

# Milton Minor Hockey House league happenings

By John McLean  
Amidst much confusion and even more noise, the 1969-70 edition of Milton Minor Hockey (House League Division) got underway on Saturday morning at 6.30 a.m. The players seemed very alert and wide awake but the same could not be said for all of the M.M.H.A. officials. However the things will be better in the future.

In the ice action, Jeff Lyons fired all four goals as his Beech Brothers downed Little Firemen 4-1 in the opening game. Mark Curtis picked up one assist on the first goal. Jeff Penrice replied for Little Fireman with a singleton with assists going to Kirk Maskell and Bill Hartin.

Don Habkirk drew a hat trick as he led the Little Pontiacs to a 5-2 victory over Rebekahs. Grant MacKinnon and Leslie Claer rounded out the scoring with one goal apiece while assists went to Claer, Scott Wilson and Alfred Hilt. Mike Murray scored both Rebekah goals with help twice from Ricky Aseleton.

In the final Novice game, Mowbray Fuels downed Crest

Hardware 4-2 as Paul McCann swung the way with a trio of goals. Brett Coates fired one marker while Albert Klip and Larry Withnell assisted once each. Mike Shepherd and Dan Nadalin counted one goal apiece for Crest with the assists going to Charles Kerr and David Lepa.

Brian Harkin scored from Peter Thompson and Gerry Timbers and that was all the goalpower that Fay Plumbing could muster as they dropped a 9-1 decision to Hood's Chicken Kings in the opening Pee Wee game. Brad Smith, Tim Pearson and Perry Caputo all scored twice for Hoods while single goals went to Todd Corradetti, Robbie Frame and Alan Duncan. Single assists were from Smith, Duncan, Frame, Corradetti and Frank Hume.

Pharmacy took a one goal lead at the 1.00 minute mark of the first period as Randy Murray counted but that was all as Canadian Tire came on to score a 5-1 win. Terry Nova (2), Guy McGinnis, Kevin Kitchen and Russell Price did the scoring for the winners while assists went to

Kitchen (2), Price and Mike Stafford.

In the last Pee Wee game, Milton Lumber topped McCuaig Insurance by a 6-4 margin as Kevin McCoy and Roger Delnin each scored a pair of goals. David Arbic and Peter Rota counted singles and assists went to Doug Strath (2), Delnin, Rota, and Chris Burton. David Anderchek led McCuaig's with a pair of goals while Brad Keenan and Jeff Banner tallied one apiece. Brad Keenan drew a pair of assists while single helps went to Stephan Wollaston and John Noble.

Milton Department Store started off the bantam division by humpty local 4970 6-0. Mark Hyatt led the winners with a pair while Charles Alcock, James Harkin, Joe Willmott and Dave Anderson scored one apiece. Assists went to Sergio Mazarato, Chris Neill, Harkin and Willmott.

In the final game of the week, Bell Brothers downed Brownies Bombers 4-1. Bob Boughton led the way with a pair while Steve McCann and Bryan Holmes added singles. Boughton, McCann, Randy Hamilton and Doug Anderson drew one assist each. Anthony Saliba fired an unassisted goal for the losers.

# Shoots hole-in-one at C'ville tourney

Rev. Dave Nicholson had both an exceptionally good and bad day on the golf course Oct. 18th at Campbellville's second annual tournament at Burlington Springs Golf Course. The tournament will be annual event and got underway last year.

Saturday Mr. Nicholson shot what he described as his poorest round of the season and yet managed to win the low gross award and in the process fired a hole-in-one.

Rev. Nicholson scored his hole-in-one on a par three 12th hole, firing 152 yards with a seven iron. The trophy for the low gross was donated by King Calcium.

Behind him in the list of low which actually goes to the player with the highest score.

gross winners were Elmer Dredge, John Austen, and Lloyd Daily in that order. Bill Elliot

# Resident asks closure of road

Esquing Council, Monday night agreed to look further into the possibility of closing a road allowance on the east side of highway 25.

W. B. Elsley, a resident of the area whose property adjoins the road allowance, told council he would be interested in purchasing land now occupied by the road allowance. He added that he would like to see the present route of the sidewalk maintained because of its scenic value.

# Twenty O.S.D. boys register in M.M.H.

By John McLean  
The House League and Tri-County teams were listed last week but in addition to these teams, 'B' group or second all-star teams will play in Novice, Pee Wee, Bantam and Midget. These teams will be made up of boys out of the House League and shall be playing their home games on Sunday afternoons. These games (four every Sunday) commence at 3 p.m. and continue until 7 p.m. The admission fee is only 50 cents, a very small cost for four entertaining hockey games, and a good chance to get away from the usual Sunday afternoon routine of sitting back watching T.V. So come on folks, break the routine and come down to the Arena and enjoy the antics of the 'stars' of tomorrow.

At the present time, we have 487 boys registered in M.M.H.A. including 20 boys from the Ontario School for the Deaf. As we have almost reached the saturation point, we cannot accept any more registrations after Saturday Nov. 1, at 12 noon. Until then, the application forms may be picked up at the Arena Coffee Shop.

Coming up on Friday Nov. 21 is a dance at the Legion Hall. The admission price is \$6 a couple and includes lunch. Tickets may be obtained from any member of the M.M.H.A. executive.

The Minor Hockey weekly schedule is Wednesday nights 5.30 to 9 p.m. House League; Saturday mornings 6.30 a.m. until 1 p.m. House League; Saturday afternoons 4.45, Pee Wee 5.45, Bantam (Tri-County Teams), Sunday afternoons 3 p.m. until 7 p.m. B group games; Monday nights 4.30 until 6 p.m. Monday Nighters (5 to 8 year olds), 7 p.m. Novice, 8 p.m., Midget and 9 p.m. Juveniles (Tri-County Teams).

# Game & Fish News

by arn coulson

After a trip to the north country to a lake that is still as pure as it was 100 years ago, we cannot help but wonder what we are doing to the majority of our lakes and streams here in the south. Pollution is an awful thing throughout the whole of Ontario.

I just read an article by a minister who has a cottage on Lake Superior. He states he caught his first Lake Trout in eight years. The Lamprey is coming under control in some lakes yet pollution is still running rampant. The ospreys and cormorants are disappearing even up north, apparently because they are affected by the use of D.D.T. The minister stated that he could smell the distant pulp mill in the wind and the past few years he had noticed the once crystal clear waters of Lake Superior are sometimes cloudy.

We also saw the black, tarry lines on the beach sand which tells the story of passing ships illegally pumping their bilge into the lake.

Steps are being taken, some money is being spent to analyze the problems of pollution and conservation, but as Canadians we must wake up to the danger of pollution and the urgency of conservation to the possibility that the beauty which we have taken for granted for so long can go from us because of our own folly and carelessness, as well as our greed.

Joe Winder and Wayne Auckland returned from an unsuccessful trip to Thornbury for Rainbow Trout. Howard and Delmar and Dave Coulson and Dave Wendover returned from the Hornepayne District after spending 10 days in search of a moose. They had a good trip and good weather but no moose.

Ron and Joe Marshall, Primo Rigo, Ken Lewis, Skip Taylor and Ted Blumh all of the Halton Sportsmen's Association also just returned from the Hornepayne District. They had wonderful weather, lots of fun, but no moose and saw only one.

Duck hunting in the Milton area are enjoying one of the finest years to date. Ron, Jim and Arn Coulson got some more beautiful black ducks over the holiday weekend. These birds are in excellent condition feeding in grain fields.

Duck hunting should be good for a few more weeks at least with the corn just starting to be harvested.

Jack Daview, Phil Fisher, Tom White and Jim Coulson are hunting for moose in the Fox Lake area of Sudbury where Jim's father is helping run a lodge for hunting and fishing.

Wayne Auckland and Joe Winder of Lowville along with their wives are leaving for a two week vacation in Mexico next month where Wayne and Joe, both ardent fishermen, hope to catch a sailfish.

Russell, George and Art Robertson and Bruce Nicholson all of Kilbride returned home with a five full mouset from the Gogama District. Bruce Hamilton of Carlisle and Ray Cottrill of Hamilton returned last week from an unsuccessful trip for moose to Mattachewan, but reported fine partridge shooting. Bruce is also an ardent duck hunter.

# Major penalty costly Milton Flyers lose

A major penalty in the third period cost Milton two goals and provided Georgetown Juveniles with a 4-1 victory in Milton Monday night.

Manager Vern Gooding said "Georgetown has a good team and there is no getting away from it." The Georgetown club is strong this year because there is no Junior team and consequently they use the best for the age group.

Milton held the Georgetown club to a 1-0 lead at the end of

the first period. Manager Gooding said the Milton defense let down on several occasions and the forwards showed a little weakness in not picking up their checks.

Even then the score was not an indication of the play as the Flyers worked hard and held the Georgetown club intact.

Bobby Knowles scored Milton's only goal on a bit of a scramble play but still managed to beat the goalie when he came out of his net.

# Tonelli paces "Welders" team still undefeated

Winning has become a way of life with Ed's Welding Pee Wees. The Milton Tri-County team skated to their sixth win of the year including exhibition games Sunday when they beat Georgetown in exhibition action

5-2. They had defeated Oakville in league action Saturday.

John Tonelli paced the Pee Wee effort Saturday with three goals and an assist while Bruce Ellison and Rod Gooding tallied on one occasion each.

Ron Twiss had two assists while Ron Rowley, Paul Stover and Joe Saliba picked up single assists.

Rod Gooding was the top producer Sunday against Georgetown with two goals while Ron Rowley, Paul Stover and Bruce Ellison scored singles.

Assists in the second game went to John Tonelli who had three and Ron Twiss and Bruce Ellison who had one each.

The Pee Wees have won six and tied two in eight contests so far this year.

Suburban Junior C Hockey schedule has been revised to make up for the games Georgetown Raiders were slated for before dropping out of the league.

Some Merchant games have to shuffled and they will make up the games by playing more games with teams in their division.

# No interest?

Milton Minor Baseball Association, beset with organization problems, failed at their second attempt to conduct their annual meeting Thursday night with only a half dozen interested spectators showing up.

The association had tried a week earlier to hold the meeting but was delayed until Thursday without any favorable results.

# Shuffle lines Bantams lose to Oakville

An early 1-0 lead was not enough to hold Milton Oakville Bantams on top of Oakville when the two clubs met here Saturday. Oakville came back with two goals in the first period, one in the second and two in the third period to secure a 5-2 win over the Bantams.

Manager Bill Rowney said the club was playing shorthanded and forced to shuffle their lineup. Rick Bridgman and Dave Robertson were out of action for the game. Bridgman is not expected back for three weeks.

Scott MacKenzie opened the scoring at 1.30 of the first period on a pass from Kerry Kitchen. Two goals by Ron Neilson from Mark Perras and Dennis Fowler from Paul Bunner and Rob Robson in the first period concluded the Milton lead.

Mark Perras scored his first of two goals in the second period. Fowler and Perras added their second goals in the third period with assists going to Paul Bunner and Eric Inouy.

Gary Gooding scored Milton's second goal from Wade Bekar and George Hood.
