

A LATE MODEL OLDSMOBILE was demolished when the car caught fire and flames gutted the interior of the car. The car was a complete write-off. The car owned by William Rotman of London caught fire on Highway 401 near Kelso. Firemen are shown fighting the blaze. —(Staff Photo).

MILTON FIRE DEPARTMENT responded to a call on Highway 401 at Hornby Thursday. A car owned by W. H. Fleulling of Toronto caught fire. Considerable damage was done but firefighters were able to save the car from being gutted. —(Staff Photo).

Busy week of blazes

Car fires keep brigade busy

Milton Fire Department battled a busy week of blazes in town and the surrounding area. Three car fires dominated the brigade's actions this week. Two Toronto women suffered minor heart attacks

following a fire in which their car was completely engulfed and gutted by flames. Florence Hobbs, 56, and Marion Fleulling were taken by ambulance to Milton District Hospital as firefighters arrived on the scene to extinguish the car fire on Hwy. 401 near Seventh Line, Oakville. Damage to the car was estimated at \$600.

A second car fire totally destroyed an automobile owned by William Rotman of London. The car burst into flames in the eastbound lane of Hwy. 401 near Kelso Thursday. The driver escaped uninjured. Damage to the car was estimated at \$2,000.

Milton Fire Department also extinguished a car fire in the westbound lane of Highway 401 near Kelso on Sunday. The car, owned by Jean Laventure of Sherbrook, Quebec was totally destroyed by the flames. Spilled gas at Jack Richardson's Chev-Olds on Highway 25 was washed away by Milton firefighters. A truck was called to stand by to prevent the gas from igniting.

Blame train
Sparks from a passing train are assumed the cause of a grass fire at the home of Jim Brown, R.R. 5 Milton Saturday. Milton Fire Department put out the fire. Foul play is assumed the cause of a fire at Mac's Milk store Bront St. Friday evening. Garbage in a litter bin ignited. Extent of damages is unknown.

Four area youths enjoy Educanada

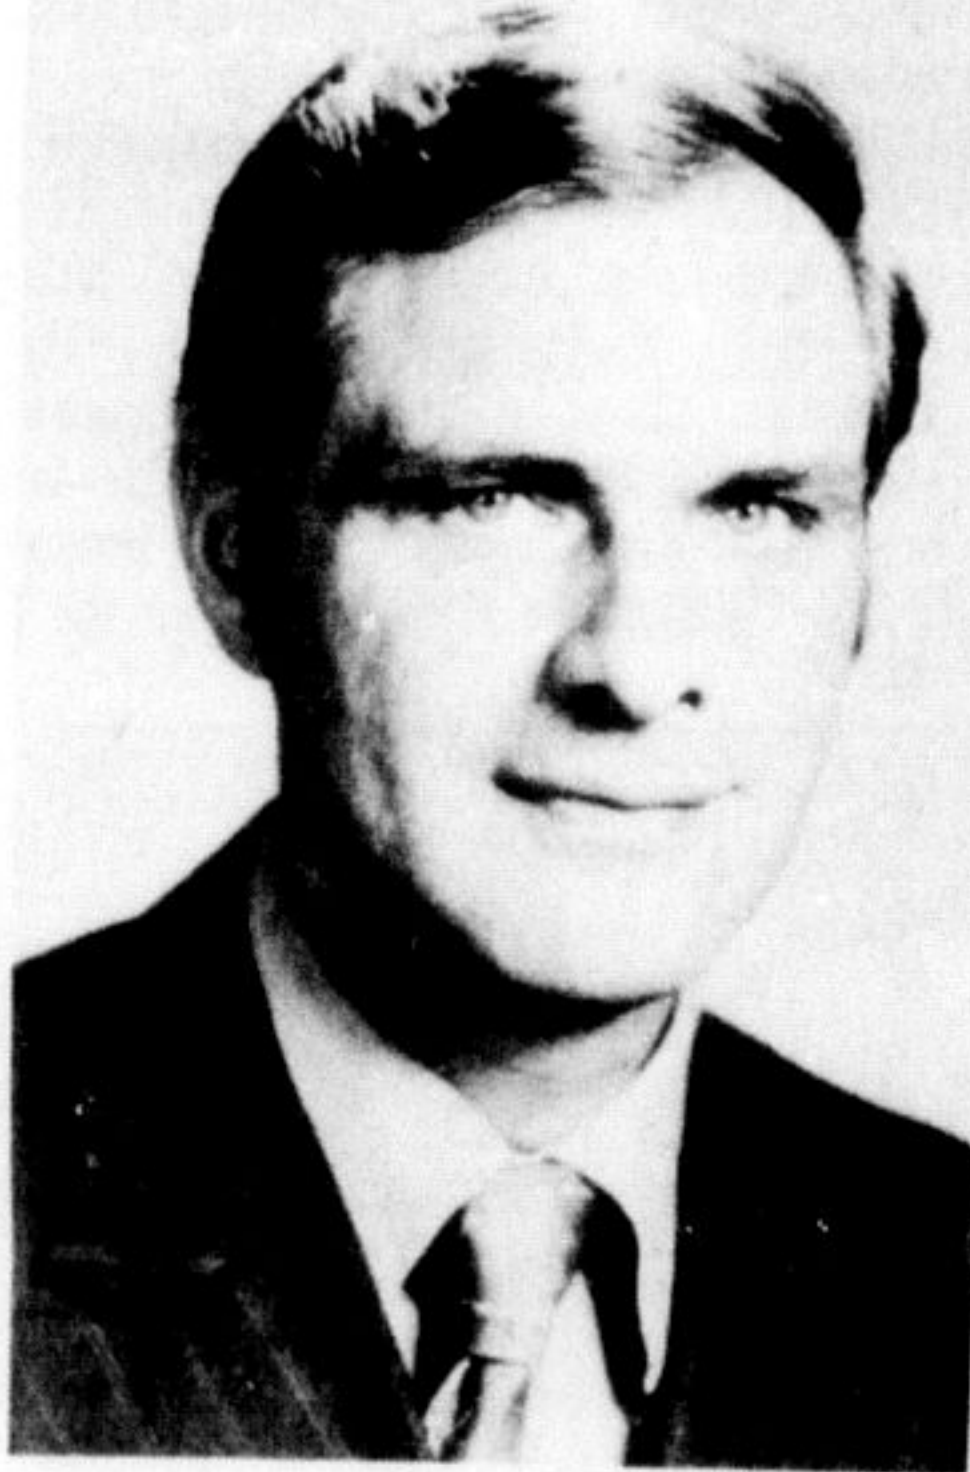

Four Milton area youngsters were among 3,200 who have either been or are on their way to Ottawa for a week of tours and visits in the Ottawa area. David Pearce, Barb Brownridge, Vicky Tyner and Barb LeRiche were among others from across Canada visiting Educanada. Educanada involves tours around Ottawa as well as visits to Upper Canada Village, Kingston and Montreal. According to David Pearce of Milton the trip was well worthwhile. Visitors pay \$16 towards the costs and the rest of the bill is absorbed in federal grants towards the project. During their stays visitors are put up in school auditoriums. The auditoriums are divided into roomettes about seven feet square and each has double bunk beds.

Collect \$1,600 for Heart Fund

Final figures have been reached and Milton Heart Fund campaign receipts turned in for a final total figure of \$1,600 for the 1971 campaign. Figures from the month-long campaign show a 43 per cent increase over last year's total for the Greater Hamilton Heart Fund Area of which the Milton campaign is a part. Receipts in 1970 totalled \$77,459, as compared to this year's total of \$111,265, in the area. Municipalities included in the area are Hamilton, Burlington, Dundas, Ancaster and Milton. Campaign chairman and co-ordinators for Milton's campaign this year were Mrs. Joan O'Connor and Art Melanson.

Peter DeHooe controller at OSP leaf spring plant

Peter DeHooe has been named controller of the Ontario Steel Products Company, Ltd., leaf spring plant in Milton. DeHooe reports to the plant manager, J. Stanley Edgar. Ontario Steel Products Co., Ltd. (OSP) is part of North American Rockwell's Automotive Products Division, headquartered in Detroit, Mich. DeHooe joined OSP in August, 1963, as an accountant on the controller's staff. Prior to that, he was an accountant with York Farms, a division of the Society of Industrial Accountants of Ontario. Born Jan. 14, 1932, in Amsterdam, Holland, DeHooe was graduated from Willem Hovey high school, Amsterdam, in 1949. He received his accounting degree from the Society of Industrial Accountants through the University of Toronto in 1968. He and his wife Corrie have three children, Mark, Andrew and Michelle.

AUDREY B. BRUSH, TREASURER

Favorite spot
Man and His World proved to be the favorite of the spots hit by David and his group. The National Arts Centre and the National Art Gallery as well as a foot tour in the area of the Parliament Buildings proved interesting as well. The trip provides an opportunity for Ontario youngsters to meet other 15-year old grade 10 students from other parts of the country. Visitors had to be 15 years old and in grade 10.

Oppose OMA resolution

Milton Council last week endorsed a resolution by Georgetown Council opposing a recommendation in the Ontario Municipal Association legislative bulletin that, if adopted, would allow residents of any municipality to run for office in any area of their choice whether they reside there or not. The OMA resolution also recommends disqualification of candidates be generally less restrictive than at present and such grounds as non-payment of taxes be eliminated.

Pay taxes
Both Georgetown and Milton Councils agreed every person standing as a resident of the town should be a resident of the town and no person standing for office should be in serious default of any payment of monies to the town for any reason unless it is a matter of dispute before the courts.

Nine permits

Building permits in the Township of Nassagaweya during the month of July totalled \$122,700 bringing the gross total to date in 1971 to \$609,200. The total is up \$30,000 from the 1970 total at this time. Permits issued included three residential, one addition, two commercial additions, one agricultural building and two garages.

—Milton went through an August heat wave over the weekend. The temperature was into the 90's three days in succession.

July permits

Construction in Milton during the month of July was valued at \$94,600, building inspector Ray Olan reports. The nine July permits brought the 1971 total to \$1,318,611.

The Krohnert tanks plant on Steeles Ave. and a car wash, each valued at \$30,000 each accounted for more than half of the total. Other permits issued included three additions, one swimming pool, one accessory building, one renovation and a single dwelling unit.

The gross total to date this year is up \$636,611 from last year's sum.

REMEMBER
Last Spring United Gas advised its customers that a service charge will be made for the light-up of natural gas heating equipment if the request is received between September 1 and November 1.
THE CHARGE FOR THIS SERVICE WILL BE \$5.
It is recommended that pilot lights on most gas heating equipment be left on during the summer months.
But, if for some reason your furnace pilot light is off, we would suggest you make your request for light-up NOW and save \$5.
You'll also be ready for that first Autumn cold snap.
We regret the need for this action but it has become impossible to satisfactorily service the multitude of calls received at the beginning of the first cold spell of the heating season.
