

Milton Council Briefs

During the regular meeting on Monday evening, members of Milton Council:

- * Learned new legislation is coming to govern municipal garbage dumps and a permit will be required for any existing or proposed dumps.

- * Established a 10.30 p.m. curfew for council meetings and agreed to start at 7 p.m., 15 minutes earlier than usual.

- * Approved a change in the lotteries by-law setting a fee of \$2 per month for a series of weekly bingos. The original

Summer carnival is here next week

Next week is "summer carnival" week in Milton. From Monday to Saturday, noon to 11 p.m. daily, a summer carnival will be operating from "the flats" on Millside Dr. sponsored by Milton Chamber of Commerce.

About 30 local merchants are issuing free tickets with purchases, good for one ride, to promote the carnival operated by Marchland Shows. A list of merchants' names appears in an advertisement in today's Champion. The carnival features 25 rides and game booths, a bingo each night and children's days with reduced prices on Wednesday and Friday afternoons.

Underwear thief sought by police

A backyard thief who specializes in stealing women's clothing from clothes lines — especially undergarments — is loose in Milton. Milton Police have had some complaints and urge citizens to report any suspicious persons to them at once.

Most of the thefts have occurred either late at night or early in the morning.

by-law called for a fee of \$2 per bingo and was protested by some local groups.

- * Accepted the Halton County TECO report on regional government and commended the committees which had prepared the report.

- * Authorized Councillor Art Melanson and Clerk J. McGeachie to attend the next meeting of the Canada Games committee.

- * Asked Department of Highways approval to transfer \$22,570 from the road construction fund to the maintenance fund to help pay for street resurfacing. Members noted the money was slated for the Queen and Thomas Streets rebuilding project which went

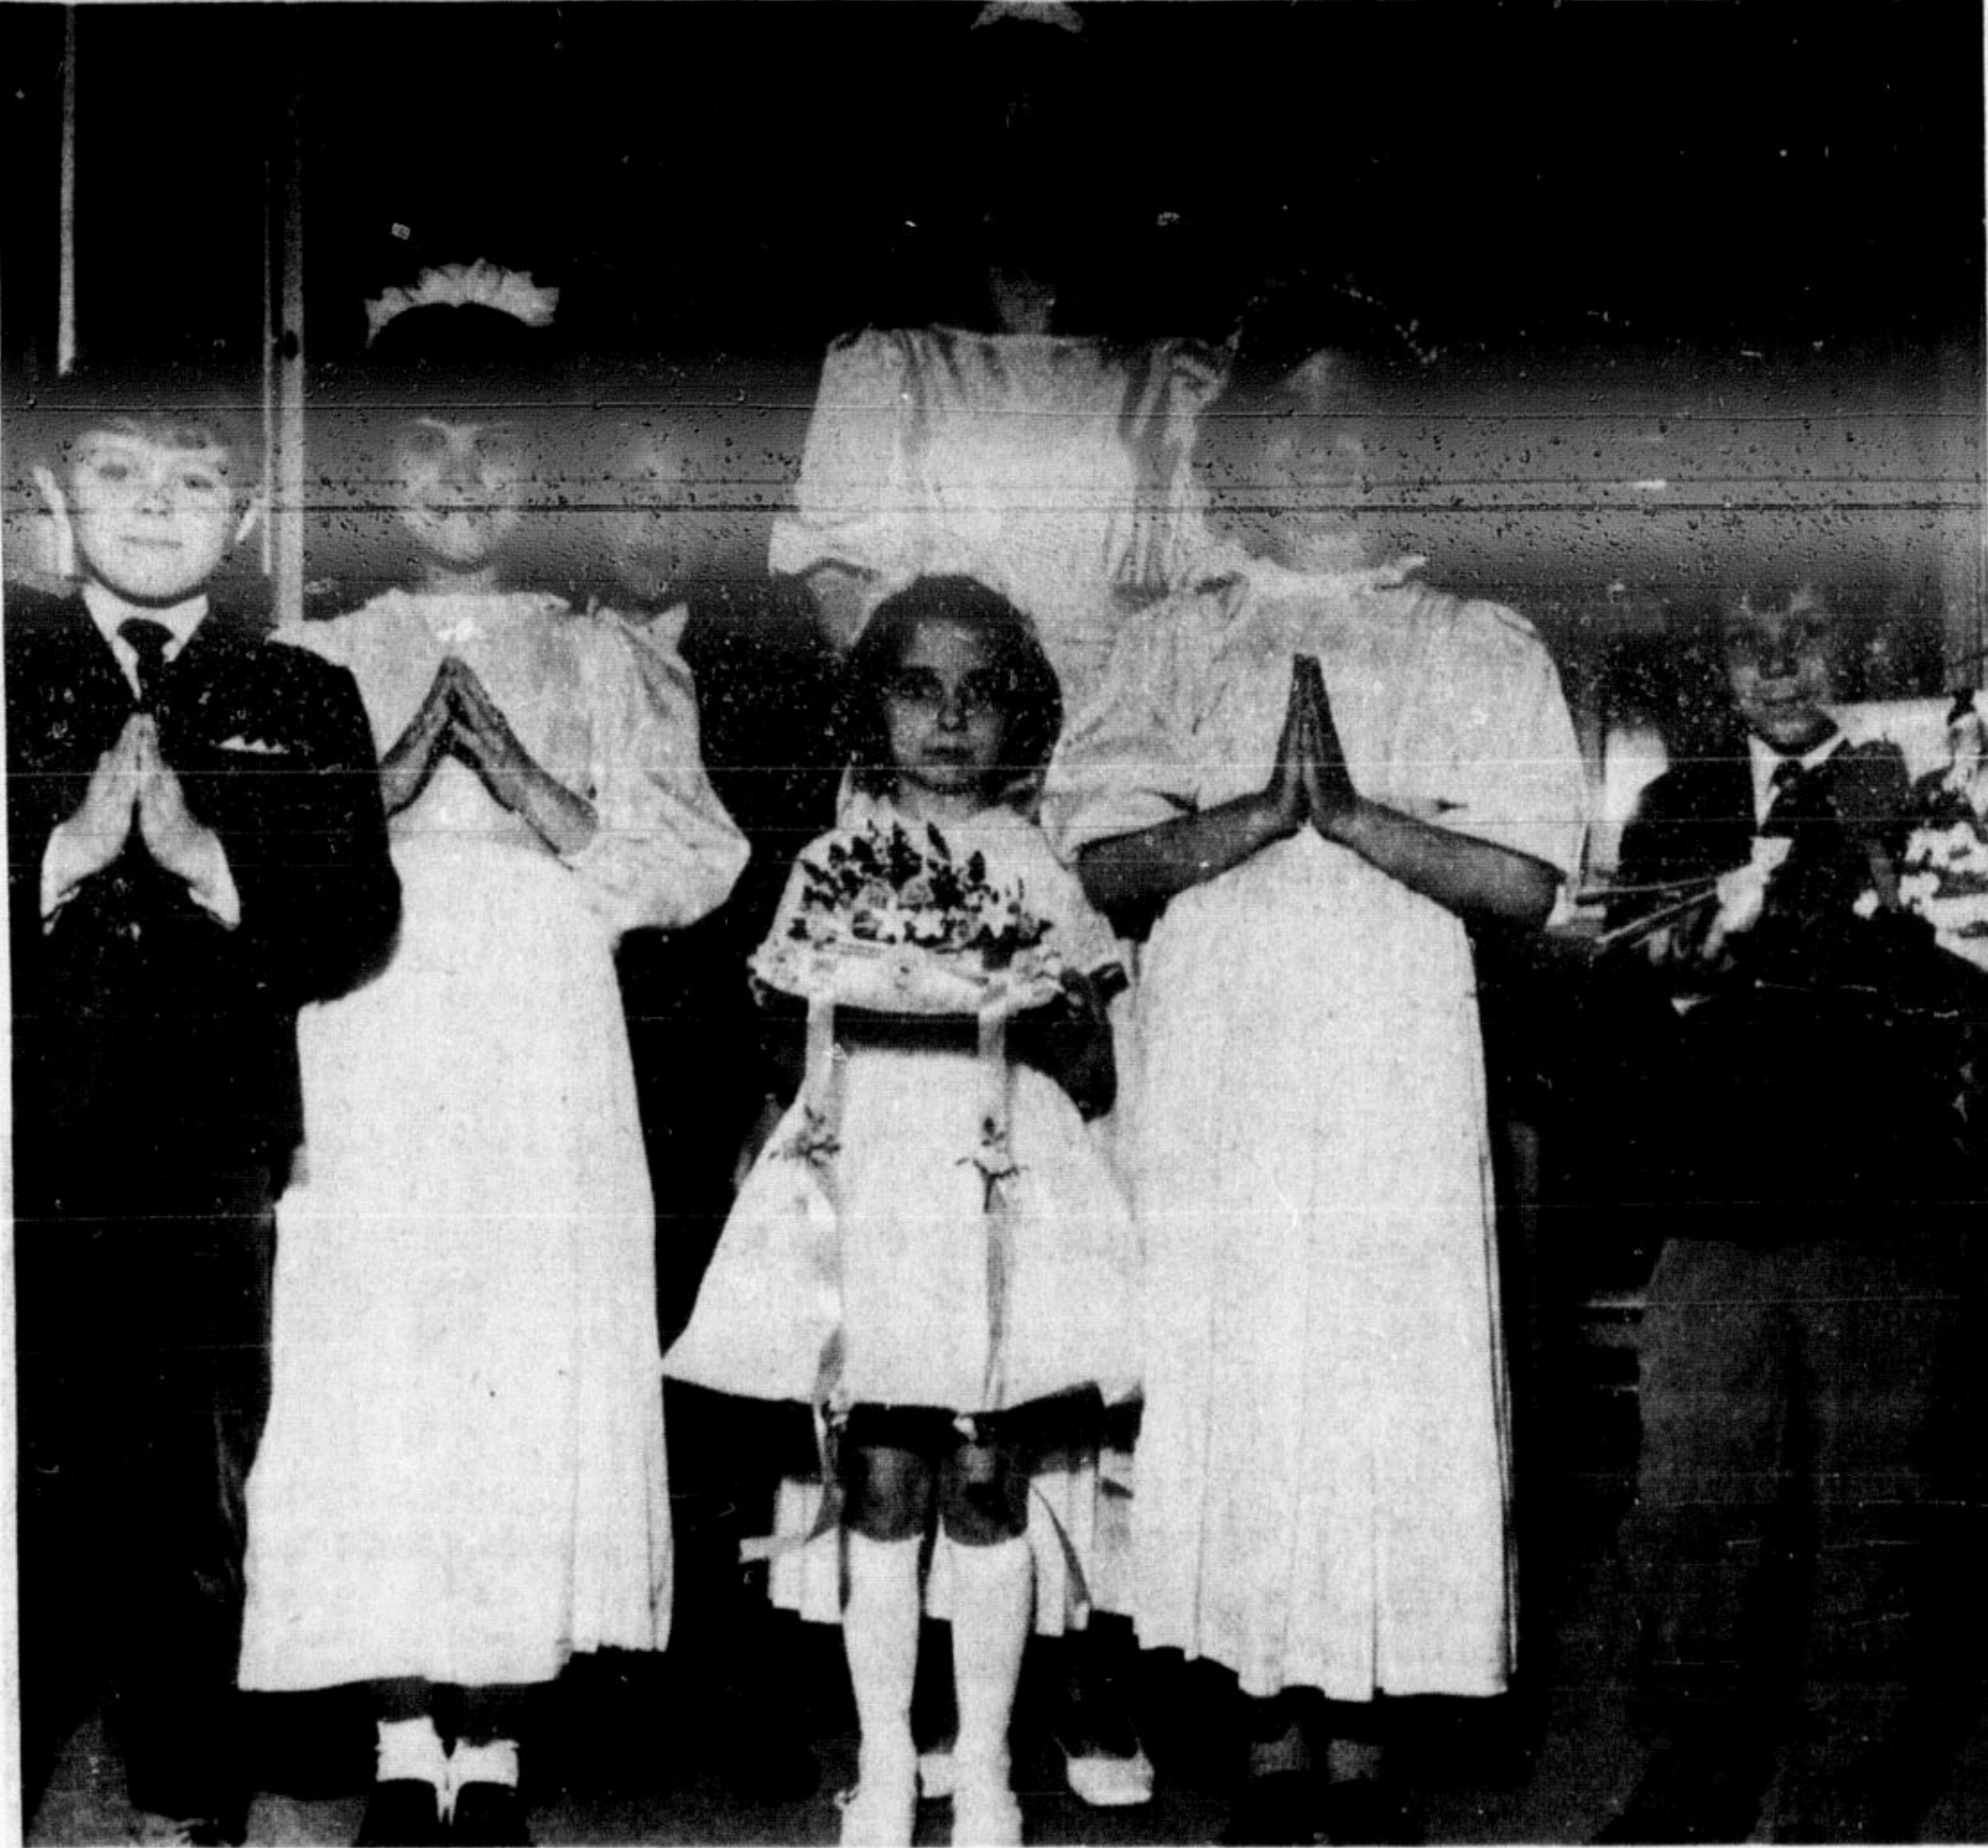

over the estimates and has been delayed.

- * Noted an objection from John G. Elliott on a proposal to convert the Milton Medical Arts building on Martin St. into apartments. Council did not concur with the objection and passed a motion reaffirming their earlier stand favoring use of the building for apartments.

- * Decided to rejoin the Central Ontario Regional Development Council at a fee of \$116.

- * Accepted a bid from Municipal Spraying and Oiling Co. to resurface town streets with asphalt emulsion, sand and chips. Members noted there was

THE ANNUAL MAY CROWNING CEREMONY was held at Holy Rosary Church on Wednesday evening of last week, with students from the school participating in the service. Among the members of the crowning party were John Cairns,

Crystal Chuchmach, Nick Klip, crown bearer Tory Duignan, Marjorie Geist who crowned the statue, Maureen Bradley and Joey Galipeau who carried the lilies, above. Below, the students paraded to the church behind the school banner.—(Staff Photo).

Senior citizen apartment approved by Milton Committee of Adjustment

Despite recent objections the site was too far away from the downtown area, an application for approval of Milton's senior citizens apartment project was approved with virtually no objections at a hearing of Milton Committee of Adjustment on Wednesday.

George Wimpey (Canada) Limited, Toronto, applied to convey a parcel on the east side of Ontario St. N., with 289 feet frontage and an average depth of 150 feet, to be used for a senior citizens home. It was passed unanimously by the five-man Committee of Adjustment, on the condition the company dedicate a 17 foot strip of frontage to the town for future road widening purposes.

Wimpey will turn the site over to Ontario Housing Corporation and build a 36-unit, four storey apartment building on the land. The Wimpey bid of \$364,392 for the land and construction of the apartments was the lowest of three submitted.

Oakville and District Labor Council and a group of concerned local citizens recently circulated a petition objecting to the Ontario St. N. Site. The petition, bearing 1,000 names,

has been submitted to Halton East MPP Jim Snow, a member of the O.H.C. Milton Senior Citizens Club had also opposed the site but when it learned last week that many of its members were desperate for accommodations, they withdrew their protest.

Only person speaking at Wednesday's hearing was Harold Robinson, a solicitor for Chabert Investments Ltd. which owns the Bubble Bath Laboratories building next door to the apartment site. While not objecting to the senior citizens home, Mr. Robinson expressed concern that further building in that area will increase the flow in the creek which is already causing an erosion problem at the rear of the Bubble Bath building.

But Don Ennis, an engineer for Wimpey's who appeared with the application, said the Wimpey firm has an easement across its property and plans to carry all the drainage water from its proposed subdivision east of Ontario St. to the Sixteen Mile Creek. He predicted this would leave the drainage ditch at Bubble Bath "basically dry" and

Mr. Robinson appeared satisfied with this answer.

Committee of Adjustment secretary E. R. Pearen pointed out the town's engineer is presently working on a scheme

to drain runoff water into the creek, at a point north of Base Line Rd. This would cut the water problem in the area between Base Line and the CPR tracks in about half, members of the Committee agreed.

HALTON COUNTY BOARD OF EDUCATION

SUMMER SCHOOL '70

Gordon E. Perdue High School

24 Margaret Drive, Oakville

July 6 to August 14

Credit courses offered in high school subjects Grades 9 to 13.

High school and adult students eligible to attend.
