## Seniors' homes for Georgetown

A mortgage to finance a 24-unit senior citizen housing project on Georgetown's southern boundary has been approved by the Central Mortgage and Housing Corporation, Halton East M.P.P. Jim Snow announced this week.

The units are to be built on a two acre site on Hyde Park Dr., Georgetown, which was supplied by the Kinsmen Club of Georgetown. The \$193,902 contract for the work has been awarded to Zorge Construction Ltd. of Georgetown. The CMHC mortgage covers \$174,512 of the cost and the balance is being taken over by the Ontario Housing Corporation, Mr. Snow said.

Because we don't have to spend a lot of time on this every year,

we can spend a lot more time on this.

Underneath the Volkswagen you think never changes is something quite surprising: A Volkswagen that does. Over the years, we've made more than 4,500 improvements to it. Each one a quiet tribute to the Volkswagen theory of evolution: We don't change the Volkswagen just to make it look different, only to make it work better.
