## Hits two with gun grabs cash, 3 cars

Occasionally the rural sectors of Halton County got the reputation of being rather quiet and uneventful.

There are several residents of the Hornby area who probably disagree at this point.

Mrs. Robert Crawford, manageress of Crawford's General Store, Hornby, looked up from her adding late Wednesday afternoon to see a red-haired young man of medium height cock the action of a pump shotgun and demand the day's receipts.

Mistaking his actions for a joke, she hesitated and was struck on the wrist with the gun-barrel.

One of three customers in the store, 19-year-old Lucas von Kulmiz of Sixth Line, was also staring at the bandit, assuming the whole thing was a jest when the gun crashed onto his forehead, leaving a long gash and well-blackened right eye.

A moment later the lone gunman collected \$200 cash and leapt through the passenger door of his vehicle, knocking a box of tissues to the ground. Some of the tissues were later used to stop up von Kulmiz' wound as

another store customer, 19-year-old Diana Frederick of Hornby raced him to Milton District Hospital where he was treated and released. The box was retained for police fingerprinting.

Evidence indicates the bandit escaped west along Base Line Rd., turned left down the Third Line to Derry Rd. (No. 10 Stearns) where he again turned west until coming to 10-25 Service Station at the corner of Derry Rd. and Highway 25.

There station attendant Ross Harkness was ordered to fill the white late model Ford station wagon with gas -- a sale curtailed by the arrival of motorcyclist Wayne Eickert of Trafalgar Rd. and a car driven by Stephen Barr of Milton, who had been tailing the station wagon from Hornby.

The motorist proceeded north on Highway 25 toward Highway 401. Later a vehicle driven by Mrs. Irene Burt of R.R. 1, Worsfold was forced off the 401 and stolen, just a short time before a Galt man, John Suckling had his vehicle commandeered in the same manner eight miles further west.

Next victims of car-theft on the highway were two Kitchener girls, Lucy Dlugokosci and Ann Miller, who were forced at gunpoint to drive west.

WIDEWAY SIGNS have been erected along highways 400 and 401 by the Department of Highways. The new set of signs carrying away the message number will provide an easy means of location identification for motorists requiring assistance in case of emergencies. Highway 401 signs are numbered from west to east, meaning the Windsor and Odessa routes. On highway 401 the signs are numbered from east to west, starting at the junction of Highway 401 and ending at the junction of Highway 401 and Highway 104.
