Fish and Game News

by Paul Coulson

What a wonderful weekend it was for fishing! The long holiday provided good weather in the Kawartha, Rideau, and Northern regions, although Southern Ontario had cold rainy weather. Pickerel were biting like crazy in all sections of the Province and most fishermen came home with their limits of the most tasty and sought-after fish in the country.

Vern Bridgman, Pete Thomas and party caught their limit of pickerel at Sunset Cove on Lake Nipissing. Reg Lecocq and the Tonelli family journeyed to Sturgeon Falls and returned with a full catch. Joe and Sandra Winder of Lowville, Wayne and Anne Auckland of Burlington and Arn, Helen and Wendy Coulson all returned from the Kawartha Lakes with a full catch of pickerel. Jack and Audrey Coulter along with Fred and Doreen Rouse of Campbellville returned empty-handed from fishing for walleye at Sharbot Lake near Perth.

Paul Coulson, President of the Halton Sportsmen's Association and friends report poor fishing from Hollow Lake at Dorset. This lake has beautiful fish in it but they are very moody according to Len Naylor and Don Kearney who always manage to catch some nice lake trout from this lake. Many fishermen are reporting good pickerel fishing in the Grand River this year.

The reports have just come in about the commercial fish landings in Ontario waters for last year. It may startle some people to know that Ontario commercial fishermen caught 52,873,000 lbs. of fish worth \$5,920,000, last year

and the catch dropped by 5 per cent from 1966.

Here is another startling figure: the much talked about and polluted Lake Erie accounted for two thirds of the total fish catch in Ontario for a value of \$3,340,000. However, the fish are decreasing at an alarming rate in Lake Erie. The pickerel catch was down 25 per cent and 53 per cent in white Bass. Lake Superior, once the largest producer of fish gave up 2,566,000 pounds. This lake is on the increase since lamprey control has taken effect. More than 12 and one half million pounds of smelt were taken last year. Most of these are sold to U.S.A.

How valuable is wildlife? Fortunately we are now beginning to see that wild life plays a very important part in our lives. For instance, moles and earthworms turn over tons of earth each year, thus keeping the ground open for plant life. Frogs and fish consume for food each year, literally billions upon billions of mosquitoes and their larvae. Hawks, owls, and snakes consume a tremendous number of rats and mice each day. Every day, and especially during the spring, summer and fall when insect populations are high, birds literally destroy tons of insects. The agriculture value of hawks, owls and other birdlife cannot be over-estimated and to place a dollar value on their service is practically impossible. So you see wildlife is very, very important to the welfare of us all.

CHAMPIONS IN THE RATEPAYERS bowling league received rewards at Boyne Community Centre. Seated are the league champions, Norma MacMurphy, Jack Champoux, Helen Champoux, Joe DeBie, Marje DeBie, Don MacMurphy. Jack Champoux won the men's high

triple and Norma MacMurphy the high average. Individual winners in the back row are Joe Hickey, men's high single; Bonnie McLeod, ladies' high triple; Donna Neal, ladies' high single; Jim Colvin, men's high average. (Staff Photo)

Lions top Oakville in Bantam action

Milton Lion Bantams outslugged Oakville in a wide open game that wound up 12-8 for Milton in Oakville Thursday.

Milton jumped on Oakville's pitcher Brooks in the second inning. Roger Rowley clouted a triple to score both Rick and Pete Roberts. Dave Heipel's double scored Jensen and Beaulieu after they singled.

Roberts scored in the third inning when he singled and scored on Greg Chuchmach's double. Subsequent singles by L. Cargill, J. Harrison and J. Zanatta accounted for four more runs in the fourth inning.

Oakville scored three runs in the sixth and five in the seventh on a series of Milton errors. Peter Roberts, Lawrence Cargill and Roger Rowley share the

pitching duties on the Milton mound. Dave Harrison walked, stole second and scored when Rusk made first base on an infield error.

Kevin Rusk and Rick McTrach turned in good defensive efforts, robbing Oakville on several scoring chances. Roger Rowley tripled and singled, while Dave Heipel doubled twice and Pete Roberts and Greg Chuchmach each pounded a double and a pair of singles for the win. The Bantams go against Georgetown at Rotary Park Thursday.

Some big ones too

For those who have wondered about the pond at Centennial Park being a home for fingerlings and small trout, consult with John Robb of Milton.

John caught a 14 inch Brown Trout on work bait Saturday near the dam in the pond. Fishermen still flock to the banks on the weekend and there is someone there every day of the week.

Remove shine from wool clothes. Sponge garment with solution of 1 teaspoon ammonia to a quart of water. Press on wrong side.

News from O. S. D.

a report on activities at Ontario School for the Deaf, Milton

O.S.D. BOYS WIN CHAMPIONSHIP

On May 11, the CWOSSA "B" Track Meet was held at the University of Guelph. Schools from Owen Sound to Milton, Brampton to Waterloo were involved.

O.S.D. senior Boys won the Senior Boys' Trophy by amassing 26 points. Greg Crockford had first in the discus and shot put, while Bill Whyte took a pair of seconds in the pole vault and high jump. O.S.D.'s relay team came a very close second in the 440 race. Bill Whyte, Wai Ming Seto, Gerry Wideman, and Cecil Baer made up the relay team.

Seto was second in the triple jump and Marvin Ferris was second in the 120 yard high hurdles. Gerry Wideman was third in the 220 yard dash. Saugeen High School was second in the Senior Boys' division with 21 points.

Bob Cundy won the junior discus and Bert Day was fourth in the midget discus.

Bill Whyte set a pair of school records. Although only 5' 8" tall he jumped 5' 7" in the Senior High Jump! He vaulted 10' 4" in the pole vault. Marvin Ferris set a school record of 18.2 seconds in the 120 yard high hurdles.

Tennis social

The tennis social planned for Friday had to be called off due to improper court conditions, and is being rescheduled for Friday night.

Members are welcome and refreshments will be served following a few games of tennis.

Evans tops in bowling

Miss Mildred Evans, daughter of Mrs. Fannie Evans, 22 King St. Milton was a member of the Ladies team, Toronto Zone, who competed in the Canadian Five Pin Championships at Cataract Lanes in Niagara Falls, May 18-19-20. Toronto Ladies bowled the ladies team of Winnipeg and won the event with 12,099 pins to Winnipeg's 11,802. Toronto trailed 150 pins after the first game but came on strong with Millie Evans leading the way with a 2,619 series.

On May 16 Bill Whyte, Greg Crockford, Marvin Ferris and Bob Cundy went to the CWOSSA "A" Finals. All competitors performed well in spite of the downpour. Marvin Ferris placed fourth in the hurdles and Bob Cundy second in the discus. Greg Crockford performed very well but he had to compete against Cam Crosby, a member of Canada's Pan-Am Team in both shot put and discus. Bill Whyte met the same fate as he competed against the Canadian high school record holder in the pole vault - Wolfe, from Owen Sound. Bill Whyte went out at 10' 6" and he went the highest of any boy with a steel pole - not bad for a first year vaulter!

The school championships are being held this week after school and a midget meet will be held May 29.

Many of the boys worked hard this year and we look forward to bringing home more silverware next year when we improve!

All Star game to be held in Waterdown August 11

Halton county baseball association met in the Canadian Legion Monday to discuss their monthly business. Several points of interest came out of the lengthy meeting.

The All Star Game that was so successful last year in Waterdown will be once again held there. The date is set for August 11 and although the opposition for the All Stars has not been finalized the meeting was in favor of approaching Guelph again this year with Kitchener as second choice. Both are top inter-county teams.

Classification, a controversial topic last year came up and all teams have declared their classifications. Milton will play intermediate B ball and as the only team in the league in that category will have a direct entry

to the O.B.A. playoffs. Leaside is the only senior team, Hamilton will go Junior A Major, Waterdown Intermediate C and Georgetown A, and all will have direct entries into the O.B.A. playdowns.

Dundas, Burlington, Oakville and Preston will all battle in the Halton County loop for an O.B.A. entry under the Intermediate A Major classification.

Bad weather is giving league convener Barry Deacon a king size headache. Of the 26 games slated to be played, only 11 had qualify as a game by Monday. Milton will play rained out games against Georgetown in Georgetown August 7 and Burlington here June 23. Dundas was slated here Monday but the game was called. It has yet to be rescheduled.

House league results

A LEAGUE

High scores prevailed in the "A" division of minor ball this week with Knight's Men's Wear and the Legion team battling to a 14-14 draw and Knight's plugged to a second draw, matching Optimists 11-11.

In the first game Dave Roberts pitched for Knight's and Ivan Beaulieu, George Beaulieu and G. Timbers all hurled for the Legion team.

Timbers doubled for the Legion and knocked three runs in while I. Beaulieu and B. Farrell had singles.

S. Power and D. Miller pitched a triple and double respectively. M. Pearson and M. Kendrick pitched for Knight's in the second game and S. Smith and R. Hamilton handled the pitching for the Optimists.

S. Power and D. Miller doubled for Knight's and L. Charlton and R. Hamilton tripled and doubled for Optimists in that order.

Optimist B. Harkin snagged a line drive with the bases loaded to retire the sides.

B LEAGUE

Elsley Pharmacy lost to Milton Auto Body May 27 but battled back to hand Tip-In Tire a 14-10 defeat.

Paul McCann was the losing pitcher for Elsie in the first game. Greg Emms and Hap Perrott teamed up to win the game from the mound for Milton Auto Body.

Greg Emms tripled and Bill Russell chalked up two R.B.I.'s on a double.

Paul McCann and Peter Roth formed a winning battery for Elsie while Robert Delnin and Jim Clarridge were the losers for

Tip-In Tire. Clarridge doubled twice while Delnin lashed two singles and Ervin managed a single for Tip-In Tire.

STANDINGS

The following are the House League Standings for the Milton minor baseball league as of June 1.

"A" LEAGUE

W	L	T	Pts
Milt. Optimists	2	1	5
Brancier Jwily	1	1	2
Can. Legion	1	1	1
Knight's Chrs.	2	2	2

"B" LEAGUE

Milt. Auto Body	2	4	4
Elsley Pharm.	2	2	4
Tip-In Tire	2	1	1
U.A.W. 1067	1	1	1

Register for soccer league

Boys interested in soccer and between the ages of seven and 14 should register at the Canadian Legion third floor from 6 p.m. to 8 p.m. Friday evening.

The secretary of the newly-formed association said they were still awaiting word from the Board of Education about use of a field to play on, but were going ahead with other arrangements until then.

Several men averaging between the age of 20 and 30 have expressed interest in helping the league. They eventually plan to play other towns.

Esquising issues permits worth \$484,600 in May

Building permits issued by the Township of Esquising for the month of May totalled \$484,600, it was reported at Monday's meeting of the township council.

Most permits were for residences but one was for a factory on Lot 18, Con. 10, issued to Howard Tarzweil. Fees from the permits came to \$621.

Building inspector Tom McLean was asked to make a decision on an application for a building permit by Ray S. Brooks for a shelter and place to eat picnic lunches at his trout fishing club at Lot 16, Con. 1, Councillors feared the 12 x 16 building proposed would contravene the by-law.

"If he's just using it for a picnic shelter alright but if he's going to put sides on he'll have to apply for a summer cottage permit," said Deputy Reeve Tom Hill. A summer cottage permit requires a minimum area of 400 square feet.

Mr. McLean was also asked to rule on an application by Wes Louth of Norval to put an addition on a cottage on his property.

O.P.P. report 12 accidents

During the period of May 26 to June 1 inclusive, Ontario Provincial Police, Milton Detachment, investigated 12 accidents including four personal injury accidents resulting in seven persons being injured. Property damage totalled \$7,010 and 11 charges were preferred as a result of these accidents.

There were 70 traffic charges preferred, 41 traffic warnings issued and 36 vehicles safety checked.

Two break, enter and theft occurrences were investigated; two stolen autos being investigated, one stolen from Norval and recovered in Brampton, and one which was abandoned on 401 Highway stolen and not recovered to date; two liquor investigations resulting in two persons being charged under the Liquor Control Act; one juvenile person missing and later located; and three premises found insecure at night, reports C. J. Parkinson, Sgt.
