

### Douglas Wood chairs board

Douglas Wood of Hornby, a member of the Oakville Board of Education as a representative of the northern Ward One electors for several years, has been named 1968 chairman of the board.

He was elected to the post at last week's inaugural meeting. Vice-chairman for the past two years, Mr. Wood takes over the seat from Kenneth Horwood who resigned at the end of 1967.

Denzil F. Lawrence of Milton is Ward One's other representative to the Oakville board. He is also a veteran member.

### OBITUARY

#### Mrs. S. Merritt

Mrs. S. Merritt, who was well known by many residents of Milton, died last week at Kingston-on-Thames, Surrey, England, following a lengthy illness.

She was the mother of L. A. "Tony" Merritt of 249 Kingsleigh Court, Milton, and grandmother of Kevin, Theresa, Brendan and Joanne. Mrs. Merritt had visited here three times in recent years and made many friends in Milton.

### Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.

A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most important of all—results were so thorough that this improvement was maintained over a period of many months.

This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.

Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

### How Buffalo Bill got his first job

William F. Cody, the famed Western scout and rodeo showman who is better known as "Buffalo Bill", got his first job by answering a newspaper ad.

The pony express was looking for riders, and their ad read: "Wanted, young skinny, wiry fellows not under 18, must be expert riders, willing to risk life daily. Orphans preferred."

You don't have to be a Buffalo Bill to get a job in Champlon classifieds these days. Nor skinny. Nor wiry. Nor an orphan.

The Champion's want ads are ideal attention-getters. Hundreds of people use them weekly to buy, sell, rent, trade, acquire or announce... why don't you?

--The pond has been getting plenty of use by the young fry, who are seen there skating almost daily.

### The pyjama game

## 4-H'ers show off sleepwear at homemaking club finale

The auditorium of St. Paul's United Church in Milton looked like a mad-cap scene from "The Pyjama Game" for a while Saturday afternoon. But it was planned to be that way.

About 85 members of six Halton County 4-H Homemaking Clubs were out Saturday to compete their winter project, "Sleeping Garments" at the semi-annual 4-H Achievement Day.

As part of the program, each girl modelled the sleepwear she had made during the past few months.

The fashion parade, highlight of the afternoon program featured long granny gowns, smart pajama sets, and even a few "baby doll" styles as proof of a variety of the sleepwear the girls concocted during their winter program. "Sleepwear

surprises best describes the colorful array of pyjamas and nightgowns on display," summed up Halton and Peel County Home Economist Mrs. Kathy Williams, who convened the achievement day.

The scene will be repeated this Saturday in Ballinacraigh Hall, where the northern clubs of the county hold their achievement day. Last Saturday's program included the girls from Acton, Hornby South, Scotch Block, Palermo, Nassagaweya and Hornby North clubs.

During the winter project each member planned and made her own garment. At the same time she learned many sewing techniques, such as the flat fell seam, trench seam, sewing on lace or eyelet, and applying corded piping. The results of their

instruction from volunteer 4-H leaders was quite visible as the models paraded their new nightwear at Saturday's program. Despite the colorful materials, the flowing robes, the fancy designs and the special trimming the girls gave their individual creations, the costs were not high. Costs ranged from \$2 to \$5.

During the morning program the members judged the quality of sleeping garments and materials, and demonstrated sewing on lace by hand. In the afternoon each club gave a skit or exhibit to demonstrate the useful information they have acquired. Parents and friends were welcomed at the afternoon program.

Acton girls did a skit, "What makes good sleeping garments,"

with all members participating and transforming their worst sleepwear into a colorful new array of styles. Sharon Hill commented on an exhibit by Hornby South, "Variety in sleeping garments" and Susan Currie and Carol Schrieber demonstrated the Scotch Block club's exhibit, "Selecting pyjama material and pattern."

Palermo's exhibit "Good sleeping garments" was commented on by Barbara Ireland. All members of the Nassagaweya club participated in a skit, "What makes good sleeping garments" which ended in a pillow fight. Hornby North's exhibit was "Finishes for sleeping garments," commented on by Laurie Maxwell and Karen Bradley.

Home economist Miss Sharon Copeland commented on the exhibits, skits and demonstrations, and Mrs. William Webb, president of the Halton District Women's Institutes which sponsor the 4-H program, also brought greetings.

County Honors Certificates (for completion of six projects) were presented to Kathryn Lynch and Shirley Sayers, Acton; Mary De Boer, Rosalyn Merry and Eleanor Smith, Hornby South; and Karen Bradley, Darlene Leslie, Laurie Maxwell and Maureen Thomson, Hornby North.

Six girls received Provincial Honors certificates for completing 12 or more projects. They were Betty Allison and Lorrie Allison, Nassagaweya; Linda Marsh and Diane Pell, Palermo; and Mary Anderson and Kathleen Irving, Scotch Block.

Certificates of achievement were presented to all the girls who completed their project.

Mrs. James McKay received a certificate for five years of leadership with Hornby North, and Mrs. E. S. French won one for 10 years of leadership with Scotch Block club.

**4-H SHOPPE** exhibit, entered by members of the Hornby North 4-H Homemaking Club at Saturday's achievement day in Milton, shows an exhibit showing the sleepwear the

girls have studied for the past few months. Commentators Laurie Maxwell and Karen Bradley show their display to Halton's home economist Mrs. K. Williams, right. (Staff Photo)

## Widen to four lanes Trafalgar Road plan

Preliminary engineering and design plans for the reconstruction of Trafalgar Road from the intersection of Elizabeth Highway to the intersection of Middle Road to facilitate four lane traffic are complete, according to William J. Coulter said today.

The plans will be submitted to the County Roads Committee prior to submission at County Council's next meeting. The plans allow for future de-

velopment of the road to be co-ordinated with Oakville's flood control scheme.

sign to be expanded to six lanes. The anticipated cost of the one and one half mile stretch will be \$600,000.

One section of the road will contain storm sewers to be co-ordinated with Oakville's flood control scheme.

--Cold, isn't it?
