

**CARNIVAL DANCERS** from Toronto who performed at the Hofbrauhaus Saturday night gave one young man a good scolding for his antics throughout the night. Crista Drechler, far left, Inge Drechler, Sigrid Ewert and Jutta Polomski are all members of the First Toronto Carnival Society. —(Staff Photo)

**ALE DRINKERS** were in abundance at the German Hofbrauhaus held in Milton Arena Saturday night. Decked out in their traditional German costumes, with their Bavarian pipes and gigantic beer mugs were Louie Schweitzer, left and Kurt Fliegel, both from Oakville. —(Staff Photo)

## Road building finished by fall

Construction of a new road surface on Number Ten Sideroad west of Milton Hospital is proceeding on schedule according to Halton County engineer D. J. Corbett.

The re-surfacing, which started in the middle of June, is being done by Bramall Construction of Mississauga at a cost of \$112,000. They are expected to be completed by Sept. 15 and this includes building up a new base for the road, putting on three inches of asphalt and installing culverts.

Mr. Corbett told The Champion the work is being done because the original road base had collapsed in spots and was patched with asphalt anywhere up to seven inches in depth.

A second new road is being built north of Campbellville which will by-pass the village, thus taking heavy truck traffic off the village streets.

It stretches from the entrance to Campbellville Sand and Gravel to the Guelph Line, at the entrance to Mohawk Raceway. It will become the new county road.

## OUR READERS WRITE:

"SHE MAY BE SOMEBODY'S MOTHER"

Dear Sir:

The flow of traffic was heavy on one of the main thoroughfares in town.

A little old lady with a cane approached the crossing with hesitation. A group of boys were standing near, and one of the boys from the group noticed this "dear old lady." He crossed over and took her gently by the arm. Waiting for a clearance in the

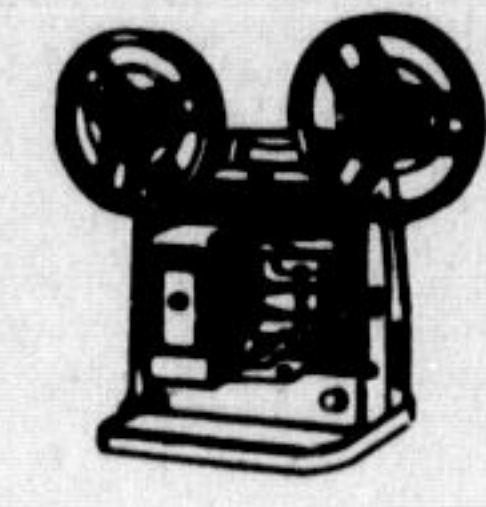

traffic, he guided her carefully to the opposite side of the street.

Upon his return to the group, he was greeted with jeers and laughter. He said in a low, quiet voice, "she may be feeble, old and gray, but she may be somebody's mother, you know." The jeers and laughter suddenly died, and the group slowly dispersed.

Gladys I. Tizard,  
Halton Manor,  
Milton.

## Pee Wee hockey starts Sept. 6

All boys interested in trying out for this year's Pee Wee All-Star Hockey team, please meet at the Milton Arena this Saturday September 6 at 4 p.m. sharp.

## HERE 'n' THERE in Brief

### Stanfield coming soon

Robert Stanfield, leader of the federal opposition, will be guest speaker at the Halton Young Progressive Conservative Association's Sept. 18 dinner. The dinner is one in a series of "distinguished speaker" dinners held in Oakville's Holiday Inn.

The YPCs had some lively meetings in the spring when NDP Dr. Morton Shulman, former Liberal M.P. Judy LaMarsh, and Ontario Minister of Education William Davis were speakers. Ontario Premier John Robarts and Canadian Labor Congress leader Donald MacDonald are scheduled to speak later this fall.

### Dairy princess from Brampton

The girl from Peel County who defeated Halton's entry in the Ontario Dairy Princess competition went on to win the Ontario title. Lorene Archdekin, 18, of Brampton was named Ontario Dairy Princess at the CNE last week, and Mrs. William Stewart, wife of the Ontario agriculture minister, crowned her.

Earlier in the competition Lorene had defeated Sharon Hume, Halton's entry in the preliminaries.

### No concessions to north

North Burlington residents will have to continue helping to pay for sidewalks in the urban section of town, Burlington Council ruled last week. Northern residents will receive no tax concessions on library and recreation costs, either.

Councillors Wes Gall and Art Lindop, who represent the northern ridings argued unsuccessfully for a change in the taxation. Mr. Gall said rural residents have to pay from 50 cents to \$2 a year for upkeep of sidewalks they don't use, and have to travel great distances to take advantage of full library and recreation facilities. Mayor George Harrington reminded him that one-quarter of the town's 337 acres of parks and most of its 955 acres of conservation land is located in north Burlington.

### Barn destroyed by fire

A tractor, some hay and straw were lost when fire levelled a 50 by 80 foot barn at the Seventh Line Esqueving farm of Harry Bessey, R. R. 2, Georgetown last week. Mr. and Mrs. Bessey were asleep in the house when the fire was noticed by a neighbor about 10.30 p.m.

The barn was built in the 1870's. Mr. Bessey had sold the farm to a man in Italy last December but retained the house, barn and a shed and two and a half acres of land for himself. It was the seventh barn razing in the Georgetown area to date this year. Firefighters suspect an arsonist is responsible for some of the fires.

### Urge province pay more

A brief from Halton Young Progressive Conservatives urges the provincial government to assume more than 60 per cent of the cost of education. The brief, a seven page report that took a year to prepare, supports the consolidation of school boards, recommends budget review boards to avert hassles over budgets such as that experienced in Halton earlier this year, and the cancelling of budget supplements for municipalities with a population of over 190,000.

The YPCs also recommend school buildings and facilities should be made available to the public outside of school hours—especially pools, gyms, and classrooms. They urge integration of school libraries into the public library systems to avoid duplication of service and obviate the need for more public libraries. A province-wide standard scale of teachers' salaries is also urged, as well as standards of construction for schools.

### KILBRIDE

## Donkey baseball successful event

By Mrs. William Watson  
The weather co-operated beautifully for the large crowd attending the Donkey Baseball and girls' exhibition softball game between Omagh and Burlington Star Cleaners, Sunday Aug. 24 at Kilbride school grounds sponsored by the Kilbride and District Community Recreation Association. The executive would like to express thanks to everyone who participated in any way and to all those who attended this event.

The monthly meeting of the recreation association was held Monday Aug. 25 at the home of Al Kinnear, Cedar Springs Road. Those present were Gary Twiss, Gordon Harris, Fred Arnold, Milt Schuett, Dot Nykoruk and Helen Watson.

A social evening including bowling, progressive euchre and refreshments will be held Saturday Oct. 4, tickets at \$2.50 a couple will go on sale next week.

A motion was made that the group sponsor euchre parties every two weeks starting in October. Helen Watson, Gary Twiss and Al Kinnear were appointed the nominating committee and will bring in a slate of officers at the annual meeting of the recreation association, which will be held Wednesday evening Oct. 8 at 8.15 at the community centre. This meeting is open to the public and we are looking forward to seeing you there.

### B. Hatfield attends fire school course

Brian D. Hatfield of Milton, Safety Inspector for Shell Canada Limited in Oakville, recently attended a three-day session of the Fire School at The Ansul Company, Marinette, Wisconsin.

He was one of a group of about 25 men who came to the school from all over the United States. Fire School trainees are taught the latest in advanced fire fighting techniques. Most of their time at the school is spent in fighting actual fires, ranging from small gasoline spill fires to 800 square foot pit fires and gasoline and propane pressure fires.

The Kilbride squirts were the only team in Kilbride to enter in the O.R.S.A. this year.

The first team the boys played was Cayuga and won two games straight, then went on to meet Homby. The first game was played Aug. 20 and Kilbride defeated Homby by a score of 19-12. Friday Aug. 22, Homby defeated Kilbride 15-8 and on Tuesday, Aug. 26 Homby defeated Kilbride 11-10 at Kilbride.

Those playing Squirts for Kilbride were Cass Seroski, Danny Sanderson, Jerry Tawse, Graham Bye, Brent Coulson, Dean Ward, Steven Twiss, Bill Watson, Jim Cummings, Donald Wielhauer, Henry Sytsma, Terry Tawse, Randy Koster and Michael Anderchek with coaches Gary Gwiss and Delmar Tawse.

These boys have certainly proved themselves as good sports and a credit to their village and community.

Elvin Pegg of Strabane and George and Len Pegg of Cedar Springs Road attended the Pegg reunion on Saturday, July 23 at the Town of Niagara.

Mr. and Mrs. Alan Ribey and family of Port Elgin, Mr. and Mrs. Cameron Marshall of Omagh and Mr. and Mrs. Joe Ellsmere and family of Milton were dinner guests with Mr. and Mrs. Gordon Harris and family on Sunday July 23 following the Donkey Baseball.

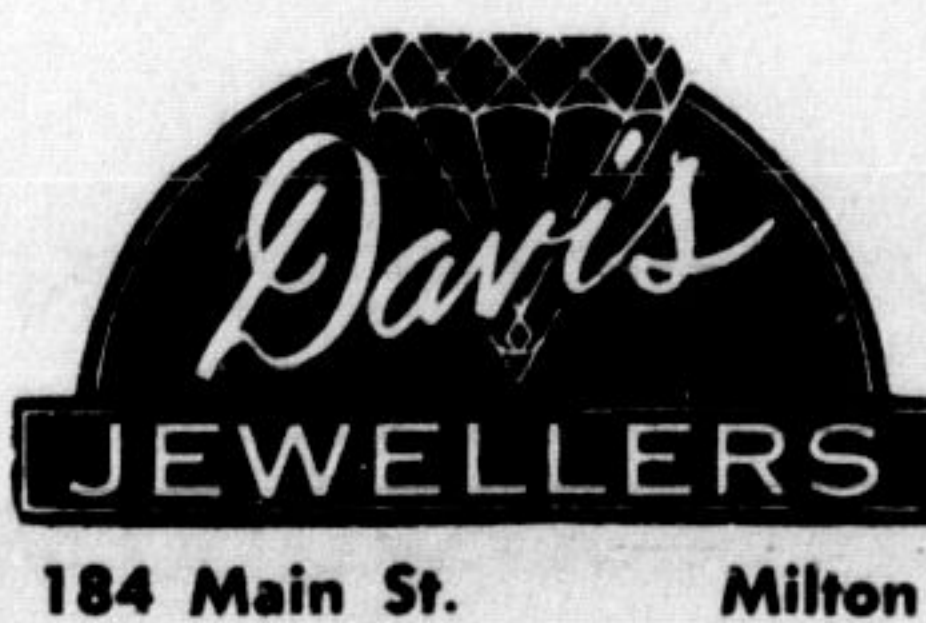

Mr. and Mrs. Doc Trimble and Karen, Mrs. Mabel Clifton and Miss Reta Naylor all of Milton were dinner guests with Mr. and Mrs. Gary Twiss and family on Sunday July 23, following the Donkey Baseball.
