White Oaks Secondary School

Hockey marathon fizzles after 28½ hours

By Pat Ford

With our basketball schedule ended and the playoffs just around the corner, White Oaks can look at its team and be proud; we have an undefeated Junior team, and our Midgets and junior teams in the playoffs, but this is our first time for all three (the most the other schools have is one each.).

The Juniors overcame the wobbly baskets of Perdue and baffled their defense as much as they did OT's with that new zone trap to win 60-43. Two days later the performance was repeated over Blakelock, 55-26.

The Seniors had to work a little harder. The combination of Perdue's loose baskets and a zone defense every bit as good as ours led into two tight overtime periods and a 31-35 loss.

JUNIOR GIRLS' BASKETBALL

One group of happy people at O.S.D. this winter is the junior girls' basketball team. They have good reason to smile! They have a good playing record with one loss (the first game, against Erin) and three wins.

The team members are Linda Russel, Helen Wojcik, Joanne Stephens, Judy Driscoll, Darlene McPhail, Janette Jacques, Mary while grade six students will be Martin, Debbie Sullivan, Betty limited to the games room. Bowling, variety night planned for youth group

Members of Youth on the Move will try their hand at bowling this week with a session for members only Saturday night. Bowling will begin at 7 p.m. and members are asked to come early.

Billiard oriented members will be welcomed to Pat's Family Billiard Hall Monday, Tuesday and Wednesday evenings where they can engage in activity from 7.30 on for special rates.

Suggestion boxes on display at Milton District High School and the Caravan Restaurant have received little response. Membership applications are available at the Caravan.

Many people have been asking for another sports night. The next one will be March 7 at O.S.D. beginning at 7.30 and the swimming pool will be open. A dance is planned for March 14 as well and further information will be available soon.
