

Omagh

Honor two brides, Steam group meets

By Mrs. Cecil Patterson

The members of Omagh Presbyterian W. A. and W. M. S. held the July meeting and picnic at Henderson Park on July 8. Beside the rippling waters of the nearby stream and shaded by a lovely old apple tree a most enjoyable afternoon was spent in the nicely kept grounds. Mrs. Robert Brownridge, president was in charge of W. A. business. A hymn and Lords prayer were followed by Scripture reading by Mrs. Florence Jeffcott, with comments on the lesson.

Serve 124 people

Mrs. M. Turner, secretary read a letter of thanks from a shut-in member Mrs. T. Snow, thanking for birthday cards and also for a card signed by all ladies at the June 8 tea at Omagh church when Boston W. A. were guests. She also enclosed a donation toward the July catering of the Steam Club at Boyne. Reports showed that 124 persons were served lunch and coffee at the Steam Club June meeting.

Several ladies offered to help prepare and serve the food at the next Steam meeting. Many articles were handed in for the fall bazaar, including a beautiful hand knit baby set by Mrs. J. J. Kendall, and nearly 20 pair of hand knit children's mitts in all sizes and colors beautifully made by Mrs. Clarence McCann.

A brief W. M. S. meeting was held with Mrs. C. Patterson in charge. Missionary prayer was read by Miss Margaret Douglas. It was decided to secure a speaker for the Thank offering meeting in October. The August meeting will be held Wednesday Aug. 4 at the church. Members will gather at 10 a.m. for a

quilt party. One quilt is to be sold and the other tied for the bale.

A pot luck luncheon will be served at noon. Ladies who would like to join the members and help work on the quilts are cordially invited. Roll call word garden was assured by all present. Several visitors were welcomed to the meeting. At the close, contests, games, a peanut scramble, lucky spot, thimble race, scrambled shoes, a walking race and novelty games were enjoyed by all, with prizes for old and young. A delicious picnic supper with goodies of all kinds and watermelon treat brought a pleasant fellowship to a close.

Members of the Ash and Zimmerman church and community gathered at Boyne Centre on June 30 to present their gifts and good wishes to two young ladies of their area on their approaching marriage, Miss Myrtle Speck and Ted Green of Toronto who will take their wedding vows in Bethel Church on Saturday July 17 were assisted by Miss Mary Speck in opening their many beautiful parcels. They expressed their appreciation for the gifts and the pleasant evening.

The second bride honored was the former Miss Reva Vansickle, who was married at a quiet wedding ceremony on June 18 in the Anglican Church of Ireland, Belfast, to George Wheeler of Belfast. Because Mr. and Mrs. Wheeler were unable to attend the party, a beautifully decorated box containing gifts of money and cards of good wishes was presented to the bride's mother Mrs. James Vansickle, who expressed appreciation for her

daughter's gifts and said that she would forward the money by air mail after it was changed from Canadian to sterling as well as the gift card signed by those present. Mrs. Evelyn Oates, was M.C. for the evening. Lunch was served and social half hour enjoyed.

UNWANTED VISITORS

Will your home be safe from unwanted visitors while you are on vacation? Pleasant memories of a week or two away from home can be destroyed by finding that burglars cleaned out your house while you were away.

Here are a few suggestions to help protect your home:

- Have someone take care of your lawn while you are gone (an unkempt lawn is a sign that no one is home).
- Notify the police department of your vacation plans.
- Leave your keys with a neighbor in case of emergency.
- Notify your newspaper boy, milkman, and mailman to stop delivery.
- Check all your door and window locks.
- Install an automatic timing device which will turn your lights on at dusk and off at dawn.
- Check with your insurance man—make sure your home, automobile, and travel coverages are in good order.

A good idea would be to check these points well in advance of the day you are leaving. Drive carefully and let these suggestions help make your vacation as worry-free as possible.
