Fisher, Miss C. Wood, Mr. Moore, Mr. Sheer and Mr. Kobzney. The event was planned as a farewell for those students who will next year be attending the new Montclair school at White Oaks and some to General Brock.

Karen Marshall and Joe Willmott Jr. of Percy Merry School were chosen to represent their school on an enjoyable bus trip which left early Tuesday morning June 17 and returned Wednesday June 18. About 50 children, all bus patrols from Oakville schools were guests of the Oakville Safety Council on a trip to Niagara Falls. The group stayed in Holiday Inn, and were guests of Niagara Falls Chamber of Commerce to a banquet on Tuesday evening at which time the mayor welcomed the young people. Taken on a tour, they had a ride in the aerial car, and the Maid of the Mist and viewed many other scenic and historic places in the city. Nancy Lawrence of Palermo school was also on the trip. This trip will be long remembered by all students fortunate enough to qualify.

The monthly hot dog sale at Percy Merry School was held on Wednesday June 18 at the noon hour. More than fifty dozen were prepared and served to pupils and staff by the mothers and other helpers. Willing workers were Mrs. N. Flemington, Mrs. P. Paulieu, Mrs. F. Needham, Mrs. G. Raynor, Mrs. J. Hannah, Mrs. W. Tallyn, Mrs. K. Kiernan, Mrs. George Peacock and convener Mrs. C. Patterson. This was the final sale for the year. Proceeds from sales are used to purchase equipment for the school such as T.V., teaching aids, gym equipment, a large and smaller coffee perculator and other articles also to give complementary tickets to the grade 8 students for the annual class banquet, to the head table guests, and supply corsages for this event. The convener Mrs. Patterson expressed appreciation to all mothers who have co-operated and helped so willingly during the past number of years, this project has been carried on. It has been a pleasure to work with so many ladies, to meet and make new friends.

Willing hands and friendly folks made the task seem much lighter. The ladies later enjoyed a social half hour with hot dogs, tea, cake and watermelon as lunch after the 13 hampers were packed for the various class rooms.

Grade 8 banquet will be held on Thursday evening June 26 at Percy Merry School auditorium. This will be the last graduating class from grade 8 as all students after grade 6 will be attending Montclair. The June meeting of the Drumquin Women's Institute was held at the home of Mrs. Tom Alderson on Tuesday June 10 at 8 p.m. Mrs. Ralph Featherston, president welcomed the 10 members and two visitors to the meeting. Roll call was to name your favorite proverb. Miss G. Featherston gave highlights on the banquet meeting of the T.B. Association in May at Oakville. Mrs. T. Alderson reported on the district annual. It was decided that the July meeting would be held at Miss Featherstone's home and would be a social gathering to be planned by Mrs. Helter and Mrs. Weller. Mrs. Featherston, convener, gave the program. The motto was "Kind hearts are the garden, Kind thoughts are the roots, Kind words are the flowers, Kind deeds are the fruits."

Colored slides, were shown with comments by Miss G. Featherston and also by Mrs. Helter on Hawaii, taken by these ladies on a vacation in that country last year.

Each member then had her waistline measured and contributed a cent for each inch. This was the money raising project for June. The members were pleased to have Mrs. John Bird the district president as a guest at the meeting.

The Institute grace was followed by lunch served by the hostess, assisted by Mrs. D. Shaw.

We are pleased to report that Mrs. Leilla Hughes is convalescing at her home following a few weeks in Milton and Burlington Hospitals. We hope she is soon feeling better.

Friends are sorry to learn that Mrs. Lorne Chamberlain is a patient in Oakville Hospital for surgery. We send get well wishes to her.

## Tyler attacks road proposal

"It's stupid to have the road committee propose 22 sideroad from concessions three to five as a desirable county road", Deputy Reeve Ted Tyler of Acton charged at the monthly meeting of Halton County Council.

The recommendation was contained in a county road committee report that noted the Needs Study Co-ordinating committee had recommended this action. The road committee on its tour of county roads checked the roads in the area "to assess the co-ordinating committee's recommendation."

Deputy Reeve Tyler's charge came after Deputy Reeve W. Gillies observed an Acton delegation invited to the last road committee meeting had failed to appear.

"Do we take it Acton is

satisfied?" the Oakville Deputy Reeve asked tongue-in-cheek.

Reeve F. Oakes pointed out the CNR was repairing the bridge at Limehouse and might not be too interested in having it on a county road. A load limit of 10 tons was being placed on the bridge he told members.

Committee chairman G. Gallagher suggested many of the proposals will be amended and the committee will welcome a delegation from Acton. "I personally believe I have some ideas Acton will welcome after reviewing a street map of the town", he suggested.

Deputy Reeve Tyler explained Acton had asked for a date in July to attend the road committee meeting since time did not permit preparation of a proposal and the clerk had written to advise the committee.

## Will teach, show paintings at charity fund "paint-in"

A local artist, Mrs. Gwen Hadley of 142 Martin St., Milton, will be one of about 40 artists helping to conduct a benefit "paint-in" at Thornhill over the coming holiday weekend.

"I think it is a marvelous idea, I will go along to lend a hand," Mrs. Hadley told The Champion. Art teacher Tom Bailey, owner of an art gallery-studio called

The Difference, is organizing the paint-in at his 34-acre estate at Bathurst St. and Highway 7 for June 28, 29 and July 1.

Visitors will be taught to produce an oil painting in less than an hour, and the \$1 admission price will be turned over to the Star Fresh Air Fund. Artists helping at the paint-in will hang some of their paintings for sale, and 20 per cent of the sale price will also be donated to the fund. Mrs. Hadley plans exhibiting five of her oil paintings, besides being on hand over the weekend to instruct beginners, at the invitation of Mr. Bailey.
