

New officers take over

John Perrott heads Optimists

New officers of the Optimist Club of Milton were installed in an impressive ceremony

Thursday when Lieutenant Governor Bill Vivian of Burlington visited the local club's

annual dinner meeting.

John Perrott accepted the presidential gavel of office and president's pin from retiring president Ken Orr, who has held the post for 18 months. "I am proud of our club and the people in it," the new president told the gathering and he called on the support of every member in the year ahead.

directors Ron Arpa, Joe Podwinski, Peter Crewson, Bruce Fendley, Jim Morton and Bill McGinnis. All swore an oath of office before the Lt.-Gov. and promised to live and work by the Optimist Creed.

Waterdown club president Dick Mead and four fellow Optimists from Waterdown were guests at the meeting.

Before turning over the gavel, Mr. Orr thanked all the members for their assistance during his term of office and gave special praise to the members' wives for their support. Past president Herb Higgs moved a vote of thanks to President Orr and called him "the best president we ever had".

Induction

Two members, Mike Boughton and Bob Hastie, were inducted as Optimists during the meeting.

The Lt.-Gov. praised the Milton Club for its high standing among area clubs and noted that past Lt.-Gov. Jack Charlton of the Milton club had helped make this zone of clubs the second best zone in Ontario.

OPTIMIST CLUB OF MILTON executive for 1971-72 was installed Thursday by Lt.-Gov. Bill Vivian of Burlington, one of the key men in the forming of the local club a few years ago. Pictured in the front row left to right are secretary Tom Brown, Lt.-Gov. Vivian, president John Perrott, vice-president Marvin Sine, and treasurer Don Morley. In the rear row are directors Jim Morton, Ron Arpa, Joe Podwinski, Bruce Fendley and Bill McGinnis and past president Ken Orr. Vice-president Bill McIntyre and director Pete Crewson were absent when the photo was taken.—(Staff Photo)

4-H Achievers plan trail hike

By Mrs. Cecil Patterson

A large number of neighbors, friends and relatives gathered at Boyne Centre on Tuesday evening Oct. 5 to honor Mr. and Mrs. Marcel Moisan (nee Jacqueline Leacock), recent newlyweds, with a miscellaneous shower. The young couple were seated in decorated chairs under a cascade of pink and white bells, streamers and balloons.

A beautiful rose corsage was presented to and pinned on the bride and a rose boutonniere for the groom. These were made and given by Mrs. H. McCann. Mrs. Robert Brownridge as M.C. read an address expressing all good wishes for good health, happiness and a long married life, and read an appropriate poem.

The bride was assisted by her cousin Marguerite Cragg and the groom in unwrapping nearly 100 gifts. Mary Elizabeth Curtis was kept busy making hats from the ribbon bows. Later the bride and groom had pictures taken, wearing their pretty new headgear. There were five hats to choose from. Nancy Peacock assisted with the gifts. These were passed around for all to see and later placed on a large table, set with a white lace cloth and a centre piece of autumn flowers.

Jacqueline and Marcel thanked their many friends for the beautiful gifts and the lovely party, which was arranged by Mr. and Mrs. Robert Brownridge and W. H. Devlin, and helpers. They invited all to visit them at their new home in Guelph. A delicious lunch was served and all present enjoyed a social time. Friends attended from Elmira, Arris, Bronte, Port Credit, Mississauga, Oakville, Guelph and locally.

Visitor

Mrs. George Peacock spent the Thanksgiving week end with her daughter and family, the Tom Jacksons at Hillsburg.

We extend get well wishes to Elmer McDowell, Fourth Line, who is a patient in Burlington Hospital. He entered Milton District Hospital on Saturday, Oct. 9 and was moved by ambulance on Sunday to Burlington. Friends hope he soon improves.

Mr. and Mrs. Aden Bauman and sons Michael and Barry of Elmira were Sunday visitors with the Cecil Patterson family.

We are pleased to report that Mrs. Myrtle Leslie has the cast removed from her arm which was broken in a fall and is now doing nicely. Friends hope she will soon be able to use her hand.

Harry Crozier of Milton was a guest with Mr. and Mrs. Will McFadden for Thanksgiving dinner.

Mr. and Mrs. Hartley Robertson were Thanksgiving guests with their son-in-law and daughter Mr. and Mrs. Jack Elgersma and daughter Joyce at Smooth Rock Falls in Northern Ontario.

Mr. and Mrs. Robert Marshall were Sunday visitors with their daughter and son-in-law and Family, the Allan Roe's in Toronto.

4-H Achievers

The Hornby South 4-H Achievers held their second meeting at Omagh Presbyterian Sunday school rooms on Saturday, Oct. 9, with all 20 members attending. Hedi Nowak, club president led in repeating the 4-H pledge. Roll call was "Name a book you would like to own."

The hike planned for Oct. 9 but cancelled because of rain will be held on Oct. 16—starting from the church at 9.20 a.m. to Rattlesnake Point for a hike on the Bruce Trail, also a treasure hunt. Rike Vandevalk reported that white books could not be purchased as planned so another color was chosen.

Leaders Mrs. Patterson and Mrs. Kiernan were in charge of group work, demonstrations and discussion. The girls displayed their completed samples of Swedish embroidery on huck towelling. All were nicely made and several had made a new pattern. One had her name worked using the stitch. Knitting, another craft for this project was demonstrated by Danielle Major and Trisha Fish; they showed how to cast on stitches and plain knitting. Members who could not knit then practiced with yarn and needles.

Leisure time

A discussion and notes were given on spending leisure time for pleasure. Reading was a profitable way and an inexpensive hobby to gain knowledge. Travelling was another way to have fun in leisure time. Tips were given on suitable clothes to wear, packing a suitcase, tipping for services

rendered, using traveller's cheques if travelling out of the country, and souvenir buying.

The next regular meeting will be held Oct. 23. The theme will be personal care, and the leaders will demonstrate another craft, making stuffed toys. Arrangements are being made for St. John's Ambulance members to address meeting four on First Aid and resuscitation.

Mr. and Mrs. Dave Lockie and daughters Brenda, Coral and Margaret enjoyed Thanksgiving day festivities with their parents Mr. and Mrs. Stuart Lockie, Milton, also attending the family party was Mrs. Lockie's father Mr. O. A. Kummer of Preston. Congratulations to Rev. and Mrs. Rod Lewis on the birth of their son Philip at Milton Hospital recently. Mrs. Lewis and baby were welcomed home Thursday, Oct. 7.

Birthday greetings to our friends Ken Pewtress, Mary Pewtress, Margaret Kubinec, Keith Seelen, Mrs. Stan May and Peter Le Riche.

Best wishes for many more happy years to friends celebrating wedding anniversaries: Mr. and Mrs. Aden Bauman, Oct. 7, Mr. and Mrs. Jim Bess, Oct. 14, 10 years, Mr. and Mrs. Hank Ford, Oct. 19, Mr. and Mrs. Morris Turner, Oct. 14, and Mr. and Mrs. Gordon Robinson, Oct. 15, 52 years.

"There is a simple yet profound difference between Their Ontario and Ours. Theirs has meant privilege and benefit for the few. Ours demands that people run their own lives. Since the NDP, more than any other party, is The People of Ontario, Our Ontario is Your Ontario — and an NDP Government is the only way we can make it happen."

— Stephen Lewis, August 19, 1971

Their Ontario: Your Ontario:

EDUCATION

In Conservative Ontario, our largest industry has become a bloated administrative nightmare . . . lacking concern for the human potential of its students . . . paid for by the people who can afford it least . . . so much money for such little benefit.

CAR INSURANCE

In Conservative Ontario, car insurance is a corporate picnic — and you pay for it. More than 200 private companies load so many costs and so much profit into your premium that only 65 cents of each dollar is returned in compensation (Saskatchewan's public plan returns 85 cents) . . . with a new "no-fault" feature that does not include property damage 70% of all claims!

JOBS

In Conservative Ontario, the Government has done nothing to offset Ottawa's punishing policies . . . has proportionately produced fewer new jobs than Manitoba . . . has continued their hand-outs and sell-outs to foreign corporations . . . has continued to feed industries that employ few people at the expense of those that employ many . . . and done it all with public money.

THE COST OF LIVING

In Conservative Ontario, taxes are allowed to go up, corporate profits are allowed to go up, rents are allowed to go up, interest rates are allowed to go up — and the wrong people keep paying for it.

INDEPENDENCE

In Conservative Ontario, foreign ownership swells and saps our ability to run our own lives . . . outside control of Canadian jobs, education and culture is allowed to grow, while the Tories close their eyes and their minds, and do nothing.

MEDICARE

In Conservative Ontario, we pay the highest premiums in the country for the fewest benefits, while a profitable welter of insurance companies reap the rewards, and neither patient nor doctor can claim satisfaction.

THE ENVIRONMENT

In Conservative Ontario, pollution is measured not curbed . . . corporations are warned, not punished . . . laws are piecemeal and puny . . . and citizens, not companies, are made to feel responsible.

An NDP Government will shift emphasis from real estate to real people . . . offer equal opportunity to the workers and the privileged . . . expand the number and quality of our teachers and resource people . . . spread the costs fairly to include taxes on corporations.

An NDP Government will guarantee a publicly-run plan sold with the car license . . . lower the cost (by 15 - 20%), expand the coverage, speed the payments for everyone in the accident, and for all liabilities . . . cut the fat and kill the private profit . . . provide 100% no-fault . . . legislate strict car-maker controls to eliminate some dangers right at the source!

An NDP Government will encourage an economy planned for the good of the many rather than profit for the few . . . aid areas where the labour is . . . promote manufacturing here (instead of exporting resources to make money and jobs in the U.S.) . . . raise the minimum wage to at least \$2.50 an hour . . . reduce the work week from 48 hours to 40 without loss in pay . . . and, work toward a guaranteed income for every family!

An NDP Government will continue to work toward a fairer distribution of taxes . . . create a Rent Review Board . . . create a Prices Review Board . . . create an Ontario Land Bank to stunt real estate speculation . . . create a Consumer's Bill of Rights . . . give aid to co-ops and credit unions . . . create a fair tax system — based on ability to pay, rather than ability to evade!

An NDP Government will act to reverse the giveaway before it becomes too late . . . with an Ontario Development Corporation to channel money and growth where we need it . . . a take-over review board to safeguard our birthright and restore Canadian control . . . crown corporations in selected natural resources . . . a code of decent corporate behaviour . . . and, no more unnecessary incentive grants to foreign-based companies!

An NDP Government will implement a single, simple Healthcare Plan available to everyone . . . financed by a low premium (less than one-third the present cost for families, less than one-half for singles) and a fair tax structure . . . paying for all medical and hospital bills . . . all prescriptions, children's dental care, and home nursing care!

An NDP Government will enact tough laws to prevent pollution and punish polluters . . . forcefully act to conserve all non-renewable resources . . . safeguard the victims of pollutions through financial aid and re-training . . . create a crown corporation to produce and market effective pollution abatement equipment!

Make it Your Ontario. VOTE NDP.
