Lions host Oakville for fifth birthday

Oakville Lions Club, which five years ago sponsored the chartering of Milton's branch, will be guests at the Feb. 17 dinner meeting of Milton Lions in Milton Inn Hotel.

Approval of purchase of a portable television set for the Children's Ward of Milton District Hospital was made at the regular meeting Monday evening, Jan. 20, and it was reported several food baskets and toys were delivered to local families at Christmas.

The annual fertilizer sale will be held in early March.

Winners of the "200 Club" draw this month include Ron Worth of Sault Ste. Marie, Joe Schouten and Ron Chappell of Milton.

KILBRIDE

Panel debate, film at Home, School meet

By Mrs. William Watson

A panel discussion, with the aid of a film entitled "A Time of Growing", highlighted the January 20 meeting of the Kilbride Home and School Association.

Principal Norman Howell was moderator for the panel consisting of Dr. R. W. McNeil, Burlington, Paediatrician; George Luce, Burlington Board Psychologist; and Rev. Allan Matthews, Youth Anonymous. Panel members then discussed various aspects of the film, after which they were asked questions from the floor.

The McKinnon sister, Jane, JoAnn and Mildred entertained with a piano trio. Mrs. Robert McMullen extended a vote of thanks to the girls.

Mrs. Caroly Roger's class won the parent attendance shield and award for the most parents in attendance. Vice president Mrs. Gordon Harris chaired the meeting.

Rotary sees County film

The Halton County award-winning film was shown to Milton Rotarians during their weekly meeting last week. Reeve Austan Ledwith introduced the film and noted its success in winning awards.

Rotarian Jim Seager pressed Rotarians to promote the club's ladies' night this year since it was following a unique format. Following dinner the well-known speaker Joe Connell will address the group and this will be followed by a dance. The meeting is open and it is expected accommodation will be available for 80 couples. The event is scheduled for Feb. 5 in the Legion Hall.

When Anna, duchess of Bedford, felt an energy let-down late in the day, she served hot tea and cakes. Her guests, liking the idea, imitated this hospitality. Soon the English custom of 5 o'clock tea was established.
