Women request safe road markings

The Nassagaweya Women's Institute held their first meeting of the year at the home of Mrs. John Roberts, Haltonville Wednesday. The president, Mrs. Pyatt, opened the meeting with the Ode and Mary Stewart Collect and welcomed the members and visitors. Business was dealt with, including a donation to Muscular Dystrophy Fund and several thank you letters were read from those who had been remembered in various ways at Christmas.

The roll call was answered by a resolution and some interesting ones were put forth. One of our visitors, a newcomer to the locality expressed the need for school signs at the Brookville School as strangers have no indication that children might be crossing the road here. All agreed with the resolution that the villages of Brookville and Haltonville should be marked so that the travelling public would be aware of their location. Another important resolution dealt with the banning of the roadside sprays that have such a devastating effect on our trees and shrubs.

The theme of the meeting was Resolutions and in the absence of the convener, Mrs. B. Young, the program was conducted by Mrs. W. Freeman and Mrs. C. McLaren. A paper was read outlining the proper procedure for drafting resolutions and the presentation and value of same at the local and provincial levels.

The meeting closed with the singing of the Queen and grace and Mrs. D. DeBlauw thanked the hostess for the use of her home. The lunch committee, Mrs. John Henry and Mrs. D. DeBlauw served a delicious dessert lunch and all enjoyed a social time.
