MILTON, ONTARIO, WEDNESDAY, APRIL 22, 1970

SECOND SECTION

## Six stores participate in high school fashions

Thursday evening the fifth annual fashion show "Lavender and Lace" was presented at Milton District High School. Colored streamers, a green ramp, local models and a charming commentator set the mood for the showing. Grade 12 class staged the program to raise money for a class trip to Montreal in May.

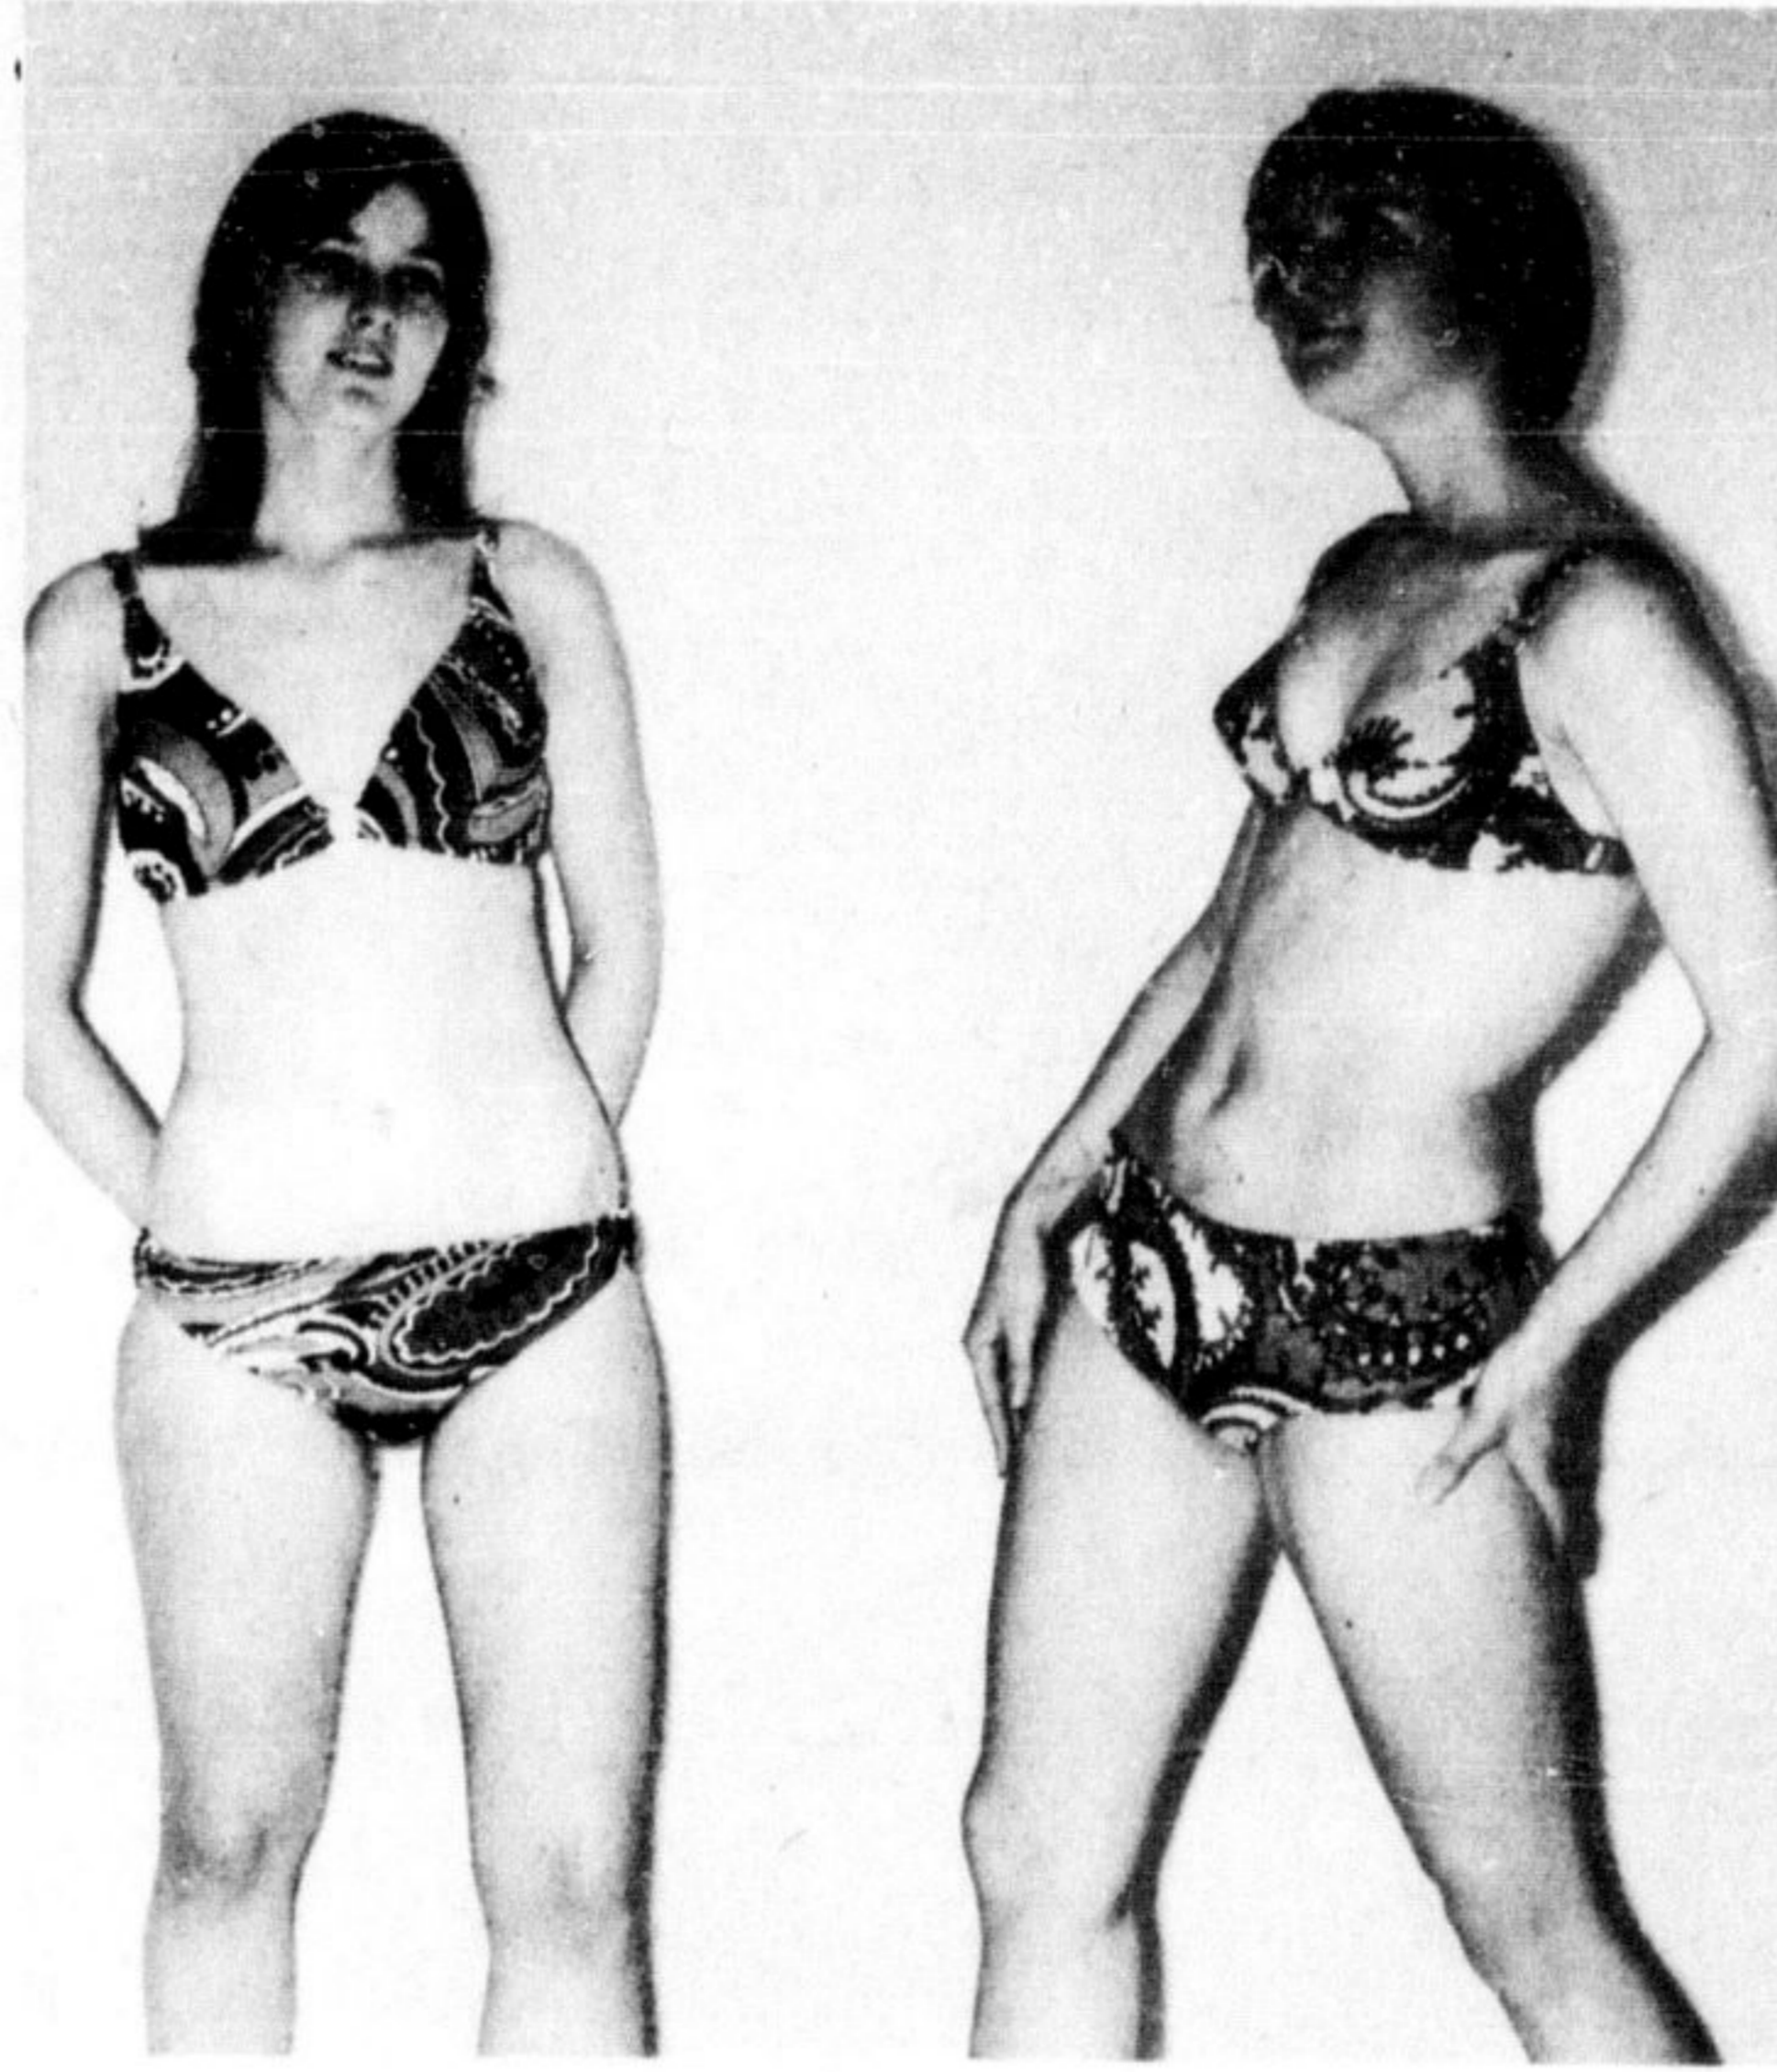

Clothes and shoes were sponsored by local merchants Peggy's of Milton, The Yellow Balloon, Milton Department Store, Knight's Men's Wear, The Flora Shoppe and Milton Fabric

Centre.

Karen Barber welcomed guests and Carole Tyrer was commentator. English instructor Mrs. J. Pennick helped the girls organize the show.

Female models were Jeni Ferguson, Susan Copley, Linda Caputo, Donna Galbraith, Sonya Agnew, Beverly Wilton, Paula Jackson and Mirella Multari. Males were Trevor Roberts, Ray Tonelli, Robert Coulter, Geoff Wooland and Jim Marshall.

A large number of ladies and gents turned out to make the night a success.

SURF AND SAND awaits these two as they complete the display of latest fashions in swimwear. Paul Jackson and Jeni Ferguson were two local girls modelling clothes in the fashion show at Milton High Thursday evening. Grade 12 girls staged the show to raise money for class trip to Montreal in May.—(Staff Photo)

## Emergency mass crusade for Christ is underway

An organizational meeting was held in a local church last week to launch an ambitious religious project called "Emergency Mass Crusade for Christ"—EMCFC for short.

Mike Benson of Campbellville, 16 years of age, is co-ordinating the efforts of EMCFC. He is a born-again believer in Jesus Christ and has been planning this crusade for the past year.

About 30 attended the first meeting to get the crusade underway. They are looking for more Christian young people to participate.

Why an "emergency" crusade? Mike Benson explains: "I have seen Satan and sin contaminate this world in many ways and believe Satan is the most powerful spiritual evil-doer in the universe. I believe the coming of Christ is imminent and before this happens, I want Him to use me through EMCFC to spread the news that Christ is the only answer to this world, yesterday, today and in the future. Our plan is to emphasize Christ and to present His plan of Salvation, through dedicated young people."

The group plans to enlist support for their crusade through other Christian young

### Collectors

Approximately 15 members of Youth on the Move group canvassed for the Cancer Society at the Ontario St. apartments last night (Tuesday). Results will be tallied next week.

APRIL SHOWERS won't bother this gal. Linda Caputo will stay dry in her leather raincoat and rainboots. Linda was one of 13 models displaying the latest fashion in swimwear, sportswear, after five wear and formal wear at Milton District High School's annual fashion show.—(Staff Photo)

## Milton District High School

### Where do we spend all our dough?

By Richard Figg  
Now that Milton High has adapted to this spring weather, things are beginning to happen.

We may even have something to cheer about! Our soccer club, traditionally a winner, battled to a 3-3 draw with Nelson in the season's opener. With many veterans missing due to graduating this 1970 version of the Mustang soccer society seemed to overlaid with rookies. However this wasn't apparent as the rookies, led by Paul Perrott played well up to par as the veterans retained their starring roles. "Vets" Jurie Kudrassous and Jerry Legate were awarded goals while newcomer Pete Fitch notched our third counter. A pair of unfortunate penalties resulted in two of the Nelson goals, otherwise Milton would have been undisputed victors. A tie in the first game is quite adequate as they will likely mellow and become more synchronized with each game.

Entertainment highlight of the week was sponsored, with the help of many town merchants, by the Grade 12's. The annual spring fashion show drew an audience of approximately 100. Although no actual comedy or music was performed the fashion fans were kept entertained by recorded themes and minor mishaps which made the show a lot of fun.

With the school year slowly coming to a close our wealthy Student Council must elect a method of spending their money. As of last week three

projects had been presented before the Council. These being: tennis courts, football bleachers and an outdoor rink/lacrosse box like the one located to the rear of O.S.D.

Tennis is becoming a popular sport very quick in Milton and to have a court on the school grounds would shorten the race for a court opening greatly. However Milton has been blessed with new town courts just recently, providing great opposition to the popularity of tennis courts at our High School. Football seats would be very handy at times but huge crowds are very rarely attracted to a Mustang football or soccer game—and given the chance to relax during a game, a portion of the fans may fall asleep.

The outdoor rink/lacrosse box seems to be the most employable concept but the female portion of student body

seems to be virtually without use of such a court and with no sign of a school hockey team for the past few years and lacrosse being a summer holiday sport, grounds are present for the ruling out of this idea. The Student Council have a difficult decision to make and will be asking for the help of the student body in making the decision. The critique above is only my opinion and you will probably disagree. However, telling me your ideas is on the most part useless. Yet if the S.C. are made aware of your opinions at the next meeting you may become most influential in the choosing of this year's project.

This spring may just turn out to be quite the season as we have a youthful, zesty soccer club; a hard practising track and field team and annual highlights such as the Formal Dance (May 1) and Student Council elections which are always exciting.

## White Oaks Secondary School

### WOSSers try radio broadcasting

By Pat Ford  
With White Oaks travellers including myself, being people we have another somewhat abbreviated column this week. But that only means there'll be lots next week when I give you the lowdown on the History trip to New York.

The soccer teams made their debut, and the Seniors, who weren't too bad last year, looked even better on their first game with a 2-1 win over Nelson. The Juniors, playing their first game as a team, didn't show so well. They went down 4-0 to Burlington Central.

Student Council's bank book is looking a little happier these days with candy sales booming and a successful dance with the Cornerstone. It's been a while since we've had a big name group that didn't put us into debt. Latest S.C. venture was a spring fashion show. The boys

(and I'll bet WOSS girls never realized we had that many good ones before) modelled clothes from Jack Fraser's; and our girls, looking better than ever, showed off clothes from The Lift, Grafton-Fraser's ladies' wear department.

The track team has acquired a field division which is now out practising as best it can without pits or runways. Construction of these is expected to begin soon, now that we've received the invoice specifying the facilities we'll be getting. Meanwhile Mr. Mitchell has been showing the discus to some of the boys, and Miss Mercurio is teaching the girls how to run the hurdles.

A program for students interested in radio news has been arranged between our journalism class and radio station CHWO in Oakville. Three students will go to the station for one day and work with the staff in the news

room. Yvonne LaPalme, Andy Gibson and I were lucky enough to go the first day, and we enjoyed it immensely. We listened to the morning man do his show, watched him tape some commercials, and had the workings of the station explained to us by the engineer. But that was all small compared to the really big thrill of writing our own news stories and then broadcasting them as special reports over the air. After that, going back to school and making the afternoon announcements seemed like pretty tame stuff.

PAT—TERING OFF: Students are meeting with the staff to set up policy rules and regulations for next year...surprising thing is that the kids are asking the teachers to lay down the law.

Variety Night tickets go on sale this week. Get yours before they're all gone!

THREE PERT AND PRETTY COUPLES modelled after five wear in Thursday's fashion show at Milton High. Left to right are Mirella Multari, Jim Marshall, Jeni Ferguson, Ray Tonelli, Sonya Agnew and Geoff Wooland.—(Staff Photo)

## Operetta on weekend addition opens soon

Martin St. School holds its first operetta "Tom Sawyer" on Thursday and Friday this week beginning at 8 p.m. Tickets are on sale at the school.

The senior boys' basketball squad took first place in the North Halton boys' Basketball League last week. The boys retained first place during the regular schedule and continued

on to win the championship by a large margin.

Martin St. School choirs, triple duets and triple trios are again entered in the Halton County Music Festival to be held at M. Z. Bennett School in Acton. Winners will also perform at a special show staged in the high school April 30.

Finalists in the school public speaking contest competed for the school honor Friday.

Holy Rosary Separate School reports the new books have been moved into the library. The new addition to the school will officially open on Sunday May 10.

Eighty-six children received the solemn sacrament of Holy Communion at the 9:30 mass Sunday morning, reports principal Sister Alexander.

Holy Rosary boys are still participating in the OSD sports program held Thursday evenings at the school. All are training for the Halton Separate School track meet to be held in June.

Registration for kindergarten will be held April 23 and 24 from 9:30 to 11:30 and 1:30 to 3:30.

—Support the Cancer Society's annual campaign.

—Lester Whiting of Oakville, father of Halton MP Rud Whiting, was named Oakville Lions Club's citizen of the year Friday. He has served the town through the hospital, arena, VON, library, Chamber of Commerce, and as a councillor.
