## LOWVILLE

# Presentations, films are highlights of Guide mother-daughter banquet

by Mrs. A. R. Coulter

A Mother and Daughter banquet highlighted the May 6 meeting of the 1st Lowville Company Girl Guides held in the auditorium of Fairview Public School. About 65 guests were present. Terry Dukeshire offered the Grace preceding the supper, supplied by the Guide mothers convened by Mrs. Ross Sanderson.

Mrs. B. J. Johnson, District Guider of Burlington, presented badges as follows: Susan Ferguson, 1st Class and Needlewoman's; Beverly Ascah, 2nd Class; Elizabeth Ferguson, 2nd Class; Anne Lammerse, Needlewoman's; Cathy Wilford, Fire Brigade. On behalf of the Guide mothers, Mrs. T. E. Ramshaw presented Guide Captain, Mrs. R. Harnden with a gift in appreciation for the leadership she is giving the girls. Mrs. Harnden made a fitting reply, then introduced Mrs. Eric Jackson, Brown Owl, Burlington, who presented colored slides on "Our Cabana" in Mexico, one of the four World Centres of Guiding.

A second film was about Heritage Camp near Morrisburg, a centennial project of the Girl Guides of Canada. About 2,000 guides, rangers and cadets representing the 10 Canadian Provinces and from other countries around the world met together under canvas for a three week holiday of fellowship.

On display was a collection of Guide dolls loaned by Guide Headquarters, depicting Guides in their respective costumes, around the world. Projects for

2nd Class badges were also on display and demonstrated the creative ability of the girls. Mothers and other guests joined in the closing exercises around the Camp Fire. Donna Byers presented Lt. Mrs. G. Becker with a token of appreciation and farewell gift, as Mrs. Becker returns to Germany with her husband at the end of May. Songs and "taps" concluded the program.

The Christian Stewardship of Time was the theme for the worship service at the May meeting of the Afternoon Unit of the Lowville United Church Women held at the home of Mrs. George Coulson. Mrs. Burdge Gunby, Mrs. Garfield Colling and Mrs. R. MacAvella presented poems, Bible readings and comments on the theme, concluding with a question and answer dialogue.

Mrs. E. E. Baskier co-ordinated the presentation of the Study Book, assisted by Mrs. F. O. Colling and Mrs. George M. Colling on "Woman of Courage" illustrating the life of a Christian woman of Japan. Mrs. George Coulson favoured with a piano solo and Mrs. N. Langton conducted the business period. Mrs. Melford Colling and Mrs. George Colling assisted the hostess in serving lunch.

Mr. and Mrs. David Leaver are enjoying a three-week business trip to Europe. It was with regret that the community saw Mr. and Mrs. William J. Robertson move to a home in Milton. They have lived all their married lives in this area and contributed much

to the social and spiritual life of the Lowville United Church. They will be missed daily by their close neighbors and friends who wish them many years to enjoy their new home and neighbors.

at the Mother's Day service on Sunday morning, Rev. E.E. Baskier performed the Sacrament of Baptism for nine children; at Zimmerman United Church, Katherine Laura, daughter of Mr. and Mrs. Bruce Bawden, and Daniel Robert, son of Mr. and Mrs. David Currie were christened. At Lowville United Church the following were christened: Mark Robert David, son of Mr. and Mrs. Alan Burbridge; Heather Audrey, daughter of Mr. and Mrs. J. K. Coulson; Shelley Elizabeth and Larry Daniel, daughter and son of Mr. and Mrs. Gary Hoard; Donna Lynne and Marlene Dawn, daughters of Mr. and Mrs. Ronald L. Nixen; Elizabeth Anne, daughter of Mr. and Mrs. R. Sovereign.

## Jim Snow

# Study new boards

By James W. Snow M.P.P., Halton East

As the business of the current session moves forward, several of the Committees of which I am a member have been most active during this past week. The Committee on Education and University Affairs has been meeting twice weekly during the mornings for the past two weeks and will continue to do so until our work is completed.

Our main agenda of this committee now consists of the consideration of Bill 44, being the Bill to Implement the County Boards of Education. Delegations representing several organizations have been heard by the committee including the Ontario Teachers' Federation and the Federation of Ontario School Trustees. The objections from these organizations have been very minor in nature, pertaining only to the mechanics of the implementation of the Bill, and our committee will now be proceeding with clause by clause study of Bill 44.

As a member of the Agricultural Committee, we had a most interesting presentation by Professor Norman Pearson of the University of Guelph on the planning of land use for Ontario.

The Hon. William Davis, Minister of Education, has announced that legislation will be presented very soon to implement regional separate school boards similar to the new county boards for the elementary and secondary school system. This will have the effect of greatly reducing the number of separate school boards within the Province and bringing their programs more closely in line with the public school system.

The Prime Minister, John Robarts, has announced that a select committee will be set up in the very near future to consider the briefs that have been submitted to the Smith Committee Report on taxation. The Prime Minister stated that this is not a re-opening of the whole question of taxation again, the duties of the committee will be simply to deal with the recommendations contained in the report and the many briefs that have been presented to the Provincial Treasurer by individuals, corporations and municipalities.

Royal assent has been given by the Lieutenant-Governor to the Community Centres Act which now allows for increased grants to municipalities for construction of community centres, skating arenas, indoor and outdoor swimming pools and athletic fields.

On Monday, May 6, the Hon. J. R. Simonett, Minister of Energy and Resources Management announced approval of two additional grants to the Halton Re-

gion Conservation Authority. One is for carrying out capital improvements in the Esqueving Conservation area and the other for capital improvements in the Sixteen Valley Conservation area.

As there is a widespread need on the part of many of our elderly citizens for self-contained rental accommodation at a rent they can afford, I would like to point out that any municipality may ask the Ontario Housing Corporation to carry out a survey of need and demand for Senior Citizens Housing in their municipality. If on completion of the survey by the Ontario Housing Corporation and need is found, then at the request of the municipality, the Ontario Housing Corporation will proceed with a construction program to fill this need. The municipality does not share in the capital or operating costs of the project, but it must agree to accept a reduced rate on municipal taxation on the buildings. Rents on the Ontario Housing Corporation Senior Citizens Housing Units range from \$37 to \$43 per month and are based on the tenant's income. The Corporation is presently asking for proposals from builders for the construction of 32 Family Units and 30 Senior Citizens Units in the Town of Oakville.

**New nursing school seeks applications**  
The Credit Valley School of Nursing in Cooksville is presently accepting applications for the fall from persons 18-35 years of age who have or will have a Secondary School Graduation Diploma with a minimum standing of 60 per cent in Grade 12. Any branch of the four or five year programs may qualify provided Grade 10 Mathematics, Chemistry and one of Physics or Biology are included.

The residential school will be a thoroughly modern, nine-storey structure built on land adjacent to South Peel Hospital in Cooksville. It expects to open its doors to its first class of nursing students in September, 1968. Milton District Hospital is one of five participating hospitals and nurses will receive part of their training here.

For further information and application forms, contact Miss Oressa Hubbert, Director, Credit Valley School of Nursing, 100 Upper Middle Road, Cooksville.

--Election fever is breaking out around Halton County. There were five party nomination meetings in the last 11 days, and the sixth is scheduled for Thursday evening in Oakville.

## Dart throwers hold banquet

Awards galore were given out at the Legion Dart League Banquet held in the legion hall recently. Trafalgar Motors won the season's championship. Team members were Wilf Griffiths, Fred Johnson and Ken Johnson.

Ontario Steel Products got into the action too, copping the play-off championship. Team members were Len Appleton, Harry Rowland and Al Bilby.

Tony Mash won the Player of the Year award and the Dart Importers Award. Bob Krantz took the high score and high finish for the playoffs.

Ken Johnson with the high finish and Stan Flinton with the high throw award each won the Keith Durnan award.

--The pond is still busy each day with anglers seeking trout.

--That Oxfam walkathon which passed through Hornby on a 30-mile route from Brampton on May 4, raised an estimated \$65,000. There were over 3,000 walkers participating.

--Oakville and District Labor Council is considering a co-operative grocery store in the area.

## Credit Union half million is milestone

A new milestone in service was reached this month by members of the Holy Rosary Parish (Milton) Credit Union Ltd., when total assets reached the \$500,000 million mark.

The Credit Union was founded 10 years ago in Milton and it was just two and a half years ago that assets reached the quarter million mark.

Holy Rosary is one of the 150 credit unions in the Hamilton and District Chapter of credit unions, of which 20 are over the half million dollars in assets.

How come **BERNINA** calls it the **minimatic** when it's so big on value?

because of its mini-price!

That surprisingly low mini-price is only one of the things you're going to love about the brand new Bernina Minimatic. It's compact and fully automatic. It does all the most useful stitches you expect from a Bernina - tailor tacks, bastes, mends, darts, zigzags, straight-stitches, blindstitches, sews on buttons and makes buttonholes - all without changing discs, turning dials or adjusting tension.

Only Bernina offers you this kind of value. Get yourself a Bernina Minimatic - and enjoy it for a lifetime.

BERNINA PRICES START AT \$109. - OFFERS A LIFETIME GUARANTEE

**Electrical Modernization can make your extra room, extra comfortable**

When your home is up-to-date electrically, it's easy to install electric heating in any hard-to-heat area. Electric heating can turn a cold spare room into a cozy den. Electrical modernization can do much more. You'll have all the electrical outlets you need and you can add major appliances without a second thought. Electrical modernization will probably cost less than you may think and the Hydro Finance Plan can help make it possible. For more information call a qualified electrical contractor, or ask your hydro.
