

GOT A PROBLEM?

SAFETY CORNER

GETS ACTION AND ANSWERS

High school students who should know better are causing a traffic problem along Williams Ave., and The Champion has received several complaints in recent weeks about their ignorance of both the law and commonsense safety rules.

They walk up and down the road five and six abreast, they use both sides of the roadway (and sometimes the middle), and they seem ornery about vehicular traffic which also uses this roadway. The lack of sidewalks on Williams Ave. add to the problem—the student pedestrians must walk on the road to get to and from school.

"They almost dared me to run them over," complained one woman who passed that way in a car one morning last week. Safety Corner dispatched a photographer to the scene and he came back with a similar report.

Police Chief Ray Andress says he has had complaints about the students wandering all over the road. He is writing the school principal to seek his co-operation in warning the students. Section 97 of the Highway Traffic Act says, "Where sidewalks are not provided on a highway a pedestrian walking along the roadway shall walk as close to the left edge thereof as possible."

"This doesn't mean walking five or six abreast, the pedestrian has to show some consideration for traffic," said the Chief. "If this doesn't clear up soon we will have no alternative but to issue some summonses," he adds. The law provides fines of from \$5 to \$50 for a first offence, \$10 to \$100 for a second offence, and three-time losers pay \$20 to \$200 for each subsequent offence.

What about sidewalks for this busy pedestrian thoroughfare? Well, council has them in mind and right now the town's engineers are preparing an engineering report on such a project. Council can institute the work under Section 8 of the Local Improvement Act without a petition from the ratepayers, although petitions usually precede sidewalk installations on any residential streets.

Deputy-Reeve Ron Harris, chairman of council's works subcommittee, has also received complaints about pedestrian traffic to and from the school, and one morning a couple of weeks ago he spent half an hour at the scene, counting vehicles and pedestrians. He logged 378 pedestrians, five buses, 99 cars, a bicycle and a motorcycle.

At this time construction of an addition at the school was underway and 31 cars from the school had to park along Williams Ave. and Maplewood Ave. because the construction crew was using space in the school parking lot. The cars parked along the roads may have aggravated the situation, but that's not the whole problem.

Safety Corner feels sure the construction of a sidewalk down one side of Heslop, Parkway and Williams will alleviate most of the confusion. But until the sidewalk is there, the students will have to be more careful or there will be a serious accident.

Fire safety is something we haven't touched on to date, and now is a good time to remind you about Fire Prevention Week in Milton, coming up Oct. 6 to 13. It's a shame there is only one week of concentrated fire prevention activities each year, because preventing

HERE IS AN ACCIDENT . . . looking for a place to happen. Students during Milton District High School at the lower end of Williams Ave. had been reprimanded for their sloppy walking habits, following complaints from motorists about students cluttering up the road on their way to and from the school. The law says you must walk on the left side of the road, facing the traffic, and as close to the left edge of the road as possible. That doesn't mean five and six abreast along both sides of the road.

(Staff Photo)

fires before they start is a year-round job for every man, woman and child.

Elsewhere in this issue you'll find some important notices concerning local fire prevention week activities. Participation is the keynote. Remember, only YOU can prevent fires.

A closing note concerns vandalism on the railway tracks, something that has always been a serious problem in Milton. Last week three local youths were placed on 12 months probation for causing an obstruction at the Martin St. tracks, by activating the crossing signals.

While we give the youths a pat on the back for figuring out how to operate the machinery which activates the crossing warning devices, they deserve another harder pat on the back (lower down) for such a stupid stunt. We hope they will realize the seriousness of the offence and stay away from railway property in future—and that goes for everyone else in Milton, too.

ST. GEORGE'S

Children's Aid man leads discussion

On Thursday, September 19, the Evening Branch of the A.C.W. of St. George's Anglican Church in Lowville met at the church.

Margaret Harris read the Scripture lesson and Lois Richardson gave the "Thought for the Day". Several visitors were present and Lowville Young People sang two songs.

A film was shown and Bryan Harris from the Halton Children's Aid Society gave a short talk and led in a discussion.

Twenty-five dollars was voted to buy hymn books for the choir and also material for three choir gowns. The meeting closed and lunch was served.

Anniversary services were held in St. George's Church on September 22 at 11 a.m. and 7:30 p.m. The church was beautifully decorated with flowers and fruit. Rev. Jeffares was the speaker at both services. The choir rendered anthems.

SORRY CHIEF!

there's no lawn scalpum' with **ALLIS-CHALMERS B-112**

Holstein show

**Ashville Farm top breeder
H. Tarzwell best exhibitor**

Holstein herds from 23 farms in Halton paraded in front of judge Roy Ormiston of Brooklyn, at the annual Halton Holstein Show held at Milton Fair on Saturday. The 23 exhibitors showed a total of 96 head in the competition.

Ashville Farms of R. R. 6, Milton, topped the premier breeder award with 70 points and George and L. H. Leaver of R. R. 3, Campbellville, came second with 49 points. Premier exhibitor was Howard Tarzwell of R. R. 2, Georgetown, with 96 points, and reserve was Claude F. Pickett of R. R. 2, Georgetown, with 90.

Pickett showed the senior and grand champion female, on which he also won the prize for the best uddered female. Reserve was a cow shown by William J. Bennett, R. R. 1, Burlington. The junior champion female award went to Tarzwell and Leaver in reserve position. Ashville had the junior champion male with reserve honors going to T. H. McGee of R. R. 1, Norval.

Others exhibiting included John Alderson, R. R. 1, Hornby; Larry and Paul Bennett, R. R. 1, Burlington; John Brander and Sons, R. R. 1, Norval; Adrian Daamen, R. R. 5, Milton; Ralph I. Ford, R. R. 1, Milton; A. G. Hunter, R. R. 1, Burlington; Thomas Leslie, R. R. 4, Georgetown; Wilfred Leslie, R. R. 1, Georgetown; Keith Moore, R. R. 1, Moffat; Fred Nurse and Sons, R. R. 2, Georgetown; Jeffrey Nurse, R. R. 2, Georgetown; Vernon Pickett, R. R. 3, Georgetown; Larry Pickett, R. R. 3, Georgetown; W. J. Proud, Oakville; H. C. Reid, R. R. 6, Milton; G. R. Sinclair and

Sons, R. R. 1, Hornby; Bertram Stewart, R. R. 1, Hornby.

Here are the results of individual classes, with the top three named: (Figures in brackets are the number of entries in each class.)

Bull calf (11), Ashville, Tarzwell, Stewart. Bull yearling (3), McGee, Tarzwell, Reid. Junior champion male, Ashville; reserve, McGee. Bull two years and over (2), Tarzwell, Leaver. Grand champion male, Tarzwell; reserve, Leaver.

Heifer calf (14), Leaver, McGee, McGee. Junior yearling heifer (10), Tarzwell, Leaver, Ashville. Senior yearling heifer

(14), McGee, Reid, Larry and Paul Bennett. Junior champion female, Tarzwell; reserve, Leaver.

Dry cow any age (12), Ashville, Claude F. Pickett, Sinclair. Two year old heifer (12), Jeffrey Nurse, Claude F. Pickett, Tarzwell. Three year old cow (9), William J. Bennett, Reid, Leaver. Four year old cow (8), Claude F. Pickett, Brander, Tarzwell. Five year old cow (11), Claude F. Pickett, Ashville, Tarzwell. Senior and grand champion female, Pickett; reserve, W. J. Bennett. Best udder class (6), Pickett.

It's time to save again!

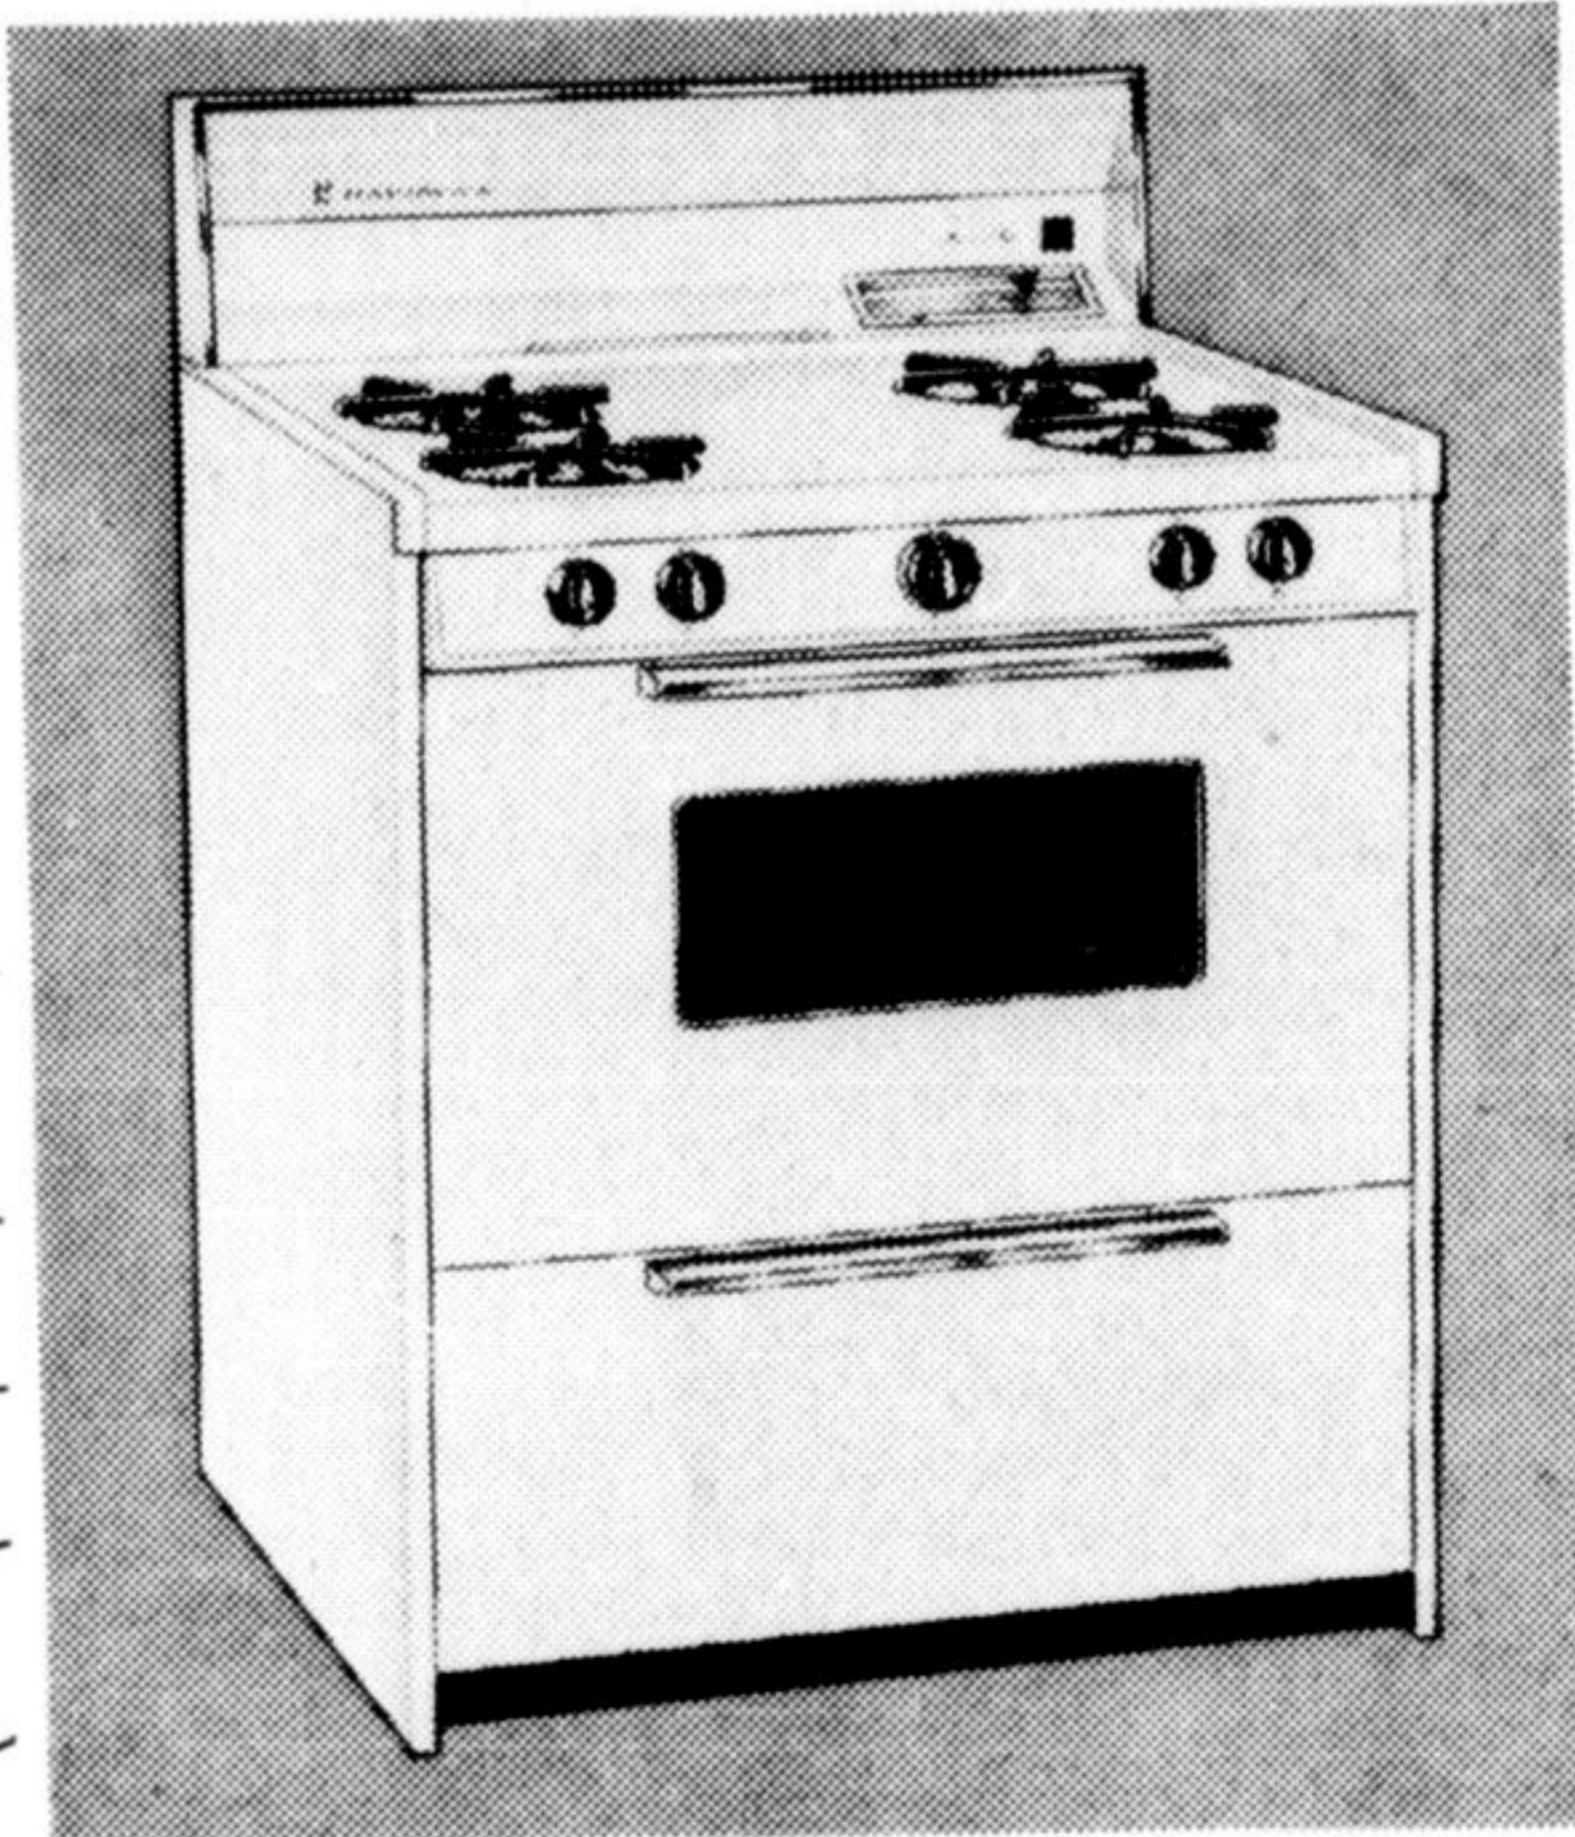

EXCITING Sale new LOOK '69 OF NATURAL GAS APPLIANCES!

Now—cook with gas, dry with gas, and enjoy the speed, cleanliness and dependability that natural gas is famous for! Save money too! It's "New Look" time again . . . and just see the beautiful appliances you can save money on during NEW LOOK '69!

From Hardwick-Moduline 30" Special

Known as America's Standard of Cooking excellence since 1879, Hardwick brings you natural gas ranges that feast the eye (while you're preparing feasts for the palate!) Check these dependable Hardwick features:

- Heavy Insulation** — keeps heat in oven (not in your kitchen!)
- Oven Window** — lit from within lets you see what's cooking without opening oven door.
- EquaTemp Burner** — engineered for even heat distribution throughout entire oven.
- Removable oven bottom** — for easy cleaning.
- Closed-door broiler** — clean, odorless, non-smoking!
- 100% effective broiling** — sizzles the largest steak evenly.
- Completely removable broiler assembly** — for easy cleaning at the sink.

- Large-size clock plus timer** — signals end of pre-set cooking cycles.
- Lift-up/lift-off cooktop** — for easy cleaning and maintenance.
- Drip-proof top** — to eliminate spillover problems.
- Chrome burners** — to focus heat on utensils and stay showroom-new for a lifetime.
- Large oven capacity** — to accommodate a whole meal or the largest roast.

SPECIFICATIONS
Overall height, 43 1/2"; width, 30"; depth, 24 3/4"; height to cooktop, 36"; baking oven, 24" W x 19 1/4" D x 13 3/4" H; broiler, 14 1/2" W x 15" D x 4 1/2" H.
Colours: White, Coppertone, Avocado, Harvest Gold.
