by Henry J. Stanley

Some eighty Holstein breeders from Halton met in the Palermo Hall on January 9 for their annual meeting. The meeting started with everyone viewing the TV show "The Fences are coming Down." Jock Cockburn, Associate Agricultural Representative, stated that 61 of the 63 4-H Holstein members completed their projects in 1967, with a record number of 4-H Holstein first- record in D.H.L.A. in Ontario

year members joining the calf last year -- over 16,000 lb. milk

Ralph Ford, club secretary, reviewed the highlights of the and White show with 102 animals and \$2,485 in prize money, and the barn meetings at Hays' Sales Arena and at W. J. Bennett's. Fred Bell, club president, complimented Galbraith Bros., Burlington, for having the highest

and 671 lb. fat. He also stated that Halton was most proud of the Halton team of Jeff Nurse, year, which included the Black Larry Bennett, and Dan Heatherington for winning the Royal Winter Fair livestock and dairy judging competition.

Stewarttown Hall was the scene of an Honor Banquet, planned and conducted by the 4-H Agricultural Club members of Halton County, on Friday, January 12, in honor of all the 1967 4-H award and trip winners.

The special speaker of the evening, John McGee, a former 4-H member presently enrolled at York University, gave a report on an exchange trip to Israel, sponsored by the Pioneer Women of Canada. John represented all Canadian 4-H'ers. His presentation included slides and a commentary on his visit, which took place immediately after the Arab-Israeli war.

Other 4-H trip reports were given by Lois Hunter, Keith Aitken, and Doug Gardhouse. Lois, winner of the Rural Youth Award, represented Halton County for 10 days in Montreal as guest of the Rural Learning Association:; Keith Aitken was Halton's delegate to the Provincial Leadership Week at the University of Guelph; and Doug Gardhouse was one of

### Gordon Leslie, Acton spring grain winner

Gordon Leslie, R.R. 3, Acton,

He was followed by six more members with Herta Barley as erage value of the barley, at follows: Frank Robertson, Mil- \$1.20 per bushel was \$75.80, ton 5, with 3,656 lb.; Johnston Neelands, Hornby 1, 3,416 lb.; Richard Sovereign, Milton 2, 3,-305 lb.; John Willmott, Milton 1, 3,112 lb.; Calvin Aitken, Acton 3, 3,036 lb.; Merle Gunby, Mill-

Next came two members with Mixed Grain -- Fred Nurse, Georgetown 2, with 2,996 lb.; and Earl Wilson, 2,931 lb.

lowed, and then the members with mixed grain and oats. It is most interesting to note that the top member with oats, H. C. Reid

The average yield of barley was 3,034 lb. or 63.2 bushels per acre, mixed grain 2,606 or 65.1 bushels, and oats, 2,102 or 61.8 bushels. When we consider the energy or TDN produced by these three crops, it comes to 2,367 1b. for barley, 1,902 lb. for mixed grain, and 1,429 lb. for oats. Georgetown, is the district's On the average, barley is producing half a ton more energy per acre than oats. Surely this

## illustrates control

A special workshop is being planned for all Halton County dairy farmers on Tuesday, January 23, in the Masonic Hall, Milton. Dr. H. J. Neely and F. C. Nelson, Veterinary Services Branch, Guelph, will be present to conduct this workshop. A similar workshop held in the spring

titis costs the average dairy farmer \$1,600 per year. This is for the cost of drugs to treat the disease and in loss of production. The purpose of the workshop is to illustrate the step-bystep procedures that are prac-

mastitis. The Halton County Milk Committee is co-operating with the Ontario Dept. of Agriculture and

ning the crops to grow on your fields for the coming year. Records were kept of the cost of producing these crops with the following results: the cost of producing either barley, mixed grain, or oats was between 42 and 43 dollars an acre. The avmixed grain at 95¢ - \$61.90, and oats at 80¢, \$50.90. Thus the return to risk and management to the farmer was \$33.05 per acre for barley, \$19.80 for mixed grain, and \$8.30 for oats.

#### Traction

Many of the accidents to farm people occur on the highway and country roads. This time of year the roads are more hazardous, because of the snow-packed or slippery conditions. So don't take chances with those middleaged tires that are going bald! Winter roads demand a good tread on your tires to ensure positive starting and stopping. Don't gamble on "smoothies,"

#### Ward Brownridge becomes auctioneer

Ward Brownridge, R.R. 2, newest auctioneer.

A farmer on the Seventh Line Brownridge homestead all his life, Mr. Brownridge said he hopes to specialize in farm sales but is available for all types of sale work throughout the district. His years of farming and active participation in many Halton farm groups -- among them the Soil and Crop Improvement Association and Halton Holstein Breeders Association -- have given him a good background in dealing with farm people and farm equipment.

Coaching him will be a veteran auctioneer, Frank Petch, of Georgetown, who retired at the end of last year after 53 years the auction sale business. Mr. Brownridge has already booked three farm sales for the

He plans to keep operating his own farm on the Seventh Line, devoting whatever time is necessary to the auctioning business. The Brownridge farm was bought from the Crown by his ancestors in 1819, and except for a threeyear period in the 1920's has remained in the family ever since.

Campbellville, for the top R.O.P. herd with over 20 records, his 34 cows produced 15,3331b. milk, 640 of butter fat, 4.17% test, for BCA's of 139-158; to Sherholme Farms, Burlington -- 18 cows, 16,132 lb. milk, 556 fat -- B.C.A.-'s of 158-148.

The various trophies won at the Halton Black and White whow were then presented.

Hardy Shore, President of the Holstein-Friesian Association of Canada, and Directors Abner Martin of Waterloo; Bruce Reid, Wentworth; Howard Laidlaw, Peel; and Albert Hunter of Halton gave reports. A spirited discussion took place on the proposed registration of red and white Holsteins.

Martin Heslop, sales agent, reported 163 head of Holsteins sold by him in Halton, for an average price of \$372. The meeting concluded with Henry Stanley discussing the production of the TV film on dairy cattle and its content. Officers chosen for 1968 are:

Past president, Fred Bell; president, Don Peer; first vice-president, John Kitching; second vicepresident, Fred Nurse; secretary, Ralph Ford. Directors den William Hunter and Mrs. are Cliff McDonald, Sam Harrop, Hunter, Henry Stanley, Agricult-Bruce McClure, Earl Wilson, ural Representative for Halton Bill Bennett, Don Brethet, John-County, and Bill Wilson, presston Neelands, Colin Marshall, ident of the Halton 4-H Club Arnold Fish, J. C. Ford, and Council and Mrs. Harold Biggar.

Breeders Association's annual dinner in Palermo Community Centre last week were W. J. Mahon of R.R. 2 Campbellville, holder of the top R.O.P. production record for a herd of more than 20; Morley Sherwood of Sherholme Farms, R.R. 1 Bur-

Cemetery, Hamilton.
