A BOCCO COMPETITION and a family picnic were on the agenda for members of the Italian-Canadian Club of Milton Sunday afternoon. Over 150 members and guests gathered at a bocce court at Milton Heights for a day's fun. In this photo referees watch as the men roll the balls at the "kitty" in the game

THE CHILDREN HAD FUN pitching horseshoes at Sunday's Italian-Canadian Club family picnic outing—when they weren't busy eating hot dogs and hamburgers or putting away cans of soft drinks. A group watches as players Roger Dal Bello and Danny Michon measure up a pair of close ones. The club members had a tournament and Vince Crisci and Alfredo Bonin were first prize winners, Mose Mazzarato and Guido Tonin second.

NASSAGAWEYA
Township Council
BRIEFS

During a regular meeting of Nassagaweya Township Council Monday members:
—Learned \$133,878.33 in taxes had been collected this year which represented 26.56 per cent. The amount was compared with 23.13 per cent to date last year at this time. Outstanding taxes from 1969 and prior totalled \$35,000 and a list was to be prepared.
—Were advised there is no difference in the provincial license required for a wrecking yard and a holding yard for vehicles. A Class A license would be required for each property on which vehicles are wrecked or stored, it was learned.
—Received support from the Township of Lambton for the resolution circulated calling on the Ontario Provincial Police to enforce local municipal by-laws.
—Agreed to have planning board and council study land use by-laws proposed for Pushlinch to insure land uses in the adjacent township were compatible with those in Nassagaweya.
—Accepted the recommendations of the Road Superintendent to erect a hidden driveway sign at lot one, second line.
—Approved payment of current accounts of \$1,438.53 and road accounts of \$25,662.01.
—Received a policy outline from the Department of Lands and Forests on the removal of beaver from the north end of the township. Two beaver have been removed and others are to be captured for transplanting.
—Renewed the wrecking yard license of Don McLean.
—Refused to act to close an unopened road allowance in the north east half of concession five between lots 30 and 31. Investigation showed in 1858 the owner of the property gave a deviated road allowance and was allowed the use of the unopened road allowance until the township wanted to use it otherwise.

Burning Rectal Itch Relieved In Minutes
Exclusive Healing Substance Relieves Pain As It Shrinks Hemorrhoids.

If you want satisfactory relief from "itching piles"—here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain—actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.
In case after case "very striking improvement" was noted, even among cases of long standing. And this improvement was maintained over a period of months!
This was accomplished by a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation "H". Ask for it at all drug stores—satisfaction or money refunded.
