# Slides of trips to Expo, California shown Institute at January meeting

by Mrs. James Hamilton

Mrs. Thomas Howden was hostess for the January meeting of the Hornby Women's Institute held on Wednesday afternoon, January 10. The president, Mrs. Clifford Wrighlesworth, was in charge of the business part of the meeting and opened with the institute Ode followed by the Mary Stewart Collect. The roll call, "Name new products on the grocery shelf and your reaction," was answered by the nine members and two visitors present. Mrs. Roy Wilson read the minutes of the December meeting and gave the secretary's report. The correspondence included several thank you notes for gifts sent at Christmas; notice of Achievement Day and of the new 4-H product; also a letter from the area president. A discussion followed on suggestions for updating the 4-H girls' programs and projects. Members are bringing their suggestions to the February meeting. Mrs. William McPherson gave a short report of a meeting she had attended at Brampton on farm safety. The meeting was then turned over to the home economics convener, Mrs. Cecil Patterson and she introduced the speaker, Mrs. Madys Featherstone, who showed colored slides of her trip to Expo and also of the bus trip to California. Members had been asked to bring samples of their hobbies and these proved very interesting. Some helpful hints were also given. Mrs. McPherson was courtesy convener and thanked Miss Featherstone for

showing her pictures and extended a vote of thanks to the hostess. Lunch was served by the hostess who was assisted by Mrs. Wrighlesworth and Mrs. McPherson. Members of the Hamilton clan gathered at the North Trafalgar Community Centre on Friday evening, January 12, to pay honor to a recent groom and his bride, Mr. and Mrs. Bill Marchment. The first part of the evening was spent playing euchre with the prizes going to the following winners, Mrs. Albert Marchment, Mrs. Garry Hamilton, Jack Marchment and Jim Hamilton. Following cards the young couple were called to the front of the hall where they sat beneath a pink and white umbrella which was decorated with white wedding bells and a pink watering can hovering above. Mrs. Melvin Penney assisted the bride on the opening of the gifts while Mrs. John Fakla made a charming hat for the bride out of a variety of colored ribbons and bows. Bill expressed sincere thanks to all for the many useful gifts. Lunch was served by those in charge of the evening, Mrs. Willis Hamilton, Mrs. Floyd Hamilton, and Mrs. Brian Hamilton. The North Trafalgar Euchre Club held their weekly euchre party on Saturday night, January 13, at the North Trafalgar Community Centre. There were nine tables of euchre in play with the prizes going to the following winners: Joan Craig, Mrs. Clare Wilson, Mrs. Wilbert Nix, Ralph Featherstone, Harvey Dunn and Arthur Burton. The lucky draws

were won by Charlie Brown and Mrs. Jim Hamilton. Congratulations to Mr. and Mrs. Donald Peacock on the arrival of their daughter Cheryl Anne on Wednesday, January 10. Get well wishes are extended to Mrs. Graham Gillies, who is a patient in the Milton District Hospital following surgery. Mr. and Mrs. George Sammit returned home last week from Saskatchewan, Alberta, where they visited with friends and relatives during the holiday season. Belated greetings to Mr. and Mrs. George Hamilton, who celebrated their 26th wedding anniversary on January 12. Get well wishes are extended to Homer McCann, who is a patient in the Oakville-Trafalgar Memorial Hospital following surgery. Mr. and Mrs. Martin Southwood have returned from a vacation in England where they visited with friends and relatives. Congratulations to Mr. and Mrs. Barry Little of Markham on the arrival of their twin daughters, Kimberley Jean and Kelly Ann. Congratulations are extended to the proud grandparents, Mr. and Mrs. Alan Harrop. Get well wishes are extended to Clifford Hunter, who is a patient in the Sholdice Clinic. Robert, Larry, Gwen and Ricky Rutledge spent the weekend at the home of Mr. and Mrs. Kenneth Tyndall of Clinton, where they enjoyed plenty of good skiing. Members of the Eden United Church Young People's Society

held a tobogganing party on Friday night, January 12 at the Glen Eden Ski Club. Following the outdoor activity they returned to the home of Mr. and Mrs. John Hamilton where everyone enjoyed refreshments. Mrs. F.J. Robinson and Judy Parton of Milton visited with Mrs. Abe Neilson of Hornby recently. Birthday greetings to Darlene Wood, Patsy Patterson, Robert Wallace and Peter Trischler who will celebrate their birthdays on January 18, to Carol Jean Neilson on January 19, Kevin Rusk on January 21 and to Donald Break on January 22. The January meeting of the Eden United Church Women was held at the home of Mrs. Harry Lowden on Monday night, January 8 with Mrs. Bill Hill presiding. The meeting was opened

with the U.C.W. Ode followed by prayer. Mrs. Roy Break read the scripture lesson from Hebrews and told a story entitled "A time to pray". Mrs. Elmer May was in charge of the Study Book and discussed the importance of the ten commandments. The minutes of the last meeting were read and approved and the treasurer reported a balance of \$257.45 plus stocks. The annual reports of the secretary, treasurer and visiting committee were read and approved. The new flooring for the church steps was discussed. Mrs. John Cordingley had a sample of the material on display for the ladies to see. It was decided to leave final discussion until March as the cold weather would make it impossible to lay flooring at this time. Church plates were given

out to those present who had ordered them. It was decided to gather in all the Canada Packer labels and send them away for three dozen forks to be in time for the reception of the Mason wedding. Mrs. Roy Break and Mrs. John Cordingley were named for the committee to look after the purchase of a gift for the presentation on Monday evening, January 29 for Wilma Mason, Mrs. Elmer May was elected to look after securing the North Trafalgar Community Centre for that night. The roll call word "Joy" was answered by the twelve members present. The annual meeting of the church was announced. The meeting closed with the Mizpah Benediction. Mrs. Jack Nixon was in charge of the entertain-

ment and conducted two contests. Lunch was served by the hostess. Mrs. Leonard Buckler returned home from the Milton District Hospital last week and extends her sincere thanks to all for their kindness during her stay in the hospital. Get well wishes are extended to Lynda Chamberlain who is suffering from a case of sleeping sickness in the Oakville-Memorial Hospital. The Halton County Protective Association which was formed over 60 years ago to track down cattle rustlers and insure farmers against loss of livestock through rustling are heading for hard times as the treasury is reported to be at rock bottom. This is due to the dwindling of

membership and to an active rustler who was not caught. Secretary Henry Peacock reported at the annual meeting that a payment of \$66 was made to one farmer who lost a steer to rustlers and meant that the association ended 1967 \$41 in the red. Their only income is \$25 from annual dues paid by their 25 members, at \$1 each. At one time they had 150 members. It was decided that they would hold a banquet social in order to raise enough profit to balance their books. Good luck to the boys on their 1968 project. Milk stays fresh longer if you add a pinch of salt to a quart of fresh milk.
