ANYONE FOR SOCCER?

A few meetings have been held recently in the "Quiet Room" by several interested members and their friends as to the possibility of promoting soccer in the District and to be called Milton and District Minor Soccer. Heading the meetings is Dave McNeil and he tells me that this would include boys 7-14 years old from all schools in the Milton district. Milt Lomax, (Bramalea) coach with soccer's O.S.F.A., attended the meetings and is assisting to get things rolling.

EUCHRE

I was pleased to see an increased attendance at the "Everybody Welcome" Euchre Tournament last Friday evening. It's going down big with lots of couples.

Transplant parkette

A small triangular parkette at the intersection of the Base Line and Oakville's Seventh Line will soon disappear when road crews move in to divert the Seventh Line around the village.

A crew of seven Hornby men beat the construction gang, however. Tuesday of last week they dug up all the flowers and shrubs in the parkette and replanted them at the nearby Hornby community centre park, where they will continue to beautify the community.

The flower beds were an annual project of the Hornby Women's

Institute for many years. Alf Brigden supervised the transplanting operation, assisted by Charles Austin, Frank Hall, Stanley May, Johnson Neelands, Jack Marchmont and Hugh Craig.

The two candidates agreed to a debate. Sneered one candidate: "I am an honest man. Out of the thousands of ways to make money, I know the one honest way."

"And which way is that?" asked the other candidate.

"Ah!" sneered the first. "I didn't think you'd know."
