The most frequent order at the
bar of the United Nations building
in New York is orange juice. It
is estimated that during a Gen-
eral Assembly session, delegates
consume around 80 gallons of the
orange fluid per week. This
averages approximately one gal-
lon per delegation.

WHERE last fall — sure
enough, there it was un-
der that antique coffee-
grinder your wife
bought and is storing in
the garage.
BUT — months of idleness
and fighting for
garage space may have
damaged its efficiency.
Bring it in soon for a
complete motor tune-up
that will make you both
more eager to challenge
the lawn early.
