Three losses in basketball, football

By Richard Figg
The scene was the gym Monday as the girl's basketball teams hosted O.T.H.S. In the junior contest Milton came on strong in the second and third quarters but last minute gambles failed and O.T. walked away victors in a bitterly fought contest. Milton's senior girls then took to the floor but were overpowered by a stronger Oakville club who came up with the win in the second half of the Junior-Senior doubleheader.

Our attempt at volleyball seems to be weakening as the older boys have left to play senior football and a cancellation of their first tournament has dampened the spirits of the younger players.

Let's hope that Mr. Martell can do something to keep this club going.

The junior football season has ended. Friday the Panthers of Perdue were in town for our final contest. As the snow cleared and the puddles dried the Mustangs were trampled 56-0. Although the air was cold tempers were hot as our more sadistic fans were treated with outbursts of fights in the second half. A small number of players, mostly Perdue were emitted from the game and penalty flags covered the field most of the game as Perdue got into the habit of kicking off from the Milton 45 yard line. The Junior Mustangs ended with a 1-5 season record which should be

greatly improved next year as more than 20 of this year's players will be back.

The senior club whose schedule is very indefinite hope to open the season against O.T.H.S. who are preparing for the playoffs. The club offers a huge offensive line along with a fast, powerful backfield to make an offense which should be able to score at least more points than the defense will give up.

Friday night was Sadie Hawkins night as patrons of the art of dancing and whatever else goes on were entertained by the "Poor Souls" a most fitting name for a band to play at this type of "Grub" dance. These four guys looking somewhat like the Moody Blues filled the gym with danceable freakout music

and treated the eyes with astounding lighting which flashed at a stage filled with dancers from the audience. Also featured at the dance was "Marryin' Sam" who was there to carry on the tradition of gettin' married at the "Sadie".
Nov. 10 to 16 is Youth Appreciation Week in Milton as The Optimist club offer the youth of Milton a chance to show their stuff, so start thinking of methods in which you can do this. Soon you will get a chance to voice these opinions.

Speaking of November, one starts to look forward to Christmas holidays and a glance at a calendar tells me that only 39 school days remain until Saturday, Dec. 20.

Classes win fire scrolls

The four classrooms which won awards for the best parent attendance at Milton Fire Department's fire hall open house last week have just been announced.

Mrs. I. Chase's grades three and four class won the scroll award for Bruce St.; Mrs. Wilson's kindergarten at W. I. Dick; Mrs. Arbie's kindergarten at J. M. Denyes; and Mrs. Devlin's grade one at Holy Rosar. The awards will be presented as soon as they are engraved, and will remain on display in each classroom for one year.

YOUNG TEENAGERS from Martin Street, Holy Rosary and Milton District High School came out to St. Paul's Church Saturday to take part in a Dance-A-Thon in aid of Milton District Hospital. They rocked and rolled from 9 a.m. until almost 9 p.m. with sponsors paying for each hour they danced.—(Staff Photo)

Fire drills

Results of the school fire drills conducted during Fire Prevention Week by the local fire department were released this week by Fire Chief A. E. Clement.

Holy Rosary School, 549 students, one minute 20 seconds; Pineview, 434, one

minute 10 seconds; J. M. Denys 456, one minute 14 seconds; W. I. Dick, 162, 56 seconds; Bruce St., 140, 54 seconds; Campbellville, 94, 50 seconds; Martin St. Senior Public School, 342, one minute 14 seconds; Milton District High School, 883 one minute 49 seconds; Sunshine School, 30, 25 seconds. Ontario School for the Deaf was also drilled but no times were available.

M.M. Robinson

Select "Queen of Hearts" for 1969 musical

By Donna-Jane Byers
"The Queen of Hearts baked some tarts and the Knave stole them." Unique? M.M.'s Revue Society, headed by Mr. Chabot, has chosen the Queen of Hearts as the musical of 1969. Major characters include the Queen, the Princess, the Knave and Prudence, all of whom will be required to sing. The play will also include various charwomen and a chorus as well as a kick line. Mr. Chabot is very optimistic about this year's proposed production and stated that auditions will start shortly.

Revenge! Take that, and that Nelson. Tuesday Oct. 21 before a comparatively small home crowd, the Robinson Senior Girls basketball team whipped Nelson 60-20. The star of the M.M. squad was undisputedly captain Lynn Young who scored

an outstanding 26 pts. to lead the senior ladies on to a two game winning streak. Second in line for scoring honors was Carol Morgan netting seven field goals and two foul shots for a total of 15 points. Quarter scores were as follows: end of first 17-6, 2nd 25-14, 3rd 42-18, 4th 60-20.

Each team plays the four other high schools twice, once at home, once away. The semi-finals will involve a two game total point match and will be held approximately Nov. 13 and 17.

The Junior team looking for their second victory over Nelson High squashed the opposing team 39-16. This night will have to be known as captains night as the Junior leader, Janice Kay, dropped eight field goals and four foul shots for 20 of M.M.'s 39 points. Anne Ramshaw,

Karen Langshaw and Josie Drake each netted two field goals, and D. J. tallied for 3. The additional foul shots from Anne, Pat Barrett and D. J. completed the other three points. Next game: Robinson at Aldershot.

With the results from M.M.'s intramural track and field meet held Oct. 15, new talent in the events offered has been unearthed. The champions in the boys' programme were as follows: Senior, Bill Everett; Junior, Rod Shippee; Midget, Tom Becke & Gary Theobald.

Girl Champs: Senior, Bev Riley; Junior, Lynn Kellond & Beth Harrison; Midget, Sandy Ogden.

Field events for the boys consisted of discus, shotput, javelin, long jump, triple jump,

high jump, and pole vault. For the track events, the 100 yard dash, 220, 440, 880, hurdles and the mile and two mile were offered.

In the girls' department were hurdles, 60 yard dash, 100, 220, 440 and 880. Discus, shotput, high jump and long jump completed the field events.

YO HO HO & A BOTTLE OF APPLE CIDER? Yes, you read right. The theme for this year's Sadie Hawkins is -Pirates-. It will be held on Nov. 7, from 8.30 to 11.30. Prices: \$1.75 stag, \$3.00 a couple.

Entertainment for the evening will include The Jameson Roberts Revolution and of course the marrying booth. This year, as opposed to the former Marying Sam Booth, couples will be married by Captain Hook and will have to walk the plank.

IN THE SWING of things at Saturday's Dance-A-Thon, this young couple danced up a storm to help raise money for Milton District Hospital.—(Staff Photo)

White Oaks Secondary School

Wildcats retain hold on second place

By Pat Ford

The White Oaks Wildcats kept a hold on second place in the Oakville-Milton league this week with a 19-14 win over Blakelock. Peter Rowbottom scored his third touchdown of the season on a ground play, Ronnie Barker followed with two more, and Fred Lux made a single, all in the first half. The defense didn't hold so well in the second, and this was when TAB sneaked in their 14 points. The defensive

line-up has been weakened with the loss of its best player, John Alderson. John is in the hospital with a broken leg (result of the last game against Milton) and we hope he's feeling better soon.

Prior to the game, the pep rally was highlighted by the antics of some senior students in which president Rick Clark received a cream pie in the face, courtesy of Marzio Piasentin.

The cross-country season ended for both boys and girls this week. The girls travelled to

Highland in Dundas for the SOSSA Zone 1 meet and came home with two medals. Lynanne Lytle won second place on a very tough, hilly course, beaten only by one of the home girls. Beth Lindvik also brought WOSS a medal for ninth place.

The boys went to the Ontario semi-finals at Brock University and ran through that snow that

Some people walk so others can ride

Forty-six people ranging in age from three to 65 set off Saturday, on foot, to raise money to put missionaries on wheels.

The group were members of the Highway Pentecostal Gospel Church of Milton and they were walking to Oakville from the church to raise the funds with the sponsor's help. They started out at 9 a.m. from the church and the last of the walkers reached the Oakville destination at 2.30 that afternoon.

Raising in excess of \$1,000 the walkers, under the direction of Rev. M. C. Christensen, were part of a Canada-wide movement held to raise \$25,000 for their missionaries.

According to Mr. Christensen, only four people dropped out along the way.

surprised us all the night before. We just narrowly missed at this meet, with Perry Melia and Merv Hughes each only one point short of qualifying for the all-Ontario finals.

The girls' basketball teams had two games this week and managed three victories. In a home game with Blakelock the seniors lost 46-24, but then that 24 turned out to be the magic number that won the juniors their close game over the Blakelock juniors, who scored 23. Later in the week we went to O.F. and played two cliff-hanging games that were battles to the finish. The juniors pulled a 25-22 win out of the hat, and the seniors came up with a 33-30 score.

And once again that Sadie Hawkins time of year has come upon us. The G.A.A. is planning the big bash for Nov. 7, so keep your eyes open, WOSS girls.

REGULAR MEALS

Children are generally happier if their meals follow a certain routine. It shouldn't be too strict, but meals at irregular times, cookies before supper, too many soft drinks and so on, can cause unnecessary upsets, says the federal health department pamphlet, "Feeding Habits".

WALKING FOR RIDES were young people from Highway Pentecostal Gospel Church, walking so they could help buy vehicles for Pentecostal missionaries. Gwen Thum studies the route while Patsy Roesser, Cathy Nicholson, Allan Rutman and Stephen Wood look over her shoulder to plan their own strategy.—(Staff Photo)
