

Bantams split two encounters

Milton Bantams split their two most recent games, dropping a 5-0 decision to Oakville and edging Burlington 7-5.

Burlington bombed Kane on the Milton mound for three runs in the first inning but never scored again until the seventh. Milton pounded two in the second, two in the third, one in the fifth and two in the sixth for the seven run effort.

D. Robertson got three of Milton's hits, singling in the first and second and doubling in the sixth inning. Andy Hull singled twice, Ken Fay hammered two singles, D. Thompson, John Tonelli and K. Armstrong all singled and Kane singled and doubled. Kane was the winning pitcher.

In their 5-0 loss to Oakville, Milton had five hits in five different innings and failed to get a run across. Oakville on the other hand were held to five hits but managed five runs from them.

A triple and a wild pitch scored

Rocky Delfino in the first and three hits and three walks in the second brought the score up to 5-0 and both clubs remained scoreless for the last five innings of the game.

Milton threatened in the sixth when Armstrong singled and went to third before getting caught running the bases. Milton hits went to Armstrong, Thompson, Kane, Tonelli and Timers.

We said we might consider changing it to "institutional" but I'd object most strenuously if that land were made R7," he said.</p> <p>Mr. Barr lives on Heslop St. and was among those who opposed a small subdivision proposed by Focus Development several months ago.</p> <p>—Milton day camp activities are keeping youngsters busy this summer.
