Appeals decision

Milton Councillors are planning to appeal a decision of the town's Committee of Adjustment.

A one car garage built within one foot of a side lot line at 325 Kingsleigh Ct. is the problem. The garage, owned by Richard Cairns, was approved by the Committee over the written objections of the town council.

When council learned of the Committee's decision last week, they decided to file a formal objection through the Ontario Municipal Board. Fear of a precedent being established was mentioned.
