

McDonald-Allen

The chapel of Halton Centennial Manor was the setting chosen for a marriage on September 7, when the daughter of the Manor superintendent was married.

Sharon Colleen Allen, Toronto, daughter of Mr. and Mrs. Stanley Allen, Milton, became the bride of Roy Frederick MacDonald, Toronto, son of Mr. and Mrs. Roy L. MacDonald, Sydney, Nova Scotia.

The bride is a physiotherapist at St. Michael's Hospital, Toronto, and the groom is with Levy Industries there. They are making their home in the city.

Rev. C. A. Hainer officiated at the afternoon ceremony and standards of yellow gladioli decorated the chapel. Yellow satin ribbon roses, made by the Manor residents, decorated the pews.

Mrs. Harold Magee played the organ. While the guests attended the ceremony in the chapel, it was heard by interested residents in the auditorium over the p.a. system.

The bride chose an A-line floor length gown of peau de soie with cowl neckline accented with seed pearl and lace trim, with a peau de soie train falling from the neckline, joined at the sides of the dress by lace panels. A large peau de soie bow held her shoulder length veil.

She carried a bouquet of yellow roses and white single mums.

She was given in marriage by her father.

Her attendant was her sister, Mrs. June Beoney, Georgetown, who wore a floor length sleeveless gown of jade green Italian charm bark, with cowl neckline. She wore matching shoes and a matching band in her hair, and carried a bouquet

of white single mums held by long yellow velvet streamers.

Groomsman was Cecil York of Toronto and the usher was Alan Beoney of Georgetown.

Immediately after the ceremony a brief reception was held in the Manor auditorium, where punch, coffee and cookies were served by the Manor staff and Auxiliary to over 75 Manor residents. After the residents had extended their good wishes to the couple, the wedding party and guests proceeded to the home of the bride's parents for a late afternoon reception there.

Mrs. Allen chose for her daughter's wedding an A-line dress of beige patterned lace over beige crepe, beige and brown accessories and a corsage of orange delight roses. She had made her daughter's wedding cake.

The groom's niece, Miss Andree Park, received the guests with the wedding party wearing a grey crepe dress with caplet of dove grey, matching accessories and corsage of deep pink rosebuds.

Guests were present from Toronto, Milton, Sudbury, Brampton, St. Catharines, Georgetown and Sydney, Nova Scotia.

The couple left on a motor trip to Cape Breton via the north-eastern states, the bride wearing a dark green dress with green plaid cape and a corsage of yellow roses.

Before the wedding Mrs. Wendy Scott, Toronto, held a kitchen shower; the physio staff at St. Michael's held a linen shower; Mrs. Hazel Porter and Mrs. Pat Nichols, Milton, held a miscellaneous shower; Mrs. Betty Reid, Milton, was hostess for a kitchen shower and Mrs. Marion MacNab and Mrs. Phyllis Walker, Milton, arranged a miscellaneous shower.

MISS TUCK ENJOYS HER FIRST COPTER RIDE

Realizes life dream on helicopter journey

By Larry Martin

One of the dreams of a lifetime was answered for 61-year-old Halton Centennial Manor resident Miss Lennie Tuck recently, when she soared over the town on her first helicopter trip.

A resident of Oakville for all her life prior to entering The Manor about two years ago, Miss Tuck mentioned to Manor crafts supervisor Mrs. Thelma Green her interest in the giant eggbeaters.

Mrs. Green's husband is chief pilot of the helicopter division of Hicks and Lawrence Ltd.'s agriculture and forestry aviation, and travellers on No. 10 Sideroad have become used to having a helicopter as part of the landscape in the Greens' back yard.

A diabetic condition and other health problems has prevented Miss Tuck from participating in many of the long overland bus trips Manor residents are offered, but she found the birds-eye view "a real thrill".

The jaunt through the clouds Friday afternoon, October 11, included a swoop over The Manor where a number of residents were gathered outside to salute the craft.

"It didn't bother me a bit," Miss Green told us, looking back on the ride in the machine, even though helicopters in the best of condition and in the best of hands still produce considerable noise and are capable of manoeuvres that would frighten the stoutest heart.

Most of her contemporaries conceded she had more spirit of adventure than they.

W.I. draws parallel

Hitch-hiker - poor citizen

Nassagaweya Women's Institute held their October meeting at the home of Mrs. Fred Edwards, Haltonville. The president, Mrs. David De Blauw opened the meeting with a poem which was followed by the Institute Ode and the Mary Stewart Collect. The roll call was answered by producing or describing the oldest book in possession of the members. There were some Bibles displayed dating back in the 1800's, as well as a veterinary surgeon book and others.

Several matters of business were dealt with and a delegate appointed to the Convention in Guelph on October 28 and 29. A committee was named to plan a social evening in November, to be held in the Brookville Hall with some neighboring institutes as guests. A paint party was tentatively set for October 30 at Mrs. Cliff Nicholson's.

The Theme of the meeting was Citizenship and Education and the subject was well handled by Mrs. A. Norrish, the convener. She read an article on the Hitch-hiker, whom we usually think of as the person on the

road with his thumb up soliciting transportation. He assumes no responsibility, no financial worries as to the cost of the facilities of such at hand. However there are other types of hitch-hikers to be found in the business world, in church membership and citizenship, who have more or less the same qualifications as our thumbing friend.

Mrs. Cockeram read a poem about Work and Idleness—the former being very rewarding and

the latter giving use to doubts and fear. Mrs. Norrish displayed a picture of the township crest and explained it in detail. A Thanksgiving poem was read and the meeting closed with the National Anthem. Lunch was served and a social time enjoyed by all.

Earlier in the month some of the members attended a social afternoon with the Badenock Institute in their community hall. All report a very enjoyable time.

University lecturer speaks on Japan trip

The October meeting of Mountain Union W. I. was held Wednesday October 16 at the home of the president, Mrs. V. Norris. The meeting was opened with a poem on Thanksgiving read by the president followed by the Institute Ode and Mary Stewart Collect.

Members of Campbellville Institute were invited guests. Minutes were read and business correspondence dealt with a letter of thanks from Mrs. G. Newell for the Institute members convening a lunch booth at their auction sale on September 14. The committee in charge of the exhibit at Milton Fair thanked members for articles donated and it was announced Mountain Union had received the award for best display.

The district director Mrs. F. Harbottle gave the report of the October directors' meeting and announced the date of District Day, Wednesday November 13 and the next District Annual Wednesday May 21, 1969.

The roll call "Little things that make life pleasant" brought many interesting answers from all members and visitors. The motto "All improvements begin as a resolution" was well prepared and presented by Mrs.

F. Harbottle. A paper "We must pay for our room on earth," was prepared and read by Mrs. J. J. Kennedy; it was interesting and inspiring.

Guest speaker was Mrs. Rayfield (a resident of Mrs. Norris) who is a lecturer at York University. She spoke on her trip to Japan during the summer months. Japan is very heavily populated but life appears to move smoothly. They live simply and there is very little unemployment. Christian schools are crowded, they want their children to learn English. Marriages are still arranged by parents but in a more modern understanding way. Japanese love growing things and no matter how small their plot of ground, it is surprising how much they can grow.

Mrs. S. Cramp of Campbellville branch spoke briefly on a recent bus tour to Brantford.

Courtesy convener Mrs. B. Jones thanked the hostess and all who had taken part in the program and presented the guest speaker with a token of appreciation. The hostess and lunch committee served a delicious buffet lunch and cup of tea.

Mr. and Mrs. Clarence Ford, Fifth Line, entertained at a dinner on Sunday Oct. 20 for the members of their immediate family, at their annual get-together. All four sons and families were able to attend for the 1 p.m. dinner, these were Mr. and Mrs. John Farlow Ford and Lyn, David Brian and Alan, Mr. and J. Clarence Ford of Burnamthorpe Road, Oakville, Dr. and Mrs. Douglas Ford and Rhonda of King City, and Mr. and Mrs. Paul Ford with Richard and Elizabeth of Oakville.

Congratulations to Brian Marshall on his success at the Guelph Plowing Match.

Mr. and Mrs. Aden Bauman and son Michael of Elmira were Sunday visitors at the home of their parents, Mr. and Mrs. Cecil Patterson and Cecil Jr.

Hundreds of persons from many areas attended the farm sale of Mr. and Mrs. Gordon Robinson on Saturday, October 19. Good prices were realized and purchasers went home happy with their treasures, as there were scores of antique articles and lovely dishes and silver. Selling continued until darkness stopped the sale. Hornby W.I. convened a refreshment booth and were quite well patronized.

Mr. and Mrs. Robinson have sold their farm and will move in a few days to their new home in Milton, thus draws to a close another of Oakville's pioneer farm families. Mr. and Mrs. Robinson had lived on one of the oldest century farms in Halton, it having been in the Robinson name since 1826. Friends wish them happiness and health as they retire.

Congratulations to Mr. and Mrs. Roy Wilson, upper Base Line, who will celebrate their 25th wedding anniversary on Wednesday, October 23. They will entertain the immediate family to a buffet dinner for the

happy occasion. We wish them many more.

Miss Mary Jones and a friend Miss Maebe Ruddy of New York City were guests for last week with Mr. and Mrs. Michael Jones and family, returning home on October 20.

Mr. and Mrs. Clarence Ford and Mrs. Eva Ford of Oakville spent a few days with Mr. and Mrs. Lawrence Wilson at Shelburne.

Congratulations to Omagh Girls' Softball team on winning the Championship for the Halton Rural series coached by Stan Price and Donald Coulson. A euvre was held in Boyne Centre as a grand finale to the season, the girls and coaches receiving their trophies on Friday evening October 18.

Congratulations to Rick Rowan who was honored recently on completing his 10th year of employment with British American Oil at Sheridan. Rick is in the research department of the company and received a gold lapel button as a token of his service.

About 35 guests gathered on Saturday evening October 20 to honor Mrs. George Peacock on her birthday at her home for a surprise party. Euvre, crokinole and games were enjoyed, followed by a delicious lunch and birthday cake. Mrs. Peacock received many gifts for the occasion. Attending were her immediate family and friends. Guests were from Guelph, Hillsburgh, Oakville, Palermo, Milton, Orangeville and the district. We wish her many more anniversaries.

Rick Rowan, secretary of Peel Diving Club, attended the Ontario Underwater Council Convention at the Canadian Motel recently.

Birthday greetings this week to Diane Lamb, Mrs. Clifford Janes, Mrs. George Peacock, Peter Leriche, Marilyn Allair and Stephen Gill.

Wedding anniversary congratulations to Mr. and Mrs. Bonner and Mr. and Mrs. Joe Willmott.

Tonelli family holds reunion

A successful first reunion of the Tonelli family was held Sunday, October 13 at the home of Mr. and Mrs. Stanley Randell of R. 2 Georgetown.

Around 80 relatives from Guelph, Oshawa, Blenheim, Oakville and Milton attended. Games and prizes were enjoyed by young and old.

A committee was elected for the coming year with Mrs. Stanley Randell as president, Mrs. Ralph Serafini as secretary-treasurer, and Mrs. Alex Tonelli on recreation. A picnic supper followed.

Hospital W.A. delegates take part in convention

Several Milton Hospital W.A. delegates will be attending and participating in the annual convention of Hospital Auxiliaries in conjunction with the Ontario Hospital Association annual meeting in Toronto Oct. 27 to 30.

Mrs. Shelagh Conway of Milton and three other delegates will be forming a panel for a discussion "Leadership for Presidents and Vice-Presidents" and are expected to answer questions from the participants. Mrs. Ann Ptolemy, president of

the Milton Auxiliary, will be attending a luncheon for presidents. Many other Miltonians will be sitting in on various sessions of the convention.

Teenage volunteers, movies, emergency department and admitting, volunteer services to psychiatric patients, the changing role of the volunteer are among the topics W.A. members will discuss. Several of the city's hospitals will be toured by convention delegates.
