## 0-22 store plaza partments planned

Plans for a modern 20 to 22 store ng centre and a possible 100 to 125 apartment building on Bronte St. revealed this week by an official of a real estate firm.

A private builder is planning to erect a shopping centre on the property lying on Heslop Rd. and Anne Blvd. on the west side of Bronte St., on lands presently for commercial use. Murray Swartz, a manager of W. Williams Real Estate, Toronto, said his firm is presently up tenants and to date they have had numerous enquiries. Two supermarkets, a hardware store, variety and drug firms and a restaurant have expressed interest and the firm has had so many enquiries from architects, lawyers and professional people

they are considering a second storey of professional offices.

The same firm has an apartment project which will be presented for Milton Planning Board's consideration later this month. A modern building featuring underground parking, steam rooms and sauna baths is planned. Mr. Swartz said a building with 100 suites in the seven storey range is deemed ideal, although the firm has considered an apartment with 165 suites.

How soon the plaza construction will begin depends on how quickly the tenants can be signed up, he said, but he hoped it would be underway by some time next year. A barn on the property, the former Jim Holmes farm, was partly razed last week.

accepted a certificate on behalf of Warden W. F. Hunter for the assistance of Halton County in preparing for the jamboree at Kelso. Certificates were also awarded to Barry Humphreys of the Halton Region Conservation Authority and Dave Murray of the Halton Region Conservation Authority for assistance; to Jim and Dave Dills for assistance to the Jamboree committee from the earliest planning stages and through news coverage and printing assistance; to Ed Joyce for operating the security section of the Jamboree and his efforts during and after the violent storm; and to Mayor Brian Best and the citizens of Milton for their kindness and generosity to the boys and leaders of the jamboree.

Camp Chief A. W. Denny presided over the brief ceremonies that also saw presentation of Certificates of Appreciation to individuals, for their assistance in connection with the Jamboree.

Deputy-Reeve Ron Harris

Scouting representatives were present for the ceremony from Welland, Guelph, Wallaceburg, Toronto, Richmond Hill, Kitchener, Hamilton and St. Catharines. Don Deacon, M.P.P., who chaired the planning committee for the Jamboree and Fred Whisken, Burlington, who headed the program section were also present, George Wells, one of the jamboree staff members, came from Winnipeg to participate in the event. Camp Chief Denny spoke appreciatively of the co-operation of the Legion in permitting the Scouts to express thanks to the community following the Remembrance Day service.

community rather than to an individual.

In making the presentation to Mayor Brian Best in a ceremony following the Remembrance Day service K. Van Wyck, president of the Ontario Council, Boy Scouts of Canada, said the award was the first ever to a community.

### Remembrance Day message

## We must never forget

We must never forget, not only to express our gratitude but to have dedication to be worthy of their sacrifice, Rev. Robert W. Foster challenged those attending the annual Remembrance Day service Sunday, as the community paid tribute to the fallen in the two world wars and the Korean war.

The parade of the 275 to the Cenotaph on the overcast day was augmented by colors from Scout groups representing those who attended the Ontario Scout Jamboree and were returning to honor the town for its hospitality. Headed by the Lorne Scots

Pipe Band the parade included the Legionnaires, Legion Auxiliary, members of Milton and Oakville councils, Optimists, Firefighters, Rovers, Venturers, Scouts and Cubs.

Mayor Brian Best presided for the service at the cenotaph during which Rev. Foster delivered the address. He noted the passing years had revealed more soundly the slavery that threatened us, and from which the soldiers struggled to protect us. "Except for the soldiers the upward struggle of humanity would have been slowed." Past Legion president Fred

Johnson read the names on the cenotaph; memorial prayers were offered by Legion Padre Rev. J. J. Murphy, and Joe Waters sounded the Last Post and Reveille as well as leading in the hymns.

Wreaths were placed by the Province of Ontario, Town of Milton, Town of Oakville, Royal Canadian Legion Branch 136 and the Ladies' Auxiliary, Milton Firefighters, Rebekah Lodge of Milton, John Milton Chapter I.O.D.E., Sarah Martin Chapter I.O.D.E., Milton Lions Club, and a private wreath in memory of Pte. J. Dockray and Pte. S. T. Williams.

A VERY HAPPY REUNION between two mothers and two sons took place on the Sixth Line of Nassagaweya Tuesday morning, after 14-year-old Venturer Scouts Valdis Ozols and John Sawyer of Oakville became lost on a Monday hike and were forced to spend a chilly night in the dense bush atop the escarpment.

Mrs. Valdis L. Ozols, Mrs. Wayne Sawyer and sons Valdis and John are pictured swapping stories about the harrowing night's experiences. For more pictures and story on the resulting 86-man search, see page three.

### Urge haste on signals

Milton will inquire about traffic progress on plans for the intersection changes from the Department of Transport, Milton Council agreed.

Mayor B. Best reported the plans promised had not yet been received. Council agreed to draw to the Department's attention the recent inquiry recommendations and ask all haste on the installation of the signals.
