanuel Baptist Church junior choir sang carols Wednesday evening.

The staff report admittances were light over the holiday, with most cases resulting from the influenza outbreak.

"What I mean is," explained the insurance salesman to a bewildered prospect, "how would your wife carry on if you should die?"

"Well," answered the farmer reasonably, "I don't reckon that's any concern of mine - as long as she behaves herself while I'm alive."

It's our pleasure to send you our very best wishes for the coming year.

GO Transit to expand?

Apparently pleased with the GO Transit system, the provincial government has called for a survey of extensions to the north, possibly including Georgetown.

Government officials refuse to give information as to what land would be involved in order to avoid a hike in land prices. The survey is expected to be in Highways Minister George Gomme's hands in January.

The seven month old service has already built a daily patronage of 16,000 persons.

\$1,500 damage

A total of \$1,500 damage was done in a two-car collision Saturday evening on No. 5 Sideroad near Highway 25 north of Milton.

Driver of a car which received \$800 damage, Charles Shubert of R.R. 3, Milton and a passenger Allan Shubert received minor injuries, as did the driver of the other car, Gerald Nolan of Milton.

Earlier the same evening, a car driven by Thomas J. Daisley of the R.C.A.F. station, Angus, received \$400 damage in a one-car accident just south of Speyside on Highway 25. The driver suffered minor lacerations.

"John, if I should die, and you should ever marry again, promise me you'll never let your wife wear my clothes."

"Sure, I promise - besides, they wouldn't fit her."

Now's the time for us to extend grateful greetings to our many kind friends and their families. Happy New Year!
