She and several other youngsters dressed in costume and paraded to the park for a morning of fun and picnic lunch. Scorching temperatures even made young Julius (the playground mascot) thirsty for a cool drink.—(Staff Photo)

**HOT WEATHER** and the end of the school year combined to bring large crowds to the swimming pool and wading pool at Rotary Park in Milton last week. Here youngsters dash about and frolic in the cool water at the wading pool.—(Staff Photo)

**Rud Whiting, Jim Snow Want plaque for county are honorary members**

Two men who represent Milton constituents in the Ontario and Canadian parliaments have been named honorary members of Milton Chamber of Commerce. The honorary memberships—first to be granted to anyone—were awarded by Chamber directors at their July meeting to Halton MP Rud Whiting and Halton East MPP Jim Snow.

Necessity of keeping in contact with the elected representatives was stressed in a letter to the Chamber from Ontario Premier Bill Davis. The Premier said the government welcomes the opinions of Chambers of Commerce as spokesmen for the business community.

ago and directors were urged to sell their "Bermudarama" tickets as quickly as possible. The Chamber is offering a \$500 cash prize in lieu of the trip.

Plans were made for a Nov. 6 dance when the winning ticket in the "Bermudarama" dance will be drawn. Possibility of making it a Hallowe'en costume dance is being investigated.

Never cross the double solid line on the highway and don't try to pass on curves or hills. "Bring 'Em Back Alive!"

Members of Halton County Council agreed to accept the suggestion of former Milton Mayor G. F. Thompson to investigate the possibility of obtaining a plaque commemorating the name Halton, at a committee meeting of county council last week.

Council will apply to the Department of Archives and ask that the research be done and the plaque be provided under the Ontario Historical Plaque Plan.

White oak, not red oak, was used in making barrels.

**CREATIVE GAMES** are made up and practised on the grounds of Centennial Park. Milton Recreation Committee's summer program for students involves art work and learning by both students and teacher. Here five girls and teacher Mickey Goutouski (third left) make up a version of volleyball-kickball. "The program is designed to make the students create for themselves," said the instructor.—(Staff Photo)

**Buy litter bin**

Chamber directors expressed pleasure that the town council had followed their suggestion and arranged for five new litter containers to be placed in the downtown area. Six more litter containers are needed and the Chamber decided to purchase one from its own funds and line up sponsorships for five more from town service clubs, industries and businessmen.

**THE LAST POST**  
 Friends and comrades were saddened to hear of the death of Ray Green, who passed away on July 7. Many will remember Comrade Green who was an active member and executive officer of our branch when he resided in Milton. Funeral service was held on Friday, July 9 in Dundas. Comrades attending from Milton were G. Winney, J. Pearson and S. Rasberry.

**ENTERTAINMENT**  
 The Saturday evening clubroom dances are becoming a great success, now that live entertainment is being featured as often as possible. The large number of members and guests who turned out on July 10 danced to the music of the Don Hurren band and entertainment chairman Harry Allen is planning more of the same for this coming Saturday night.

**SPORTS NEWS**  
 It's bad news on the home front this week for Legion softball fans. Our boys were defeated 21-11 in their Tuesday night encounter with the Meters, and on Thursday night they lost to the Charles Hotel by a score of 10-8. Legion players were without the services of Brian Hilson who broke his leg in a previous game. Tough 'break', old man!

**PRESIDENT'S NOTE**  
 "I would like to thank all the kind people who on Friday, July 9, attended the benefit stag for Brian Hilson, held at the Legion Hall."
