Seven car accidents see \$1,925 damage

Milton Lions Club has just completed construction and erection of its sixth school bus shelter. At Monday's regular meeting, members learned that Shelter No. 6 has been placed in service at the intersection of 10 Sideroad and Appleby Line in North Burlington, where it is doing a good job of keeping students warm while they wait for their school bus these wintry days.

A guest at Monday's meeting was Morley Richardson, a new car dealer in Milton. Lion George Clements showed colored slides he took on a recent trip to Jamaica.

Members made plans to attend the district convention in Quebec City in May, and to host District Governor Howard Stewart of Streetsville at their February meeting. Also planned was attendance at a joint meeting of local service clubs in the near future.

It was reported Dr. Leggatt has volunteered to handle the eye bank transplants at the Milton Hospital. Eye Bank chairman Bob Brown said about 50 people have willed their eyes to the eye bank project, and noted more would still be welcomed.

Lions Gus Mowbray and Albert Schouten were named to chair the spring fertilizer sales blitz. Members concurred in a request to channel all future donations to sports groups through the town's Recreation Commission.

New members Fred Verstraete and Howie Scannell, who were initiated and inducted at the last meeting, were welcomed to the club.

Lions erect sixth shelter

Seven accidents in Milton in the past week caused a total of \$1,925 property damage.

A car driven by Steven Wayne Gervais of 78 Commercial St. suffered \$125 damage Tuesday, January 16, when it was in collision with a vehicle driven by Donald Aikenhead of 75 Victoria St. Damage to the second car was \$5.

An International Cooperaage Company truck driven by Fred E. Jeffrey of 62 Miles St. and a car driven by Douglas Hyatt of 268 Kingsleigh Ct. received \$5 and \$250 damage respectively when they collided on Martin St. Wednesday.

The intersection of Mill and James Streets was the scene of a collision the same day between vehicles driven by Robert Joseph Bell of 341 Kingsleigh Ct. and Dorothy Walker of R.R. 6 Milton. Damage to the Bell car was \$75, and to the Walker vehicle, \$150.

Friday, cars driven by Peter L. Cartwright of 386 Maplewood Crescent and Edward W. Perry of R.R. 1, Milton received \$150 and \$100 damage respectively when they collided in Milton Plaza parking lot.

A car driven by Robert John Irwin of 371 Meadowbrook Dr. received \$500 damage, and another car driven by Thomas Henry Johnson of Milton received \$400 in a collision at the corner of Main and Martin Streets.

Police year-end statistics indicate 1967 was busy year

By Larry Martin

Presently consisting of a chief, a sergeant, five constables, two radio-equipped patrol cars and radar equipment, Milton Police Force has effectively supervised Milton since 1960.

Evidence of the town's appreciable growth since then is given by records kept by the police department.

The total amount of fines and court costs assessed, for example, has risen from \$2,251 in 1960 to \$21,433.95 in 1966 and \$20,019 in 1967.

Exactly 11,782 contacts with the public including warnings, serving of summonses, questioning, investigation of vehicles and spot checks were recorded during 1967, comparing favorably with 9,879 the previous year and 1,123 in 1960.

Although records on miscellaneous items have not been separated before this year, the force during 1967 attended to 12 escorts, 34 electric alarms, 126 family complaints, nine neighbor disputes, 17 requests for general information, 114 overtime parking checks, and 662 other miscellaneous items. They assisted the public in 95 separate instances, and helped other police departments 239 times.

Three taxi cabs were given routine checks for insurance, meter accuracy, etc.

There were no murders in Milton during 1967, the last being a non-capital charge in 1965. An attempted murder was investigated the same year.

The force received no rape complaints, but 17 sex offenses other than rape were investigated, with 20 per cent of these being cleared either through court or withdrawal of the charge.

Nine attempted child pickups, two obscene telephone calls, one wounding and 36 assaults (not indecent) were reported. Police cleared up 100 per cent of the assault incidents.

Break-and-entry of 20 shops, three houses, and one school was investigated, with 45 per cent of the incidents cleared. Forty per cent of the 28 auto thefts reported were also cleared. Auto thefts last year totalled 36, comparing to 10 in 1960.

Incidents involving thefts over \$50 totalled 20, with a 36 per cent clearance record; and thefts under \$50 totalled 94, with a 31 per cent clearance.

One hundred per cent of the stolen goods cases investigated were cleaned up, and 74 per cent of the 24 frauds.

Complete clearance was also recorded for the three incidents of offensive weapons and infractions of Federal Statutes other than driving.

Liquor complaints, of which there were 123 (compared to 105 last year, and 25 in 1960) have a 99 per cent clearance record. In 45 cases police confiscated liquor. A total of 181 banquet permits were checked.

Complete clearing of incidents involving municipal by-laws other than traffic, and including wanted persons, warrants of commitment, warrants to apprehend, search warrants, evidential exhibits, juvenile reports, paroles and probation was also recorded.

Average clearance record on all work done by the department is estimated at 62 per cent.

In addition, 224 insecure properties were found during 1967, comparing to 244 in 1966 and 38 in 1960. Lost property reports totalled 131, with 99 properties found.

Police checked 540 premises for vacationers and investigated 141 dog complaints, with the dog control officer making 52 visits in town.

To execute their duties, police spent 1,942 hours on foot patrol, compared to 2,076 last year; 6,168 on car patrol, 5,906 last year; 483 hours on radar, 647 last year; 333 hours in court, compared to 344 in 1966; 220 on accident investigation, 164 last year; 978 hours on criminal investigation, 582 last year; 73 on liquor investigation, 79 last year; 104 hours spent in checking vehicles compared to 140 last year; and 1,982 hours of office duty, comparing with 1,740 in 1966.

The force worked a total of 14,362 hours, compared to 13,760 during the previous year.

A total of 1,435 miles were covered in 52 patrols.

They received and investigated 3,217 complaints during the year, comparing to 2,795 the year before and 966 in 1960.

Recovery was made of \$17,315.01 worth of the \$31,088.45 of property stolen. In 1966, property with a value of \$17,295 was stolen, \$9,794 of it recovered.

Property damage due to car accidents amounted to \$46,216, compared to \$48,005 the previous year.

Break and entry, theft, and vandalism destroyed \$2,019 worth of property within the town during 1967.

Milton brigade wins trophy for fire prevention program

A program on fire prevention that Milton Fire Department held for visiting firefighters almost a year ago has earned the local fire brigade a trophy.

The annual meeting of the Humber-Credit District Firefighters Association was held in Milton Fire Hall Sunday, and among the items of business was the presentation of a trophy to the brigade which gave the best program at a Humer-Credit meeting in the past year. Milton's fire prevention display last

February rated top marks, and Chief A. E. Clement accepted the trophy Sunday on behalf of all the members of his brigade.

During the election of officers, D. Little of Orangeville was named president. Other officers include Peter Dyer of Milton and A. Walton of Bolton as vice-presidents, Frank Newton of Thistletown as secretary and Alf Waldie of Milton as treasurer. Several committee chairmen were also named.

Post traffic cop for snowmobiles

Snowmobiles zooming around the tobogganing areas of Kelseo Conservation Area are creating a minor traffic problem, and the park's owner Halton Region Conservation Authority has decided to place a man on duty each weekend to direct motorized sleighs away from the more populous areas.

Kelseo has been beset by winter fun-seekers for the past month. The Glen Eden Ski Club is having an overwhelming year, attendance-wise, and hundreds show up each weekend to run toboggans and sleighs down Kelseo's hundreds of slopes.

But complaints have been received about the motorized snowmobiles that interfere with the safety of the toboggans and sleighs. "We are putting a man on duty to patrol the area and try to keep the snowmobiles away from the toboggan areas," H.R.C.A. field officer Dave Murray reported.

"We've got lots of hills, plenty for all the people who show up, but they all seem to head for the same spot."

A large area on the slopes east of the lake is kept open for toboggans and motorized sleighs, but the area between the lake and the museum seems to be the most popular spot for visitors.

Kin seek members

Milton Kinsmen opened their doors and invited guests to their dinner meeting Monday night at the U.A.W. Hall on Martin St. The Kinsmen, presently fighting a problem of low membership, had District Governor Bill Watson and Deputy Governor Dick Drew out to the meeting as well as other visiting Kinsmen from Hespeler and Burlington.

Following dinner a film was shown telling the story of how Kinsmen were founded. A spokesman for the organization said he hoped to gain at least two or three new members for the club through the meeting.

Young men interested in joining Kinsmen should contact Dan Pegg, president of the club or any Kinsmen member for further information about the organization.
