OPTIMIST CLUBS

The Corporation of the Town of Milton

PROCLAMATION

By virtue of the authority vested in me and at the direction of the Municipal Corporation of the Town of Milton, I hereby proclaim

**November 11 to November 17
YOUTH APPRECIATION WEEK**

Whereas, a large majority to today's youth are constructive, responsible citizens deserving the approval of the adult community; and

Whereas, the decent majority of youths do not receive just recognition for their achievements and actions, and

Whereas, the men of Optimist International have dedicated themselves to promoting the public recognition of our fine young people during Youth Appreciation Week each November, and

Whereas, the citizens of Milton have indicated they wish to join the Optimists in expressing their pride in our youth and their approval of the many fine things they are doing to improve both themselves and our community, I, Brian Best, Mayor, therefore proclaim November 11-17, 1968, as Youth Appreciation Week in Milton with the sincere hope that every adult will not only stop to think about the many plus qualities of the younger generation, but actively recognize the individual and collective attributes and achievements of as many young people as they can possibly reach, so that our citizens of tomorrow may fully realize that we are confident of their ability to guide and govern the bright world of the future.

BRIAN BEST,
Mayor, Town of Milton.

November 6, 1968

WHY YOUTH APPRECIATION WEEK . . .

The great majority of our young people are making constructive contributions to their communities. They deserve encouragement and recognition for their achievements. Have you taken time to notice the worthwhile accomplishments they are making in their homes, community and nation? Have you shown your approval for their willing participation in civic and social programs that make our nation a better place to live? The week of November 11-17 is Youth Appreciation Week, sponsored by your local Optimist Club. Join them in giving young people a deserving pat on the back for their achievements.

By giving young people a chance to participate, and by recognizing their participation, you can invest in your future, as well as in theirs. Why not notice the teenagers who are trying. And when you don't understand . . . try to remember. Youngsters need adults to emulate . . . try to work the good jobs being done by youngsters. If you appreciate the good jobs being done by youngsters, if you congratulate him for helping his team win a hockey game, if you might not have to criticize him for getting home late, if you notice what a good job she did on an Achievement project, what a good job she did on an Achievement project, you might not have to notice the sloppy appearance of her room. Why not appreciate young people . . . especially during Youth Appreciation Week . . .

Mayor Brian Best signs "Youth Appreciation Week" proclamation. Optomist member Dieter Claer looks on.
