

# Bombers stay tough win three big games

Milton Brownies Bombers scored three lopsided victories this week with an 11-6 win over Brampton Friday, a 9-0 whitewash over Streetsville Saturday and a 12-4 win against Waterdown Monday.

Roger Clement, Paul McCann and Hap Perrott were the winning pitchers for Milton in their three games. Clement and McCann went the distance and Perrott relieved Bob Burke after two and a third innings on the mound.

Bill Russell tripled and singled

for the Bombers in the first game while Bob Burke tripled, Perry Caputo doubled and singles went to Hap Perrott, Roger Clement, Gary Dance, Paul McCann, Eric Ellison and Gerry DeKoeber.

Greg Coughlin was the losing pitcher for the Brampton club.

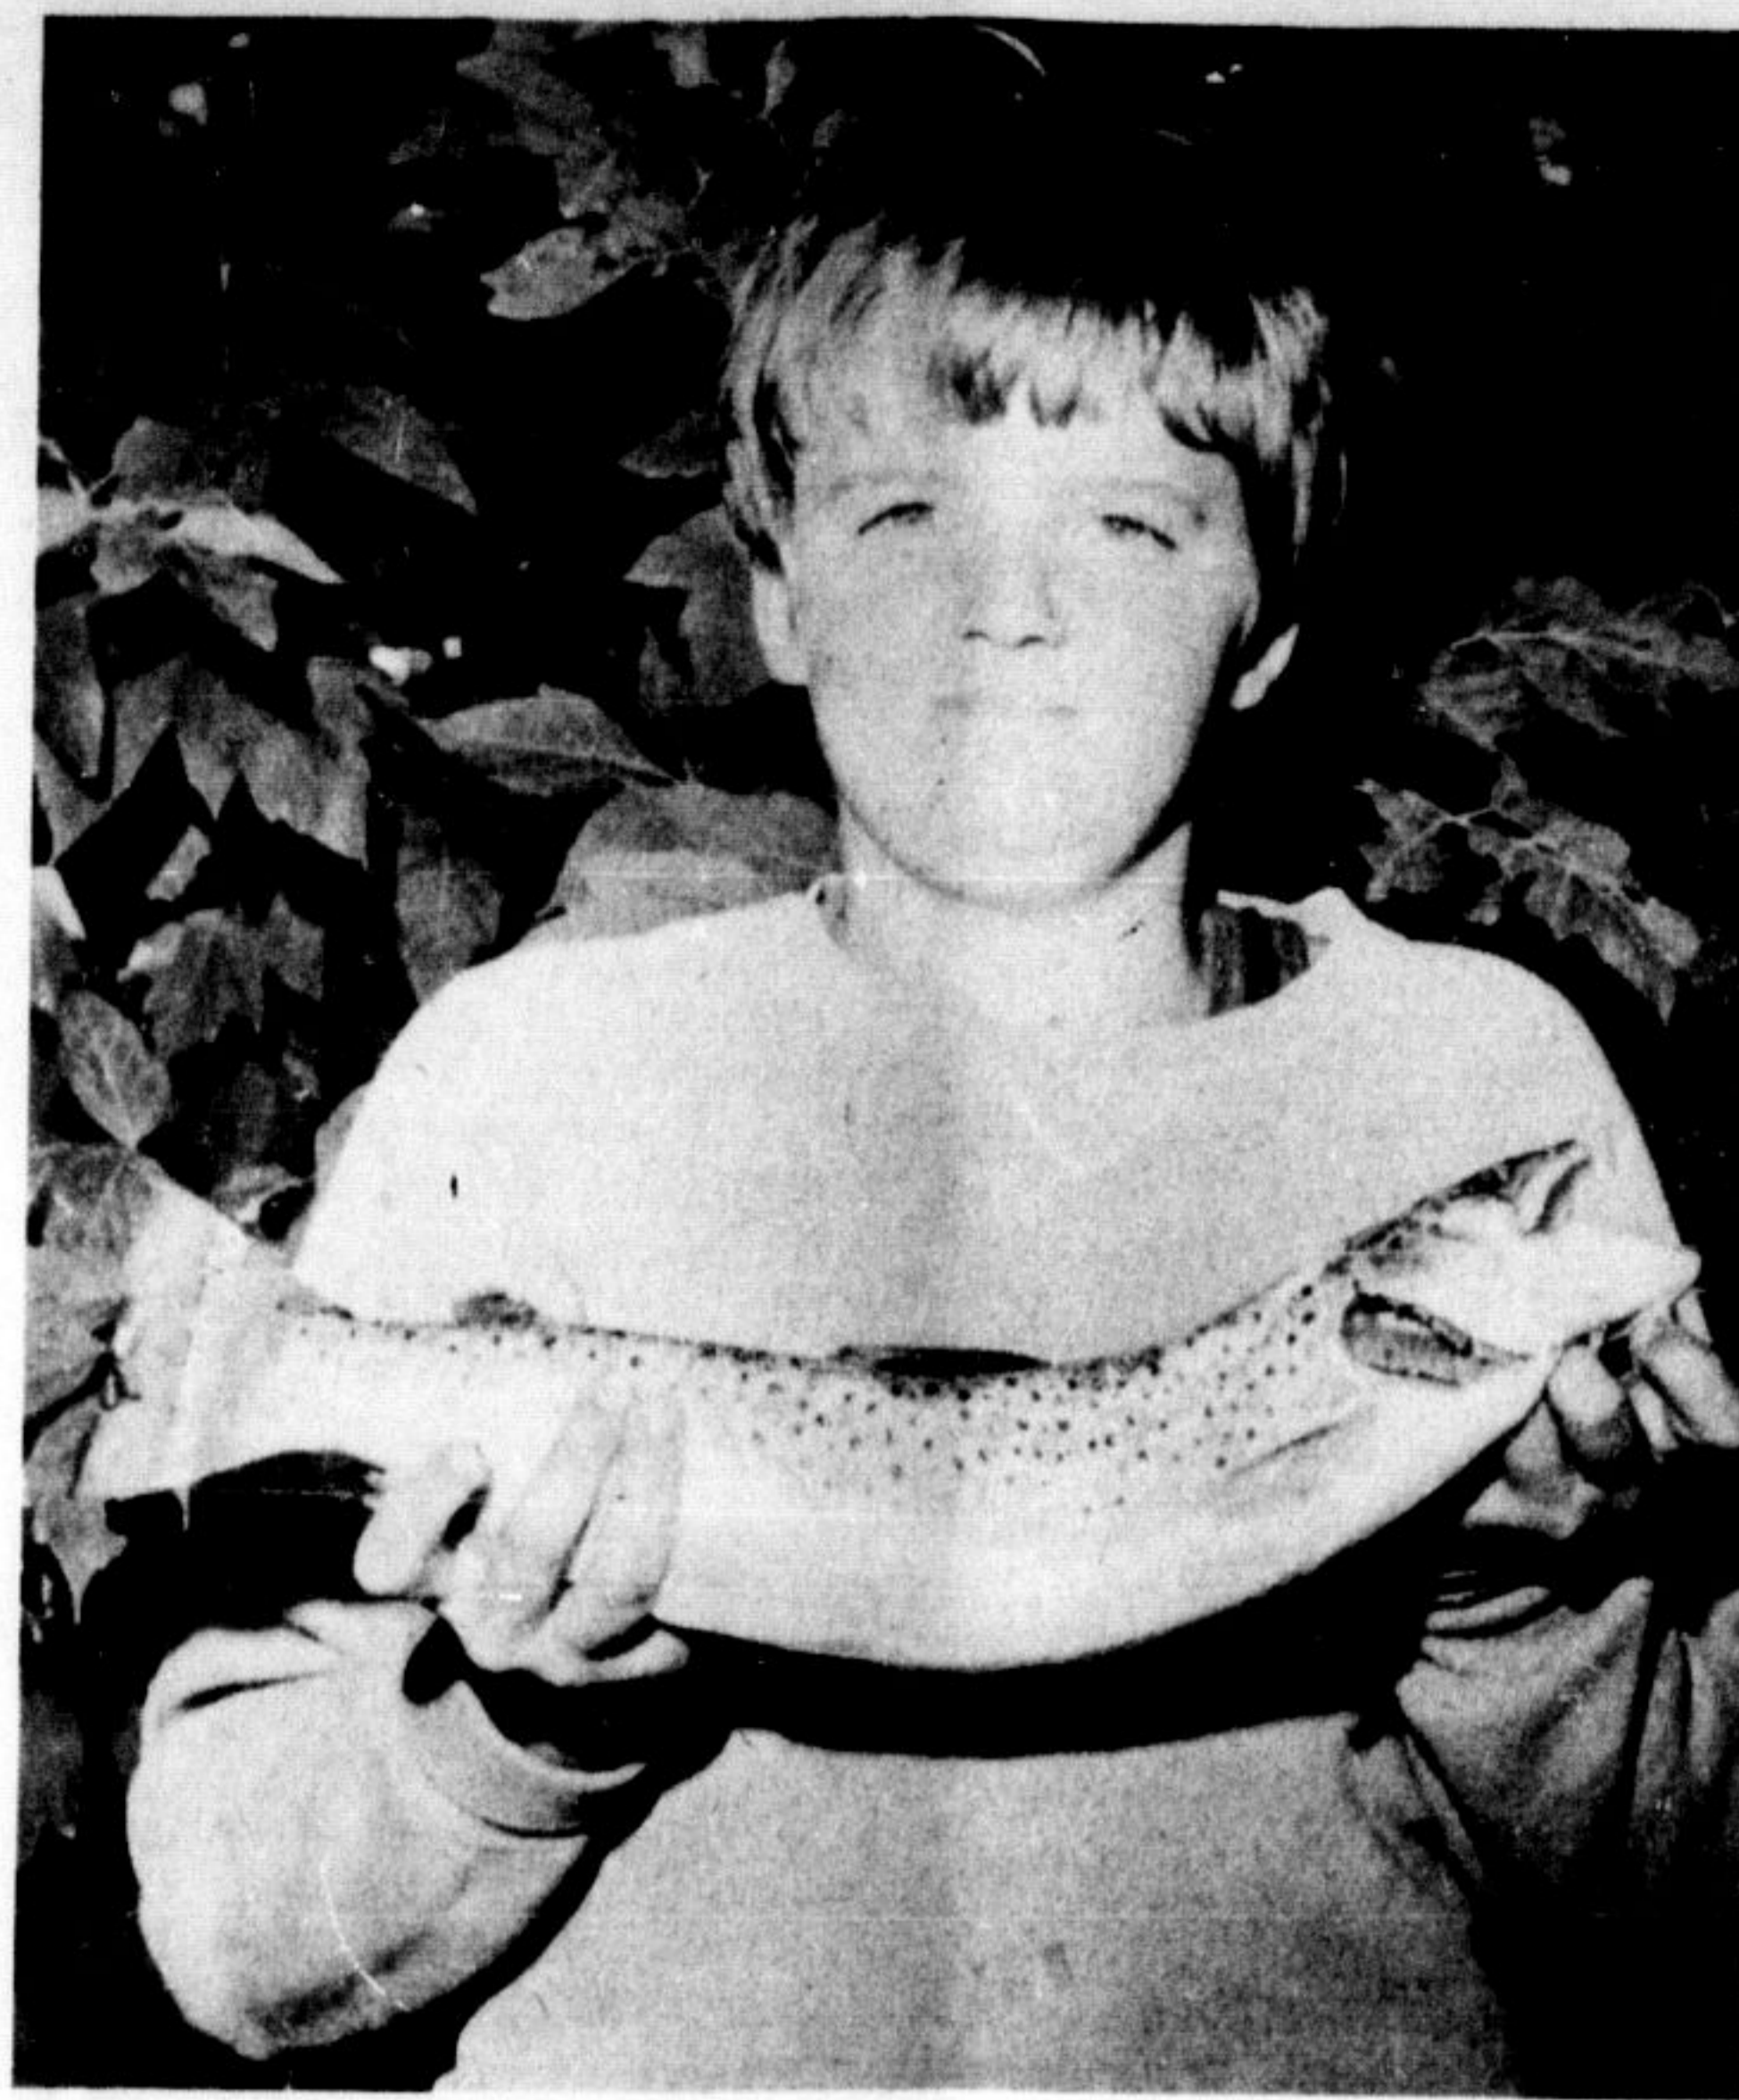

### Clement big hitter

Roger Clement doubled and singled for the Bombers in the Streetsville contest. Gary Dance and Perry Caputo singled twice each while Bill Russell, Paul McCann, Eric Ellison and Jim

Clarridge all singled. Les Campbell was the losing pitcher for Streetsville.

Roger Clement continued his long ball hitting with a triple in the Waterdown game and added a single and double to his record. Perry Caputo singled three times while Bill Russell, Hap Perrott, Mark Thomson, Paul McCann, Eric Ellison and Robert Burke singled.

Jim Houston suffered the loss on the Waterdown mound. Milton pitchers gave up 12 hits in three games.

**PERRY CAPUTO DISPLAYS** his 21 inch brown trout caught at Kelso Monday. The fish still had a hook from where Perry's father had caught it once before, and one other hook. Perry was the third fisherman to have a chance at the catch and the first one to score.—(Staff Photo)

# Scott Gadd leads C'ville

Campbellville Bantams, behind the brilliant pitching of Scott Gadd and Danny Baynton, defeated Streetsville 17-3 in Campbellville Monday night. The "big green machine" struck for eight runs in the first inning, and scored in every inning except the fifth.

John Hambly had a triple and single for the winners, Steve Hokansson singled twice, Carey Moore tripled, Dave Wright doubled, while Tim Roberts, Charles Currie, Scott Early, and Danny Baynton singled.

### Three RBIs

Carey Moore had an outstanding game as his triple drove in three runs, and he scored four times on the hit and three walks.

Campbellville play in a tournament at Dorchester, Ontario this weekend, and are back home next Monday when they host Oakville.

**WHAT IS IT?** Can you guess? It's a prominent landmark in the core of Milton, one you might pass by daily but you won't see it until you look awa-a-ay up high. Give up? It's a contraption atop the uppermost storey of the Robin Hood Multifoods mill on Martin St.—(Staff Photo)

# Moffat girls chalk up tenth win in 15 games

Moffat girls, 15 and under, defeated Glen Williams 25-20 July 2, after losing to the same team 28-11 the previous Friday.

The girls walloped Morriston 39-5, July 7. Pitcher Kim Henderson struck out five, while Melanie Sokolowski and Sandra Inglis each caught two flies.

The Morriston pitcher walked 17 and struck out only three Moffat batters. The game was called at the end of the fifth inning on account of darkness.

### Tenth win

Friday, July 9, the girls chalked up their tenth win of the

season, 34-19 over Ponsosby.

Leadoff hitter Lila Dennis homered in the first inning to start the rally. Kathy McLure also belted a home run in the second inning. Moffat drew 11 walks.

### Fan four

Pitchers Linda Dennis and Kim Henderson struck out only four and walked 15. However, nine outs were made on fly balls. Kathy McLeod caught three, Melanie Sokolowski and Kim Henderson two each. Catcher Shelley Ismond and shortstop Michelle Sokolowski nabbed one

apiece.

The girls play Hillsburgh "A" tonight, Wednesday. So far the girls have a record of 10 wins and only five losses. Thelma Sokolowski is coaching the team with the help of Ed Sokolowski, Eleda Thomson and Barry Wood. Scorekeepers are Barb Wood and Tamara Thomson.

# Moffat girls win

Susan Thomson hurled her second no-hitter, as Moffat girls, 12 and under, shutout Rockwood 5-0 last Wednesday night.

Margaret Iutzi hit a three bagger to bring in two of the runs. The other runs were scored by Paula Kitching, Laurie Pierce and Donna McLure. Laurie Pierce played her best game of the year as catcher.

Moffat girls, 19 and under, put on quite a defensive show to beat Elora 7-5. Pitcher Sharon McCormick deserves a lot of credit for her fine pitching and defensive play. The other girls backed her up beautifully, but it was Sharon's game all the way. The Elora pitchers also did a fine job in holding Moffat girls to one and two hits each.

**Game & Fish News**  
by arn coulson

July and August need not be dog days to the fisherman. You have to fish a little harder, go a little deeper and find where they are feeding. You can now obtain for a nominal fee a good topographical map of the lake you are going to fish. These can be obtained from the nearest office of the Department of Lands and Forests or the nearest local Chamber of Commerce.

The maps can help you find the deep holes where pickerel and lake trout like to hide when the temperature gets too high to suit them.

For bass and pickerel, fish in the shallows at dusk and make as little noise as possible. On a northern lake a canoe is a real pleasure at dusk. Cruise out 50 yards from shore and cast for bass.

### Announce seasons

The game bird seasons have been announced for the fall and winter of 1971. In the northern section of the prairie (north of Mattawa and North Bay) the season for ruffed grouse, sharp-tail grouse or partridge as most people call them, is Wednesday Sept. 15 to Dec. 15. In the south which includes Halton and surrounding counties it is restricted to Oct. 2 to Dec. 15.

Bag and game limits are the same as last year, five per day and possession of 15. This means what you have at home in the freezer as well as on your person. Pheasant season in Southern Ontario is Oct. 13 to Nov. 11, 1971. Bag limit is three birds per day, one of which may be a hen. Hours of shooting begin at 8 a.m. to one half hour after sunset.

Figures released by the Department of Lands and Forests regarding hunting accidents in 1970 show 13 accidents occurred with no fatalities and six of these accidents involved persons 16 years of age or younger. None of the six were licensed hunters and none had taken hunting safety courses. The area included in that particular region includes Wentworth, Halton, Brant, Waterloo, Wellington, Perth, Oxford, Huron, Gray and Bruce counties.

Two accidents involved persons over 70 years of age and both had been hunting for more than 50 years. Once again loaded firearms in cars led all other causes.

### Largest bass

The largest largemouth bass ever caught in the world is 22 and a half pounds and it was caught in Georgia. The largest caught in Canada was 14 pounds and caught in Stoney Lake near Peterborough.

Largemouth bass thrive in cottage ringed lakes and are not as spooky as our smallmouth bass. They aren't nearly as much fun to catch, either. It is a rare scene when a smallmouth bass, once hooked, doesn't break water at least twice before being landed. Most lures will work for bass but live minnows, popping plugs and dew worms are favorites in that order. Plastic worms will work, when inched along the bottom. A trick that often works with a surface lure is to let it lie still, then twitch it every 30 seconds.

The Halton Sportsmen's Association is making final plans for what will be the biggest job they have taken on so far. The annual convention of the Ontario Federation of Anglers and Hunters is to be held at the clubhouse on Steeles Ave.

The affair is planned for Sept. 18 and 19 and entertains many dignitaries such as the Minister of Lands and Forests, several MP's, prominent businessmen and sportsmen from every walk of life. This means a lot of work for the executive and club members.

### Stock Scotch Block

Lands and Forests have stocked 2,200 trout in the beautiful new Scotch Block dam. Before you think of fishing or going on this property, please contact Murray Stephen, HRC manager. The authority is to be congratulated on a mighty fine dam and a worthwhile project. I was at the sod turning ceremony when the dam was started and believe me, it looks different now.

More dams of this kind are on the agenda of the authority. Unfortunately they will have to be slow in coming as we understand the money available to the authority has been drastically slashed. As Paul Coulson says, we can't understand this when the government sees fit to thumb their noses at one and a half million dollars in fishing licence fees this year.

Mike Brush of R.R. 2 Milton, who is well known for his rainbow fishing, along with friends journeyed to the east coast for some salmon fishing. On the Miramichi River in New Brunswick fishing is restricted to fly fishing and the salmon weren't up the river, but Mike reports some nice catches in speckles and a fine trip.

# I'll get him for you dad

Don't send a man to do a boy's job. That might seem backwards but not in the case of 13-year-old Perry Caputo who caught a fish—the one that got away a few days earlier on dad.

The proof is in the fish's mouth. When Perry landed the 21 inch brown trout at Kelso early Monday morning two hooks were still in the fish's mouth. Perry's father, Val Caputo recognized one as being his hooks. "That's my steel leader and that is the way I tie my hooks," Val said, noting he lost a fish there just a few days ago.

# Cardinals move into first place

Most recent league standings show Burlington Cardinals have pulled ahead of Leaside to hold first place in the Halton County Senior Baseball League. Campbellville is holding third spot while the gaps between the teams are starting to open more as the season progresses.

### LEAGUE STANDINGS (As of Monday, July 12)

Team	GP	W	L	Pct	GBL
Burlington	16	13	3	.812	-
Leaside	14	10	4	.715	2
Campbellville	12	7	5	.583	4
Waterdown	14	7	7	.500	5
Dundas	13	4	9	.308	7½
Preston	14	4	10	.286	8
Oakville	13	3	10	.231	8½

### BATTING:

Player	Top Ten (2.5 plate appearances per game)				
	GP	AB	R	H	AVG
Ernie Bodden, Dund	11	43	12	18	.420
Larry McPhail Camp	11	39	10	16	.410
Loris Faggion Camp	12	47	11	19	.405
Bill Weedon Leas	10	48	16	19	.396
Doug Cholewka Burl	11	40	11	15	.375
Alex Lockington Wat	11	36	5	13	.361
Jerry Sinclair Leas	8	33	8	12	.354
Randy McDonald Leas	10	37	2	13	.352
Jim Bannatyne Lea	8	40	10	14	.350
Larry King Wat	12	43	7	15	.349

### Personals

Mr. and Mrs. Gordon Sinclair and Mr. and Mrs. Cecil Baker of Lowville visited Mr. and Mrs. George Coulson at Fox Lake, north west of Sudbury, last week.

—It's pick-your-own strawberry time in Halton. The berries are big and beautiful again this year.

—Minor ball is in full swing in Milton but organizers expect a decrease in attendance when holidays hit their peak.

# New Convenience . . .

For men or women the ideal way to top off a new style cut is by blow drying the hair. Shelley Nilssen has recently completed special training in this faster technique. It's a time saver for men or women after a new style cut.
