Fanny may visit Ottawa to meet Russ and Trudeau

By Donna-Jane Byers
Boots to Elgin! We really gave Lord Elgin a kick in the pants this week!

We blasted three of their teams in competition: 1-Girls Volleyball, 2-Boys Hockey and 3-Exhibition Badminton Tourney. In the ladies direction, both the juniors and seniors mangled our former buddies three games to zip. The Senior Elgin team is very strong with their champion spiker Karen Langshaw, but they still can't handle the well drilled Robinson squad. Ha Ha Watch out Nelson!!

We're number one! The boys hockey hunk ka-zonked the Elgin crew 10-2 early this week. That win gives us sole possession of number one spot!! The Halton-Peel standings are: Robinson 16; Nelson 12; Central 8; Aldershot 7; and Lord Elgin 5.

In exhibition bird batting, our young team schmozzed the Elgin team 13 out of 16 games. We should be in fine-feathered-form for the coming tournament.

The GAA are beginning to climb out of their pre-Christmas slump just in time to combine with those delectable cheerleaders for a dance. Preparations are still underway but a Valentines dance seems to be the favourite.

Fanny to Ottawa?

Special, special news for all you number 12 football fans. Russ Jackson may be coming to Robinson. Great eh? Our annual athletic banquet is coming up the end of May, beginning of June and we need a guest speaker. Look out Russ, here she comes! We thought we'd send Fanny Football up to Ottawa to 'hustle Russ'; she's warned us she may drop-in on Pierre for a drink and chit-chat on foreign 'affairs'! Naturally we've confiscated her expense account!

Those idiots of the ice are at it again. The Ice Fools are on tap for Feb. 1st. From 7 p.m. to 8 p.m. it's the hockey team vs. the tremendous teacher squad. Then free skating from 8-9. Get your tickets this week.

Sagging support

Sorry to say our drama club is sagging in support. President Wendy Smith had planned to enter the Simpsons Drama Festival with a new play. But due to lack of interest, the group has decided to produce the play for experience and enjoyment.

Coming up

1. Girls Volleyball-Wednesday Jan. 27 - at Lord Elgin.
2. Wrestling- Thursday Jan.

28 Cayuga, Hagersville and Burl. Central.

UP TIGHT: 1. Talented Teachers strike back... See them in action at the '71 Ice Fools... Feb. 1, Mountsides Arena.

2. Quest '71 with the sights and sounds of Robinson!

Dance

Milton District High School reporter John F. McIlwraith Jr. reports there's not much news from MDHS this week, but promises a "special" report for next week's issue.

Meanwhile this Friday the "wavy" sound of "Ocean" will be featured at the big dance at the school, 8.30 to 12. Admission is \$1.50 with student ID card, \$1.75 without.

If at first you don't succeed, you're running about average, or maybe even above.

Champion YOUTH

White Oaks Secondary School

Curriculum on display

By Pat Ford

This week any interested parents, grandparents or Great Aunt Marthas received an open invitation to come and see just exactly what Johnny and Susie do all day in that very venerable institution known as White Oaks Secondary School. Members of both the staff and the student body presented displays concerning all subjects of our curriculum for an audience of 800.

In the A (for academic) wing, classrooms on all three floors were open with the books, tapes, records and films used in all the subjects, along with a few little extras (like the working model of the guillotine in Mrs. Moore's History room). In the gyms students used some of the equipment to demonstrate badminton and gymnastics. The shops and drafting rooms of the Tech wing displayed some of the students' real, concrete accomplishments, along with the artwork in the Vocational Art room.

The C wing was the centre of most of the activity, with the Junior Band in the Music Room, the displays in our soon-to-be-expanded library, and performances by the Theatre Arts class on the stage. One feature that most residents of WOSS were unaware of is the telescope built by former

students in past years and long hidden away in the dark depths of the Tech wing. However, for this occasion it was moved into the cafeteria, along with a model of the building which will be built to house it.

Nobody says too much about our wrestling team. You can see them running up and down the stairs and through the halls of the gym wing almost every night, with WOSS' very own Ti-Cat, Doug Mitchell right in there with them. But all the same, nobody talks about them too much. It might have something to do with the fact that they don't have a game schedule leading to playoff positions like most of our other school sports, since the matches the team has with other area schools are more or less a preview of the competition for the tournament.

Close defeat

But just because they're not loud, that doesn't mean the team isn't good. Last year we lost the tournament to Perdue (the old masters) by only two points that

somebody found in a recount at the end of the day, and this year the team has won almost all their matches. This week the boys got into their last month of training before the tournament, which WOSS will host on Feb. 20, with a home match against Gordon Graydon and T. L. Kennedy. White Oaks got some stiff competition from Graydon, and won by only 65-64, but Kennedy finished so far back we won't have to worry about seeing too much of them in the future.

FAST PAT-TER: Plans for the BAC-GAC chocolate campaign are going full throttle with advance orders now being taken and the arrival of the goodies January 28... prizes for top salesmen will be awarded at the Valentine's Dance Feb. 11: a portable TV, a combination radio and tape recorder, and a digital clock... the prize for the phys. ed. class selling the most will be a free morning at either Kinoak Arena or the Centennial Pool, with Kentucky Fried Chicken supplied.

120 students participate in annual school operetta

More than 120 students will comprise the double-cast of "The White Gypsy", this year's annual operetta to be held at Martin St. School March 17 and 18. Casting for the operetta was completed last week and students not directly involved in the production of the play, will help with make-up, lighting and stage arrangements.

Several male students at Martin St. School helped set up beds and tables for the first 1971 blood donor clinic on Thursday. Student teachers will visit the school for a week beginning Feb. 1.

Basketball started

Basketball is well underway at both Holy Rosary and Martin St. Schools. The boys of Holy Rosary played their first exhibition game against Martin St., defeating the Martin St. Squad by a 32 point margin. The Holy Rosary girls went down to defeat at the hands of the Martin St. girls 22-6. Return matches were played at the schools on Friday.

The boys basketball team also tested their skills against the male teaching staff of Holy Rosary on Monday night.

On Thursday grade eight pupils enjoyed orientation day at Milton District High School. The group was also entertained for lunch by staff and students of the high school.

Students in all grades are preparing their speeches for this year's public speaking contest.
