FARMERS
A strong well-financed organization to represent all farmers offers the only hope for farmers to bargain effectively with processors and to lobby governments for suitable trade, tariff and other policies. Suitable government policies are needed to allow farmers to survive as farmers. On June 24, vote YES for a G.F.O. financed by a check-off. For information, contact your county chairman Tom Foster, phone 634-2991. 1b7

FARMERS
A G.F.O. well-financed by a check-off would be able to employ research staff and a variety of tax, accounting and tariff experts. Only by having its own experts and research staff can a farm organization bargain on equal terms with those who either want to fleece the farmer or those who don't care what happens to farmers. June 24 is the farmers' big opportunity to vote for a grass roots controlled G.F.O. For information, contact your county chairman Tom Foster, phone 634-2991. 3b7
