

ONE YOUNG YOUTH BOWLER lets fly with a ball during Saturday's fun at Milton Bowlway. To date about 50 have signed up for the sport this winter, and more are welcome. Cost is \$1.50 registration (of which 50 cents is paid by the bowlway) plus the regular two games each week. Children aged seven and over are invited to join the fun. (Staff Photo)

LEARNING HOW TO SCORE is an important part of Milton's Youth Bowling program and most of the children quickly pick up the scoring system. Milton co-ordinator Mrs. June Gould and regular instructor Mrs. Joan Brush are shown teaching some senior girls how to mark in the strikes and spares. (Staff Photo)

ONE WAY TO DO IT is to use both hands, and these beginners are ready to try anything to mark up a strike. Youth Bowling League plays each Saturday afternoon at Milton Bowlway

and a busy season lies ahead. Crests and awards are available in bantam, junior and senior sections. (Staff Photo)

PARENTS THANKFUL FOR SAFETY OF BOYS

To the Editor:
 Although this letter may come late it is to congratulate the wonderful people of Milton and surrounding area for the manner in which they rallied to assist with evacuation of the recent Ontario Boy Scout Jamboree during the height of one of the worst storms in the history of Ontario.

Although not at the Jamboree other than for several visits we did have three Patrol Leaders attend and many first hand reports indicated the organization by Scout officials was beyond reproach but the

co-operation in the face of disaster by the people of Milton must be gratefully acknowledged by many parents throughout Ontario, Canada and the U.S.A. who were thankful for their son's safety. The people took the boys in and showed the Scouting organization by their gestures that they are appreciative of what Scouting is doing for boys of the world.

Thanks people of Milton, from the many parents you have never heard from!

Sincerely,
 Murray Fried, A.S.M.

Can a dime dropped into an orange and black box on Halloween night solve all the problems of the world's sick and hungry children? No, but it's a start.

And the United Nations Children's Fund is in the business of making fresh starts every day all over the world... with food, clothing, shelter and education. UNICEF regards each dime it receives from the Halloween collection as a fresh start for a child in one of the many distressed areas of the world. And a fresh start means another small triumph of hope over despair. UNICEF deals in hope... with your dimes.

In a ritzy gift shop, a woman looked at a picture and asked, "You don't consider this horrible thing art, do you?"

"No, madam," replied the dealer. "You are looking in a mirror."
