

New county garage?

Halton County's roads department is planning a new garage and will dispose of its present garage in Milton when the new one is ready for occupancy, it was learned this week.

The county owns land on Steeles Ave. at the Fourth Line, east of Milton. If it can be rezoned the county plans a \$195,000 structure there to serve as headquarters for the roads crews and equipment. Crews presently

work out of a garage north of Main St. near Ontario St.

Safety talk

School time means safety time is here once more. Last week Provincial Constable Jim Redpath, the Milton OPP Detachment accident prevention officer, visited Speyside Public School and lectured on traffic safety. A total of 262 pupils received instruction.
