

**Game & Fish News**

by Arn Coulson

August. Hot! Dry, humid weather sure is not good news for the fisherman. And most of us tend to just forget about it for a couple of weeks. Not so with two lads from Kilbride. Don Mackie and Joe McKenna decided to go farther afield and went up north to Matachewan and paid it paid off.

Don and Joe dropped in on their way home last week to show me some lovely walleye, one of six and a half pounds and another of eight and three-quarters pounds. That's a lot of good eating. Don says they were caught in the Montreal River. He says the people up there are real friendly and showed them some good places to fish. They also caught their limit of speckles.

**Picnic**

The Halton Sportsmen had a successful picnic and wiener roast for the kiddies last month and it was well attended. All Club members remember the deadline for paying your dues is 10 p.m. of the September meeting.

All Coho fishermen should have your gear ready and be fishing because they are biting right now at the mouth of the Humber and Credit rivers. Three fishermen from Acton caught 21 fish last week at the outlet of the Credit river at Port Credit. Some weighed as high as seven and a half pounds. Most fish we are sorry to report were marked by lampreys.

**37 lb. trout**

We think the lake trout trophy this year will go to a guide 25

miles south of North Bay. He caught a 37 lb. lake trout which took him five hours to land. The fish was 43" in length and had a girth of 27". He was using a home made jig with a yellow head and white feathers as a tail.

**Turn to hunting**

As the fishing season swings into the last quarter of the year for most species most of us who love the outdoors turn our thoughts to hunting this fall. As a hunter, and I hope some sort of a conservationist, I am grieved by the dwindling supply of game and wildlife. I also am concerned as is any other sportsman worth the name, about the number of farmsteads being posted, the number of sloughs and swamps being drained and pasture broken. These so-called "useless" farm acres are being cultivated to add to the grain glut.

As sportsmen we should also be concerned about the bottles and trash, open gates, broken fences, wounded animals and signs purchased with tax dollars, most of this all done by a few who think they have bought Ontario with a three dollar hunting licence.

For every problem there must be a logical solution, more and more the private landowner is supplying the game we hunt, but as yet in Halton no mutually satisfactory way has been found to get the hunter and farmer and councils, together. Surely the Halton Sportsmen and most of the other hunters in Halton have been trying. Have you?

JOHN KELMAN IS hoisted high by fellow teammates after Milton Lions Bantams won the Halton County Bantam Championship at Rotary Park Saturday. Milton battled Oakville in the final game after beating Waterdown 9-0 and Oakville had beaten Brampton 10-3—(Staff Photo)

**Bantams win tournament become Halton Champions**

Milton Lions Bantams battled their way to their second consecutive Halton County Bantam Baseball Championship, defeating Waterdown in the first round and Oakville in the final game of the tournament. The Bantams found Waterdown an easy victory trouncing them 9-0 but had to play their best to hold Oakville back until the sixth inning when the big Milton bat broke loose for a five run rally.

Both clubs were scoreless for the first two innings of the final game. Mark Grenke brought Milton fans to their feet with one of the longest hit balls ever hit by a Bantam. Grenke's long shot rolled to the changing rooms for the swimming pool at the opposite end of the park and brought in three runs.

Homer sparks rally  
Grenke's homer put Milton ahead 3-2. Oakville had taken a two run lead in the top of the third when Hanacher walked and scored on a triple by Brooks who eventually scored to make it a short lived 2-0 lead for Oakville.

Milton substantiated their 3-2 lead when they scored twice in the fifth and then rallied for five in the sixth to lead 10-2. It looked like big things for Oakville in the final inning when they got five men to first base but only scored two runs to end their threat.

Grenke's third inning blast was the biggest single play of the game. Grenke scored three times in the game on a home run and single and a walk.

Other Milton hitters included

big consistent Wade Bekar who singled twice and doubled in four trips to the plate. Bekar pitched Milton to the victory facing all but the last out in the ninth inning.

**Other hitters**

Ken Fay doubled and singles went to Hull, Rigo, Kelman, McCann and French. Brooks singled and tripled for Oakville while Mazzi had a pair of singles and Manacher singled twice for Oakville.

Grenke pitched five and two thirds innings of the first game holding on to a no-hitter. A hot shot through the infield in the sixth by Bailey of Waterdown broke the magic streak. Grenke gave up one more single in the final inning to Pett. The husky Milton hurler faced only 28 batters of a lowest possible 21 in the game.

Milton jumped to an early 3-0 position in the second and added four to that in third and made it 9-0 with a pair of runs in the fifth.

CConnell hits three  
Connell singled twice and tripled in three trips to the plate for Milton while French and McPhail singled, Bekar tripled and Fay punched a double. Wild pitches,

hit batters and errors all contributed to the lopsided score. The battle between Oakville and Milton in the finals was an appropriate way to finish the season because Milton's only loss during the season was to Oakville. Oakville proved they had some power when they trounced Brampton 10-4 in the semi-final.

In presenting the trophy convenor Neil Campbell told coach Doug Hyatt that Milton was the only team to have won the trophy twice in a row on two occasions. He added no one has won it three times in a row yet.

**Hyatt pleased**

Coach Hyatt was elated with victory but noted his club would have to tighten up if they were going to go far in the OBA playoffs. "We had a lot of fellows who played three or four games in the last two days and some played in three games today," he said.

Considering his pitching staff Hyatt remarked, "We're well set for pitchers. We've got Wade (Bekar) and Mark (Grenke) and with Laurie Rigo to back them up we should do all right. I think we'll go a long way in the Ontario playoffs," Hyatt said.

**Bantam B's end on top**

Milton Bantam B's finished first in their league winding up their season last week and will now await results of the series between Campbellville and Acton. They'll play the winner of that series for the championship. Streetsville was the only other team in the league and they have dropped out of the playoffs. Both the semi-finals and the final series will be on the best two out of three basis.

**Mohawk in action**

Action in the Golden Horseshow Circuit will swing to Campbellville for a six week stand at Mohawk Raceway. The session will get underway Oct. 26 and conclude Dec. 5.

**Ellis runs 3rd in feature**

Jim Ellis won his first start of the night Saturday at Acton Speedway but dropped to third in the feature. He lost out to Larry Majury and George Wrigglesworth in that order. Wrigglesworth finished second behind Ellis in the first race but beat him in the feature. Glen Speers placed third in the first race.

To help reduce the risk of heart attack, the Ontario Heart Foundation recommends a diet that uses less animal fats and fewer cholesterol-rich foods, such as eggs and organ meats.

**C'ville starts playoffs meet Little Britain**

Campbellville will start in the Ontario Baseball Association playoffs this Sunday in Campbellville. The opposition will be Little Britain who will be representing the Eastern Ontario Baseball Association.

Little Britain has been very prominent in baseball in the Lindsay area. It has not yet been decided when the second and third games will be or whether or not there will be any night games in Little Britain.

Hectic schedule  
Campbellville will be going into the game after a particularly hectic schedule as to-morrow night (Thurs.) in Dundas they will be completing eight games

played in sixteen days. They will also be missing some of their key players this weekend through holidays or shift work but manager Earl Cairns has been experimenting a lot lately and feels that he has adequate defensive replacements.

Best of five  
This series will be a best of five with the winner going directly into the Ontario finals. There are four other teams competing and they will be playing two out of three series until they have a winner to meet the survivor of the Little Britain, Campbellville series.

The game this Sunday will be at the regular starting time of 2.30 p.m.

**Pee Wees blasted from Halton county**

Losing 9-0 in the sixth inning and after a number of disputes between Milton coaches and umpires, Milton Pee Wees (Brownie's Bombers) were ejected from the Halton County Pee Wee Tournament. Pee Wees were losing 9-0 to Waterdown when the game was called.

Alec Tonelli was ejected in the third inning after disputing a call and in the sixth when manager Val Caputo continued to exchange barbs with the umpire

even after he was ejected the game was awarded to Waterdown. Waterdown met Burlington in the finals.

Caputo was critical of the umpires after the game. He said poor calls by officials hampered the team spirit for the Milton club. "He riled our whole club," Caputo said, referring to the base umpire.

Milton will see action in the OBA probably this weekend but the time or opposition hasn't yet been declared.

**Tykes beaten out by Burlington club**

Burlington Tykes put Milton out of the Halton County Tyke Tournament in a 14-4 decision Saturday at the Tyke playoff tournament. Even though Paul McCann did a good job pitching for the first five innings before he was relieved Burlington held a substantial lead through the entire game.

**Preston hits C'ville but couldn't cash in**

Campbellville defeated Preston by a 7-5 score in Preston Saturday afternoon. It was rather a weird game that saw Preston outwit Campbellville 14 to eight but commit seven errors while Campbellville were playing errorless ball.

Ortwein started for Preston and went six innings. He was relieved by Maurais with the bases loaded and none out in the seventh. Between them they allowed seven runs on eight hits. They struck-out five and walked five. "Pie" Lee started for Campbellville. He allowed one single in the first but ran into serious trouble in the second and was yanked after giving up five straight hits including a triple to Schmidt. Garney Mitchell came in with just two days' rest and shut Preston out over the next eight innings. He allowed eight hits, struck-out three and walked two.

**Take lead**

Campbellville jumped into a 3-0 lead in the first inning when Dredge and Clement singled and both were driven home by

Hearn's slashing double down the left field line. Hearn's in turn came in on Faggion's single. In the top of the second they built the score up to 4-0 when Lang was safe on an error, stole second, and raced all the way home when the right fielder bobbled Clement's single.

The bottom of the second was when Preston did all their damage. Three singles loaded the bases and Schmidt cleaned them off with a triple. Ortwein's single drove in Schmidt and Mitchell replaced Lee on the hill for Campbellville. A wild pitch and two more singles drove in Ortwein with the fifth run of the inning.

There was no more scoring until the seventh when Dredge singled, went to third on Clement's single and was then forced home by two consecutive walks to tie the score at 5-5.

**Trapped at second**

The game was won in the eighth as Preston fell apart defensively. Mitchell was safe when the first baseman dropped a throw. He then appeared to be

trapped off second when the right fielder dropped Lang's fly but two bad throws in trying to get him resulted in Mitchell ending up on third and Lang on second. Both scored on passed balls to make it 7-5.

Doucette had four hits for Preston. Cripps doubled and singled, Schmidt tripled, and Swaniga, Cassidy, Maurais, Gilow, Lee, Anderson and Ortwein all singled.

Rick Clement led Campbellville's attack with three singles. Elmer Dredge and Loris Faggion each had two singles and Don Hearn's doubled. Campbellville once again played excellent defensive ball.
