

**Game & Fish News**

by arn coulson

Many stories have reached your writer about the Coho Salmon being caught in great numbers in and around Bronte, the Humber, etc. After checking these stories out very carefully, I say don't believe them all. There have been a few cohos caught this last month at Bronte but they range in size from one pound to the largest at two and a half pounds.

The sad part about it is that nearly half the fish caught have Lemprey marks on them. Don't go out and buy any large Coho outfits yet, although we are still quite optimistic and think these fish will multiply in Lake Ontario as they have in Lake Michigan.

Bill Henderson from Carlisle and his gang returned last week with the first heartening news we have heard about the moose this year. They got five fine moose. Dan Kidd of the Sportsman's Club also got a fine moose.

The Cottontail and Jackrabbit season is open in Halton County now and all indications point to a good season. Partridge in the county are few and far between this year, but are quite plentiful in the north.

**Marshall and Ellison pace Novice efforts**

After three consecutive league victories Trafalgar Ford Novices took a 5-3 loss on the chin when they met Guelph Thursday but bounced back to whip Preston 7-2 Monday in Milton.

In the first game both clubs felt each other out until the 5:24 mark of the first period when Guelph's Brian McCafferty skated the length of the ice through both teams to score unassisted.

Less than a minute later Hamilton scored from Dan Saliba to tie the score. Eric Ellison picked up Milton's only penalty and Guelph's Bob Derby scored a minute later. Derby scored three goals in all and Gary Langdon scored as well. Hamilton scored twice while Ellison netted a single for Milton in the loss.

Jim Cartwright and Mike Hyatt shared the goaltending in the absence of Hap Perrott.

Preston matched Milton stride for stride in Milton's second game until late in the opening period when Dwayne Hamilton scored from Dan Saliba. Dave Marshall scored a goal in his first game of the season.

Steve Blair scored in the second period from Ellison and Marshall for the winning goal. Hamilton scored his second goal from Saliba. Pasher scored twice for Hespeler late in the second period.

Dave Marshall, Eric Ellison and Kevin Howden scored in the third period. Marshall assisted twice and Tim Pearson, Bill Lyons, Dwayne Hamilton and Eric Ellison all assisted.

**Two close victories for Milton Bantams**

Norm Mowbray broke a scoreless tie to put Milton Legion Bantams ahead 1-0 in the second period of a game against Georgetown Saturday. Mowbray swept in, made a good initial shot and then picked up his own rebound and dumped it in the net. Milton went on to win 3-1.

Other Milton goal scorers were Scott MacKenzie and Dave Roberts. Both counters came in the final stanza and Dave Roberts, Kerry Kitchen and

Gary Gooding assisted. Mike Harrington scored the lone goal for the Georgetown puck chasers.

Milton scored an earlier victory Wednesday edging Guelph 3-2. Mark Grenke opened the scoring at 6:55 of the first period and Wade Bekar notched the second goal of the game before Guelph got on the score sheet.

Guelph threatened in the last period, tying the game up

IT TOOK THREE YEARS but the O.S.D. BEAVERS came through in a big way last week, scoring a championship victory against Mount Forest. The Beavers were edged out of the championship in the final game their first two years in the finals but this year they made sure.

**O.S.D. football team wins championship**

O.S.D. Beavers have been hot on the trail of a CWOSSA "B" football championship for three years now, ever since they joined the league. Thursday the dream came true as O.S.D. scored a decisive 28-0 victory in Mount Forest.

It was the first time a "def school" won a league championship. Two years ago Mount Forest beat O.S.D. on an overtime touchdown and last year Palmerston stole the glory with a narrow 8-7 win in the final game over O.S.D. Staff and students at O.S.D. will remember 1969 as the year of the Beavers.

**Chippy game ends in draw**

Milton Juvenile Flyers struggled to earn a 1-1 tie against Preston here Monday in Tri-County action. The Flyers played below their best efforts in the close checking, penalty ridden encounter.

Dave Gates scored Milton's goal at the 13:10 mark of the first period on a blue line pass from Nigel Ferguson and Mike Frame. Preston tied the score at 10:10 of the second period on a shot from Grant.

Milton was penalized for 11 infractions while Preston took 14 trips to the sin bin as a result of misdemeanors.

midway through the period. Scott MacKenzie scored the winner from Gary Gooding on a scrumbly play with only 45 seconds left in the game.

Bill Whyte opened the scoring for Milton in the second quarter. One of the fastest players in the league, Whyte swept around the end twice, once on a 70 yard sweep and again on a 30 yard sprint.

"Once he gets on the outside it's goodbye, he's gone," commented coach Lindsay Moir about Whyte's running ability. He can really move, he added.

Greg Crockford, who tilts the scales at 240, converted one of Whyte's second quarter touchdowns and then romped across the goal line for a third quarter touchdown. Crockford had intended to kick for a field goal but when the snap was a bad one he took off and outlegged three Mount Forest tacklers.

Quarterback Ron Hall scored the last touchdown when he carried for five yards up the gut. Team members include Ron Hall, Don Crowe, Bill Whyte,

Bob Cundy, Bob Dinkley, Ken Dans, Greg Crockford, Jimmy Cripps, Louis Antonissen, Larry Reaume, Leigh Johnston, Larry Opperman, Richard Larsh, Gary Whelpdale, Paul Johnson, John Hemingway, Bert Day, Philip Powers, Wayne Copland, Brock O'Brien, Dennis Kozak and Donald Bullock.
