**Won't accept garbage from other towns**

Esqueing Township needs less garbage, councillors said at the regular meeting of council Monday night.

Reg Clark of Milton told Reeve George Currie he had bought a cartage business from H. W. Herensberger. The former owner lived in Esqueing and three times a month had carted garbage from Loblaw's in Milton to the Esqueing dump.

The new owner asked for the same privilege, but councillor Ken Marshall said, "we'll thank him for his information and say no thanks to the garbage." Council passed a resolution saying no garbage from outside the township would be accepted at the township dump.

**House fire**

Milton Fire Department were summoned to a dwelling fire at the home of Gordon Sutton, R.R. 3 Milton on Monday evening. Something burning in the fireplace had ignited a wall partition and the local fire brigade was called.

Fire chief A. E. Clement said most of the damage was restricted to the wall partition, studding in the attic above the fireplace and gable at the end of the house which was singed. The fire broke out at 7:10 p.m.
