Minor ball meeting slated for tomorrow

The annual meeting of the Milton Minor Baseball Association had to be called off from its original date last Wednesday, as only three members were in attendance. A second meeting has been called for tomorrow night (Thursday) at 8 p.m. at the Steelworkers Union Hall on Pine St.

The meetings are being held in the fall rather than the spring so

the organization can catch problems or mistakes that cropped up in the current season and make changes for the coming year.

All coaches, managers and executive members interested in taking part in Milton Minor Baseball should make an effort to attend the meeting. An executive will be elected and a program charted for 1970 season.
